

## Fairfield Prep Ignatian Service Program (ISP)

**Purpose:** In the spirit of our mission at Fairfield College Preparatory School, the Ignatian Service Program (ISP) will prepare students to embrace a lifestyle of leadership through service after they graduate and continue to live as men for others. It is the goal of the Ignatian Service Program to make students more aware of the needs of others, and of their responsibility to help the materially poor in our communities. Beginning freshman year and continuing through senior year, students become active members of the community (both on campus and off) to engage with their peers and local organizations in meaningful ways that address the needs of the marginalized, the under-resourced, and the underrepresented in our midst.

**Types of Service:** All service opportunities that juniors and seniors participate in for credit towards their ISP goals should adhere to the Corporal Works of Mercy. The Corporal Works of Mercy are the bedrock of Catholic Social Justice practices and originate in the teachings and life of Jesus. These involve direct service to underserved populations in our local communities.

There are 7 Corporal Works of Mercy:

- Feed the Hungry (example: volunteer at a food pantry, soup kitchen, or agencies that feed the hungry)
- Give Drink to the Thirsty (example: volunteer at an organization that provides access to clean drinking water)
- Shelter the Homeless (example: volunteer at a homeless shelter)
- Clothe the Naked (example: volunteer at a community center that serves the underserved populations)
- Visit the Imprisoned (example: volunteer at an organization that serves the formerly incarcerated such as HomeBridge Ventures in Bridgeport, CT)
- Care for the Sick (example: volunteer with an underserved, marginalized, or overlooked population, such as seniors, the sick, the homebound, or those with disabilities)
- Bury the Dead (example: volunteer at organizations that care for the dying and those that offer grief counseling, such as nursing homes or hospice cares)

**Service Hour Reporting and Grading:** Sophomores, Juniors and Seniors will record their hours online using the x2VOL platform. Each class will be able to use x2VOL to record and verify hours, discover new opportunities to serve and begin to tailor their service-related interests. Students will receive a Pass/Fail grade for the Ignatian Service Program on both the semester and end-of-year report cards. Grades are determined by the student's fulfillment of the required service hours and in-class reflections.

**Data Collection and Approval:** All hours will be approved by the organization site supervisor(s) first and a member of the Mission & Ministry department last. Students must update x2VOL consistently to satisfy their requirements for the ISP. The Mission & Ministry Department will work with each Theology teacher to produce bi-weekly reports of student service hours to ensure that all constituents are aware of service hour status. These reports are to keep accurate records of student progress for all parties involved.

**Summer Carry-Over Hours:** Students are allowed to carry over up to 10 hours of service earned during the summer at any time during the year. Summer service work must be at organizations on the Approved Agency List for freshmen, sophomores and juniors. For seniors, applicable summer hours must be at their primary service organization.

**Appalachia Immersion Participation:** If a rising Junior participates in the Appalachia Summer Immersion Trip they will be allowed to carry over 20 hours of service to the upcoming school year. The Appalachia Immersion typically occurs in mid-June.

**Reflections and Theology Department Partnership:** Each Theology teacher will have access through x2VOL to view their student's service hours based on their class section. Training for such will be provided by the Campus Ministry staff. Additionally, service reflections will be conducted in each Theology class and will be graded at the teacher's discretion. Each grade's reflection requirement is noted on the grade-specific documents.

## **Senior Service Requirements**

All seniors are required to complete **44 hours** of service work by the end of their 12th grade year. These 44 hours are divided among four quarters:

- 7 hours are due by **October 18, 2024**
- 15 hours are due by **January 10, 2025** (22 hours for semester 1)
- 15 hours are due by **March 21, 2025**
- 7 hours are due by **May 9, 2025** (22 hours for semester 2; 44 total for year)

**What Kind of Service?:** All service opportunities must adhere to the Corporal Works of Mercy guidelines provided on Page 1. Service to the local community, including any organization listed on the Approved Agency List applies. Service to Prep no longer counts toward your service requirement, but you are encouraged to continue this type of service work above and beyond what is expected.

**Service Placement Locations:** Seniors must select a **primary** service organization with which to schedule their service work during the course of each semester. A **secondary** service organization is only acceptable if approved by the Dean of Mission & Ministry. Seniors **MUST** fill out the Ignatian Service Program Covenant to record their placement selections. Covenants should be turned in to the Dean of Mission & Ministry who will review all selections. All Covenants are due no later than **Thursday, September 19<sup>th</sup>**.

**ISP Service Fair:** September 5<sup>th</sup>, 2024

## **Theology Reflections**

Seniors participate in once-a-cycle reflections based on their service experience. These reflections are led by the Senior Theology Teachers and are a required component of the Ignatian Service Program. All reflections are left to the discretion of the individual Theology teacher.
