Attendance	
Celebrations	2nd Grade is having good attendance in live meetings. Virtual conferences went well. Everyone excited about Fall Carnival
Approval of Last Meeting Minutes	All in favor of approving last meeting minutes. All in favor.
Old business	Dates for parent nights were tabled in the last meeting. What type of parent nights will we have? Need to do a 3rd Grade RTA meeting. SIT Plan - We need to update a few things. No major feedback
Parent Involvement Money	A little over \$2000. This is Title 1 money so it can only be used on certain things. Can it be used on subscriptions like Reading A to Z. Do we still have the need for Picnic tables to work outside? Talk with grade levels about something that we can do for parent involvement.
Carnival	Friday October 30th 5:00 - 7:00pm. Drive thru back parking lot, by the church, and then through the circle. Mrs. Deaton talked with Tracey Phillips to let her know. Each grade level will have an activity and should dress up. Planning to order a dragon mascot for the school.
Up for Renewal	Spelling City expires 10/11/20, Flocabulary expires 11/12/20, Do we want to renew these? Kindergarten and 2nd grade are not using Spelling City enough right now to renew. Flocabulary is still used and we would like to renew.
Red Ribbon Week	Try to get students involved in Red Ribbon Week as much as possible. Stacey will email out a flyer.
Report Card Pick/Up & Picture	October 22nd, 8:00am - 4:00pm Students will come into the cafeteria from the front circle.

Day	All pictures should be delivered to their home. This is an early release day and we will have PD for the second half of the day.
SAT (student assistance team)	We need a process in place to help the students who are falling through the cracks. How can we refer someone you are concerned about for attendance or not completing work? Name, Teacher, why, details of the events and/or contact. Would we like to set up a contract at the end of the 1st 9 weeks to help motivate students to improve for the 2nd 9 weeks. A Google Form will be created so that teachers can refer students to Mrs. Deaton.
Open Discussion	Make a place on the website for “how to” videos. If teachers have videos, please share them. Missing assignments, Email access, ClassDojo(English and Spanish), iReady, Turn in assignment, Kami, Google Classroom
