Rental Contract

This is a contract. The back of this contract contains important terms and conditions including lessor's disclaimer from all liability for injury or damage and details of customer's obligations. These terms and conditions are a part of this contract - READ THEM! If equipment does not function properly notify lessor within 30 minutes of occurrence or no refund or allowance will be made. If this is a reservation, a reservation cancellation fee up to 1/2 of the total amount may be charged if reservation is cancelled within 30 days of the scheduled "time and date out".

I certify that I have read and agree to all terms of this contract.

Tents and all tent accessories are covered by the damage waiver and are factored into the charge. Client is responsible for identifying and marking all underground utilities prior to Lake City Rental installing any structure onto location. Customer assumes full responsibility for any damage to any underground utilities. Extra charges will apply to deliveries where extra time is required for drop off, i.e. other floors, elevators.
