

SIT Agenda - Monday March 4th

Attendance: Morgan Stewart (4th), Janet Deaton (Principal), Stacey Crump (Connect), Jeannette Dawkins (IF), Caitlin Stout (1st), Rhonda Mashburn (Pre-K), Jaimie Russell (5th), Angie Miller (2nd), Ashley Lynthacum (3rd)

Picture Company	Had meeting with Lifetouch about switching services. Lifetouch offers complimentary awards, certificates, bookmarks, stickers, etc. They connect to Shutterfly. They do picture packages. School gets 8% commission on storefront link. Prices are similar to the company we use now. SIT team decided to switch to Lifetouch unless there is a major price difference that comes up.
Budget	Earlier in the year we discussed purchasing a poster maker but we decided to use the money on a connect person every three weeks instead. We are now able to purchase one if we want it. SIT members are going to talk with team members and discuss if we want to still get one. Quotes: \$4,380, \$4,910, \$5,980 Mrs. Deaton has specific details on the different options. SIT members should email Mrs. Deaton after they talk with teammates.
Family Night - April 16th	Beth Lancaster suggested having a BINGO night and she will distribute books to kids as prizes. The school would charge for the bingo cards to make money. All grades will participate together in the cafeteria. It will be held from 5:30-6:30PM.
Grant	We want to apply for a grant that will give us \$1,000 dollars to use for 'health' education. We have not applied for the grant yet, Mrs. Deaton is going to ask a PTA member to fill-out the application. We would like to use this money to start a garden if we get the grant. We would also like to add a water fountain near the gang bathrooms that would be just for filling up water bottles.
Trash in Rooms	Before you go to cafeteria make sure you have anything that can be utilized off of the floor (e.g. pencils, gluesticks) so it is not thrown in the trash.
Kids Heart Challenge	Students took their packets home either Friday or today. This is still jump rope for heart, it just has a new name. The school will now get a little bit of money back for the fundraising students complete. Big push is for students to fundraise online. It is SO much easier. 2nd week: Sell Hearts 3rd week: Teacher jar challenge (possibly pie in the face) - Stacey will send an email out to ask teachers who want to participate There is a blue basket in the office for students to put coupons in.
Faculty Meeting coverage for Merit	Concerns about Merit teachers missing faculty meetings. Other schools have the coordinator or other Merit subs cover the time until faculty meeting is over so Merit teachers can attend faculty meetings.
Rainy Day Dismissal	Rainy day dismissal needs to start NO later than 2:30. Busriders should remain in classroom until the bus number is called to dismiss. No one but the bus that is called should be in the hallway at this time. All carriders need to stay in the room until 2:40.

Soda	Students are not to have soda in the cafeteria. This is not a battle we are fighting this year but will be strongly enforced next year. If you want to go ahead and discuss this with your students fill free.
Duties	Just a reminder duties have changed. March duties Bus 28 - Laura H. Bus 24 - Esther Bus 33 - Phil Walkers - Morgan/Morgan Car - Angie, Jennifer, Jaimie, and Ashley
Butterflies	May 10th - the Butterfly lady will come for PreK-3
