Celebrations	Access testing is going well! First grade is completed! We made it through another check-in. Ashley and Beth received a grant to help with their field trip!
Budget	Tabled for now
Dance	The dance is on Thursday, 2/13 from 5:30-7:00. We are doing all grades at this time. Mrs. Deaton is going to feed the staff Valenti's that night. Mrs. Crump will send out a Google Sheet to sign up for the station you want to do. She will also send out a Google Sheet for teachers to keep track of students who have paid. Teachers should send out a Class Dojo reminder about the dance to parents.
SIP	
School garden	We are in the process of buying materials to start seeding. We are also looking at locations to put the beds. Mrs. Deaton said she is looking by the gym and out by car riders to put the beds. If anyone has any ideas of what to plant, please let Mrs. Deaton know.
Read Across America	Read Across America is from March 2-5. Monday (March 2 nd) – Pajama Day and green, eggs and ham for breakfast Tuesday (March 3 rd) - Zoo Day (dress up as your favorite animal) Wednesday (March 4 th) – Wacky Wednesday (e.g. wacky hair, wacky socks, wacky everything) Thursday (March 5 th) – Character parade in the morning and birthday cake Teachers should find a guest reader for their class.
Upper-grade parents passing the line once they have their child/children	We are going to put a cone out to block cars from passing the line.

Fixing the parent pull-off area at car riders.	A work order will be put in to get the dip fixed so parents have a place to pull up if they are waiting or need to speak with a teacher. Teachers should ask the parents to pull to the bottom of the parking lot by the trees from now on if they are waiting or need to speak with a teacher.
Connect concerns	Teachers should laminate a class roster and use a dry erase marker to mark who is not going to connect/absent so connect teachers are aware. Also, if a teacher is going to keep students back from connect (unless it is EC related) please keep them the whole time so they do not interrupt connect lessons.
Board presentation	The board presentation is April 6th. Some ideas for the presentation were the school garden and after school clubs. Volunteers are needed for this presentation.
Student computer logins	This seems to be a K-2 issue. Students do not know their own usernames and passwords. The universal login is preventing students from knowing their own personal login information. Students should start logging into the computer using their personal login information in the computer lab and the classroom to help them get used to logging in on their own.
Bus Issues	There is concerns with teachers not knowing about discipline issues on the bus. The bus drivers are still using paper referrals. Mrs. Deaton is going to see about getting them trained on Educators Handbook.
Jean Days	Teachers can wear jeans on Thursday (2/6) and Friday (2/7) this week.
