| Parents blocking teacher parking lot | <p>Parents are blocking the back teacher parking lot. They are pulling in past the stop sign which is causing hazardous driving and walking conditions for teachers coming in to work.</p> <p>Mrs. Deaton will send a callout that parents should not enter parking lot and remain at stop sign until 7:30 and she will also go outside tomorrow to talk to parents.</p>                                        |
| Pre-k and Kinder Registration        | <p>Registration is scheduled for March 6th.</p> <p>Ideas are needed to make the registration awesome and inviting! Please send any suggestions to Mrs. Deaton. We want to make this exciting!</p>                                                                                                                                                                                                               |

| Relay for Life                       | <p>Amanda Henley is going to lead this with student council. We need some fundraising ideas for this, any ideas would be appreciated.</p> <p>Next Relay meeting is on 2/11.</p>                                                                                                                                                                                                                                 |

|                                   |                                                                                                                                                                                                   |
|-----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| SYTYSR                            | It will be held on March 1st.<br>It will be communicated when tickets will start being sold.                                                                                                      |
| Office to Classroom communication | There needs to be a communication with teachers and office so that teachers are aware where their students are.                                                                                   |
| Room/School Cleanliness           | Faculty has concerns about room and building cleanliness.                                                                                                                                         |
| Soup Day                          | Soup will be moved to the cafeteria at the table along the back wall where Merit use to be. This will allow teachers to access the soup without having to worry about coverage for their class.   |
| Students coming in prior to 7:30  | Students should not be let in building prior to 7:30AM. Students should not be wandering the hallways or going to the classrooms because it is a liability and students are not being supervised. |
