Science Fair	The Science Fair is January 16th and it starts at 5:30PM. Winners will be announced at 6:00PM. The boards need to be set up in the cafeteria by the end of the school day on 1/16. It was suggested that you bring the boards down on your way to connect that day. Other grade levels are more than welcome to view the projects, they will be set up by 1:45PM.

Daily Mile Track being used by the public	People outside of faculty and students are using the track during the school day. Also, people are bringing their pets on the track. There is a concern with the pets using the bathroom and it not being cleaned up. Mrs. Deaton is going to see about having a sign made to help with this situation.
Sunshine Committee	If you have not paid your Sunshine dues, please do so ASAP. SIT decided that we will start sending a balloon and a card to any child who is admitted into the hospital. We will start this today.
