and educate EVERYone with**

P - Positive Attitudes
A - Acting Responsibly
W - Working Together
S - Showing Respect

McDougle Lions are Better Together! Our marvelous McDougle Lions and the Lion community are committed to our core values of displaying a positive attitude, acting responsibly, working together, and showing respect. McDougle Elementary, a K - 5 campus, is very fortunate to have highly qualified, caring, and committed teachers who have high expectations for our students and consistently support our learners in academic and personal growth and encourage them to be life-long learners. McDougle is a technology-rich environment for both teachers and students. Technology is integrated into student learning daily with student choice and personalized learning being a priority at all levels.

Students use technology to practice, explore, and work collaboratively with other students on many platforms. We also have a fully-stocked Science Lab with a full-time Science Lab teacher. Our fine arts program is among the best in the state with students being offered Art, Music, and PE weekly.

Welcome to McDougle Elementary!

Ms. Hazel Berry
Principal
hberry1@kleinisd.net

I am honored and humbled to be the principal of McDougle Elementary! My name is Hazel Berry. I obtained my undergraduate degree from Grambling State University and my graduate degree from Lamar University.

Our McDougle teachers and staff are committed and passionate about serving students every day. We look forward to working with our students and learning EVERY student by name, strength, and need so we can educate them to reach their full potential. We have an amazing learning community and are proud to work with our parents and all who are an extended part of the McDougle family. Thank you in advance for partnering with us to ensure the continued success of our community.

HOW TO GET INVOLVED

We invite you to join our McDougale family through the Parent Teacher Organization, volunteering on campus, attending Parent University classes, attending Family Engagement opportunities, and taking language classes. We invite you to be a part of the learning at McDougale!

Lions are saying...

We have the honor of calling McDougale our second home. My son has loved every moment with the great teachers and staff. They have been a part of our family, too.

PARENT

Teachers and staff have a passion for their craft and a love for their students that permeates through our walls and ripples into our community.

TEACHER

McDougale is great. All my teachers have been amazing and always do their best to teach kids.

5TH GRADER

PROGRAM HIGHLIGHT

McDougale staff are committed to growing well-rounded students with strong character and leadership skills. The many clubs and leadership activities offered are intended to help us in that endeavor. We are dedicated to building perseverance in our students, guiding them through the "learning pit" of difficulties to emerge as leaders of their own learning.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
