Celebrations: We are fully staffed! The school looks great! Mrs. Miller enjoyed her trip this summer. We are excited for our new principal! Back to School Bash went really well.

Updated Poster Maker or Hiring new person	(In cardboard tube in office) No one in favor of purchasing a new poster maker. Discussion was brought up about purchasing a cut-out maker. Morgan is going to look at a price for that. Mrs. Deaton brought up the idea of hiring a person to take the Spanish position for every third week, so students have connect and teachers have planning. It would cost about the same as a new poster maker. Dr. Lancaster was checking to see if we could pay them using our general funds.
Yearly Event Dates	Fall Carnival - October 26th Parent Nights - September 20th and October 9th Science Fair - January 10th Spelling Bee - December 4th Brainstorm possible performance night ideas to be done as a school/teachers/students.
Parent Survey	A parent survey will be done for Open House. Morgan will create the parent survey. If you have any question suggestions, email her them ASAP.
K-2 Task Force	Decide members Caitlyn, Aimee, and Angie were the members on the K-2 Task Force last year. They will serve on the K-2 Task Force again this year.
SIP Plans	Goals updated for school in math and reading. Teacher attendance goal needs to be added to the plan. Mrs. Deaton is going to look at last year. Mrs. Deaton is implementing Broken Clock Coupons. You can use these to leave early at any time. They do not expire for as long as Mrs. Deaton is here. Blue jean days can be earned by perfect attendance.
Box Tops	Is this something we want to do this year? Yes, we are going to do box tops. Mrs. Deaton wants to build a display to have a competition against grade levels to collect

	box tops. We will have the display at the front of the school so everyone can see.
Mission Statement and Vision Statement	We decided to keep the Vision and Mission statements the same as last year.
Bernie Memorial	Bernie Memorial has not been mounted yet. It will be mounted right by the front door. Mrs. Deaton will put in a work order ASAP and schedule a memorial for his immediate family to attend. We will invite his wife and whoever she would like to invite. We will reach out to his wife to see a time that she is available on the date of Open House.
Schedule	Grade levels need to discuss a possible different time for Daily Mile that you can work in during your instruction time. Email Mrs. Deaton regarding a time for daily mile. If no other option, teachers can keep it attached to recess.
Budget	Teacher Working Conditions Survey marked lower in lack of resources. We are going to put all paper back in the workroom. For the first month, there will be no limit on the copies (as an experiment). After the first month, Mrs. Deaton will look at the number of copies and go from there. We should be using the Rizzo as much as possible, they are free copies! Everyone should be using the Rizzo for 30 copies or more. All basic supplies are in the room with the cumulative folders for teachers to take, just make sure you let Lynn know. If you need something that is not in there but has been there in the past, Lynn may be able to order it.
