Celebrations	SYTYSR won first place!!! Ms. Stewart received wonderful complements from parents at an IEP meeting! WIDA testing at Star is complete!
Self-Evaluation/SIP	Mr. Gritt asked if we could complete this. It is located on the Star Google share drive (SES School Self-Reflections 2019-2020). We are going to go over this at the faculty meeting. The SIT Team brainstormed different answers to the questions.
Flocabulary Use	Mrs. Deaton is forwarding out an email to all of us to discuss among grade levels. We are paying \$2,000+ so please use it. Flocabulary has a "Week in Review" that can be used to tie in current events. There is a Junior version for younger students.
Teachers Working Conditions	Please complete! We are trying to get 100% so we can be entered into a drawing.
Parent Nights	BINGO for Books is next Tuesday (3/10). We will start this at 5:30 and it will end at 6:30. STEM night was switched to April 28 th . We received a grant and we got a bunch of materials to use on this night. We are going to set up stations in the cafeteria. Mrs. Deaton will send out a list of options for us to sign up to.
Car rider behavior	Kindergarten through second grade students will not listen to the teachers. Students are playing around and not paying attention. It is the same students who are the misbehaving. 2 nd grade car rider students will start going out with 3 rd -5 th grade students starting on Wednesday to try to minimize behavior concerns. Provide feedback to Mrs. Deaton.
Snacks	The SIT Team discussed limiting the number of snacks students are buying.
Final Rounds of Observations	Final rounds of observations will begin this week.
Kids Heart Challenge	The Kids Heart Challenge is a chance for teachers to win an Amazon gift card. Mrs. Crump emailed everyone about this. All you have to do is tell Mrs. Crump your shirt size. You just need to copy and paste a message that she will send you and you need to push it out to parents each week.

Connect	Students need to attend connect. If you hold students back for remediation then they should not be the same students each time.
