

Top 5 Things for Students to Get Started

A lot of students use SchoolLinks with no training at all.

From exploring careers, investigating colleges, and learning about yourself - here are 5 things to keep in mind as you get started:

- 1 LOGIN TO SCHOOLINKS**
Go to app.schoollinks.com and log in via ClassLink, Google SSO, or using Rockwood sign on credential on the website directly.
- 2 GO THROUGH ONBOARDING**
Don't skip onboarding. It only comes up the first time you login and will be the best way to get you started.
- 3 TAKE A FEW ASSESSMENTS**
Not sure where to start exploring careers? Want to know what celebrity learns the same way you do? Check out SchoolLinks fun buzzfeed-style quizzes.
- 4 EXPLORE CAREERS**
You aren't at school just to learn facts. Start exploring what life after school might be like by exploring industries and careers.
- 5 CREATE GOALS**
Life after school can seem daunting but it doesn't have to be. Start putting down some structured goals around going to college, getting a job, and more.
