

SIT Agenda - Monday April 1st

Attendance: Morgan Stewart (4th), Janet Deaton (Principal), Stacey Crump (Connect), Jeannette Dawkins (IF), Caitlin Stout (1st), Rhonda Mashburn (Pre-K), Jaimie Russell (5th), Angie Miller (2nd), Ashley Lynthacum (3rd)

Water Fountain	The cafeteria water fountain will have a sensor and cover so kids can fill their water bottles up.
Garden	We applied for a grant for \$1,000. We are waiting to see if we get the grant. We have people in the community who are willing to help regardless if we get the grant or not. Each grade level needs to come up with something that they would want to plant and take care of. This will start when we get the grant.
Bus Discipline	Input is needed for incentives for good behavior on busses. Mrs. Deaton is going to have a "bus intervention" and call the riders down to have a talk with them. Any other ideas would be appreciated.
Girls on the Run	This is a program that is for girls in 3rd through 5th grade. It involves lessons on positive body image and increasing self-esteem. Mrs. Crump and Mrs. Deaton have been discussing this and will provide further information when they get it.
Bingo for Books Night	This is on April 16th from 5:30-6:30. Everyone is expected to help out. If anyone has BINGO cards, let Mrs. Deaton know.
School Address Posted	We are going to tape the school's address on each phone so that if there is an emergency we can reference if necessary.
Charter School Questions	Mrs. Deaton is going to create a document for teachers to reference when parents or other people ask about charter schools.
Staff Birthdays	Next year all staff birthdays will be announced.

Sunshine Dues	People are wondering about what the guidelines are for different events and what is expected for each event.
Walk through form updates	SIT went through walk through form that Mrs. Deaton is going to bring to principal's meeting. Minor suggestions were made.
New Students	Teachers discussed being notified of new students as soon as the office is notified so that they can prepare.
Check-ins	Check-ins will be April 9th and 10th for 3rd-5th grade. Tuesday (4/9) will be ELA and Wednesday (4/10) will be Math.
