RE: Office / Classroom unit

Dear Carl:

Lake City Heating & Cooling Inc. proposes to replace the failed main motor at the Middle School. The following is a description of the work to be performed:

This estimate includes removing one (1) failed blower motor. Install one OEM Carrier (1) new 1 H.P. blower motor with the same original equipment specifications. Also we will install a new run capacitor. This motor would need to be ordered. Estimated shipping time is 2-3 days. We also include a complete start up and calibration of the unit.

Total labor and material.....$ 737.52

One (1) year warranty on all parts and labor supplied by Lake City Heating & Cooling Inc. And all additional warranty provided by the manufacture.

LAKE CITY HEATING & COOLING INC. is pleased to have this opportunity to work with you on this project. Please do not hesitate to call me if you have any further questions or concerns.

Respectfully,
LAKE CITY HEATING & COOLING INC

John M. Jereczek
Vice President
