CRC TEEN PROGRAMS

CHANGEMAKERS

SERVE. VOLUNTEER. LEAD.
Changemakers is a student leadership program where teens get hands on experience connecting and working within issues and causes important to them.

AMPLIFY

AMPLIFY is a strength based program that connects teens with the power of music and art through a social-emotional lens. Youth form bands, write, record, and perform their own music while being mentored by local Seattle musicians.

MAKERS GUILD

DREAM. DESIGN. BUILD.
Makers Guild provides teens practical experience with planning, designing, and building everything from guitars to arcades. Think like an engineer, and get hands on experience with being a maker.
