

SIT Agenda - Monday, October 1st

Attendance: M. Stewart (4th), S. Crump (Connect), J. Deaton (Principal), A. Miller (2nd), C. Stout (1st), J. Dawkins (IF), J. Russell (5th), A. Lynthacum (3rd), A. Aumon (K), R. Mashburn (PK)

Car Riders	Discussed putting siblings together at car riders so parents don't need to make two stops. Students will still go to their respective spots. If a student has a sibling, 3-5 kids will keep an eye out for their car and then walk down to their K-2 sibling when their car is near. Parents will now only make one stop at the K-2 pickup spot. This will be discussed at the faculty meeting on Monday and will not start until next week. Every teacher needs to send their list of afternoon carriders to Stacey. She is going to make the car tags for parents to hang in their cars.
Early Release Lunch Schedule	Lunch tables and sections overlapped. 4th grade early release lunch schedule overlapped into 3rd grade lunch. There were not enough tables. Mrs. Deaton is going to fix this and change it in the handbook.
Restorative Justice	Restorative justice has to do with not automatically punishing kids and instead trying to correct their behavior. We are going to use social circles to help with this. Mrs. Deaton is going to create a schedule and process for the implementation. We need to come up with a process for when kids need to meet with Mrs. White. This is a time when we might want to utilize social circles (kids with similar issues get together to discuss difficulties and correct behaviors).
Music and Art Room access issues	Teacher and students have been knocking continuously with no answer. Doorbell Idea? Mrs. Deaton is going to ask about the door being rekeyed. Teachers need to take their kids to use the bathroom before coming out.
Christmas Dinner	Sunshine committee normally takes care of this. It is easier to go somewhere instead of having it catered. If
Pebble Go	K-2 utilizes Pebble Go. 3-5 does not use Pebble Go. 3-5 would like a schoolwide Flocabulary account instead.
Snack Tubs	Numbers have increased for breakfast. Do not leave fruit out or food open that bugs can get to. Leadership said that we should let the kids eat in the classroom.
Emergency Go Bags	Emergency bags need to go everywhere with you.

(backpack)	Classroom teachers should bring and leave their emergency backpacks with the connect teacher when they drop their kids off at connect.
Field Trip Forms	We need to create a form that can be filled out so that the necessary people are notified (e.g. cafeteria and bus drivers). Mrs. Deaton will check on this.
Intercom	Classroom intercoms are not working for all-calls. Mrs. Deaton will put in a work order in.
Walk to School	Wednesday, October 10th is National Walk to School Day. Car riders and bus riders are dropped off at Star Town Hall to walk to school. Mrs. Deaton is going to verify date and then push out the information to us. Volunteers need to be there by 7:15AM to help walk kids back and forth.
