

## Vision

Strive  
Motivate  
Excel  
Succeed

## Mission

Our mission is to **Strive** to do our best, **Motivate** ourselves and others, **Excel** in all we do, and **Succeed** in the future.

## Beliefs

SMES believes that:

- Education is a partnership among school, family, and community.
- Our school should be a safe and positive learning environment.
- Every child can succeed through highquality academics, engaging opportunities, and supportive instruction.

### Classroom Instruction

### Student Supports

### Family Engagement

#### Objective

Increase student engagement and academic proficiency for all students.

#### Objective

Promote student social, emotional, and physical well-being.

#### Objective

Improve communications between the school, home, and community.

#### Critical Initiatives

1. Utilize evidence-based instructional strategies to support grade-level standards.
2. Embed quality professional development practices within classroom instruction.
3. Provide targeted interventions based on individual student data.
4. Incorporate multi-sensory strategies to increase student understanding and engagement.

#### Critical Initiatives

1. Provide a safe learning environment for all students.
2. Promote healthy choices.

#### Critical Initiatives

1. Provide opportunities for stakeholder participation.
2. Maintain consistent communication across a variety of platforms.
