

Notice Concerning Release of Student Directory Information

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that New Market Skills Center, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your student's education records. However, New Market Skills Center may disclose appropriately designated "directory information" without written consent, unless you have advised New Market to the contrary in accordance with New Market procedures. The primary purpose of "directory information" is to allow New Market Skills Center to include this type of information from your student's education records in certain school publications. Examples Include:

- ⦿ The NMSC website or school publications
- ⦿ Advertising brochures
- ⦿ Graduation programs

FERPA authorizes New Market Skills Center to release student "directory information" for school- related purposes without parental permission **unless you notify your school in writing, by October 1st or within 10 days of enrollment after October 1st**, that you do not want such information released to those who request it. New Market Skills Center has defined "directory information" as:

STUDENT DIRECTORY INFORMATION

- ⦿ Student name, address, parent email address and telephone number
- ⦿ Photograph date and place of birth;
- ⦿ Degrees, honors, and awards received;
- ⦿ Dates of attendance and grade level;
- ⦿ Schools previously attended; and
- ⦿ Work created by the student for school- related publications

This type of information is used in school publications such as newsletters, school programs (graduation, etc.), and recognition lists. During the school year, district personnel will be photographing students for publications, websites, school newsletters, and websites. Requests for directory information will also come from the local media. In addition, many school events and activities will be videotaped. Parents/Guardians who do not want their children included should make that request in writing to their school office each year.

Two federal laws require local educational agencies under the Elementary and Secondary Education Act of 1965 to provide military recruiters, upon request, with directory information categories: name, email address, address, and telephone listing, unless parents have advised the school, in writing, not to release such information.

New Market Skills Center will not release any directory information for commercial purposes or for other purposes not related to the conduct of school business.
