Mary Burgess Neal

Mary B. Neal: Mary Burgess Neal was a former teacher, counselor, principal and school administrator who spent her 31-year career with Charles County Public Schools. She started her teaching career in 1944 at Bel Alton School, where she was later named as principal in 1949. She also served as principal of the Port Tobacco School and was appointed as Supervisor of Elementary Schools in 1961. She held that position until she retired in 1975. A graduate of Mensesa High School in Pennsylvania, she received her bachelor’s degree in early childhood education from Bowie State College and her master’s degree from New York State University. She was a member of the Eastern Star and Delta Kappa Gamma Society. Ms. Neal worked with Children’s Aid Society in Waldorf and chaired numerous committees within her church. Ms. Neal was born Oct. 21, 1908 and passed away on May 2, 2005.

ATTENDANCE

Regular attendance at school is necessary for each child in order that he/she will receive the maximum benefit from the school program. Children should be in school at all times except in the case of illness, medical or dental appointments, family emergency or certain religious holidays. When a child is absent from school, he/she must bring a note written by a parent or guardian (or doctor for appointment), stating dates and reasons for the absence. These notes are to be given to the child's teacher.

School begins at 8:15 a.m. It is important that children arrive at school on time! Valuable time can be wasted when teachers have to repeat instructions for a latecomer. When a child arrives late and misses an important lesson, it is very difficult, if not impossible, to make it up. **If a child arrives at school after school begins, he/she should report to the office with his/her parent, where the attendance report will be changed from absent to tardy.**

If your child frequently develops a stomachache or is nauseated before going to school, and then becomes well later in the morning, you should be on alert. If however, your child is not feeling well and would be better off in bed, please do not send him/her to school.

The Charles County Board of Education adopted an attendance policy. The policy emphasizes consistent monitoring of absences, increased parent involvement in attendance matters and improved student attendance. The attendance policy is as follows:

1. Parent will be expected to give written excuses to the school for the purpose of coding absences.
2. The school will take specific steps to monitor absences. They are:
 - a. After **5 absences**, the school may notify the parents by letter stating the system-wide requirements.
 - b. After **10 absences**, the case will be referred to the School Principal who may contact the parent by phone, letter or meet with the parent and student to develop a plan to improve attendance.
 - c. After **15 absences**, the student will be referred to the school's pupil personnel worker, a letter will be sent and a plan will be put into place.
 - d. After **20 absences**, the student and parents will attend a hearing held at school.
 - e. After **21 absences** the student can be referred to the Superintendent for a truancy hearing.
3. Exceptions to this policy would be granted to students on home teaching, students enrolled in the Chronically Health Impaired Program (CHIP) or those who have a medical excuse written by a doctor.

BIRTHDAY POLICY

To provide a safe, healthy and allergy-free classroom, **please don't bring in cupcakes, cookies, balloons, goodie bags or birthday invitations for birthday celebrations.**

Feel free to come have lunch with your child on their special day. Feel free to bring your child a special lunch and treat to enjoy together at a designated table.

BUS BEHAVIOR

Riding the bus is a privilege. We expect children riding the bus to behave in a polite and respectful manner.

There are five basic rules that all children are expected to follow when riding the school bus:

1. Always show the 3 R's! (Respect, Responsibility and Right to Learn)
2. Remain seated and facing forward at all times.
3. Quiet talking is permissible.
4. Keep hands and feet to yourself (and inside the bus).
5. No eating, drinking or chewing gum on the bus.

The safety of our children is of primary importance to us. Misbehavior, fighting or disobeying the bus driver can endanger the lives and safety of all passengers on the bus.

When a child misbehaves on the bus, the driver will fill out a bus Discipline Report that is then given to the administrator. The administrator will have a conference with the child, contact the parent, review the bus safety rules and remind the child of the consequences of continued misbehavior.

CAFETERIA PROCEDURES

Lunch is served daily in the school cafeteria. Students may bring their lunch from home. Students who bring lunch from home may buy milk for \$.75. They should not bring carbonated soft drinks in any containers as part of their lunch carried from home. If for some reason your child arrives at school without lunch, money to buy lunch, or money on account, they will be given an alternative lunch with a cheese sandwich as the entree. **It is highly recommended that you keep money on your child's account.** We believe that learning to remember one's lunch is part of developing responsibility and children should be encouraged to accept this as part of growing up.

Parents must send a note to our cafeteria manager if a child is allowed to take money off their general account for drinks, ice cream, etc. Federal funds are available for free or reduced-price lunch for children whose families qualify. Information and application forms are sent home on the first day of school. You can go to Charles County Public Schools website, www.ccboe.com to download a meal application.

For the 2024-2025 school year, all students can eat breakfast for free. We were provided funds through the Maryland Meals for Achievement (MMFA) program, which provides state funds to allow participating schools to implement free breakfast for all students, regardless of meal benefit status, in the classroom. This model increases students' access to and participation in breakfast. Students are only able to get one free meal for breakfast. If an additional meal is wanted, the cost will be \$1.35.

SCHOOL MEAL PRICES

BREAKFAST	~	\$0.00	REDUCED-PRICE BREAKFAST	~	\$0.0
LUNCH	~	\$2.80	REDUCED-PRICE LUNCH	~	\$0
MILK	~	\$0.75 (if purchased separately)			

Charles County Public Schools (CCPS) has moved its meal prepayment system to MySchoolBucks for the 2024-2025 school year. The system replaces MyPaymentsPlus and is accessible at any time. Parents with existing MySchoolBucks accounts can log into the system and load money by credit/debit card or e-check to their child's meal account.

With the new platform, parents are not able to divide funds between a meal account and a general account (used to buy a la carte items). Any money left on student accounts was moved to the new platform.

Visit www.myschoolbucks.com to access or create a new account. Parents creating new accounts must know their child's six-digit student identification number. The number is in ParentVue, on the main page for the desktop version, and under the main student menu in the mobile app (click on the three lines in the lower left-hand corner to view a student's child's ID which will show their ID number).

A free MySchoolBucks mobile app is available in Google and Apple stores. The app icon is blue with My School Bucks written in white text in the square.

STUDENT DRESS CODE - BLUE CRAB PRIDE

Suggestive, provocative, or excessively tight clothing is not allowed to be worn to school or to school-sponsored activities. CCPS does not allow clothing to be worn on school property or to school-sponsored activities which displays messages or images that are offensive, vulgar, harassing, or otherwise inappropriate for the school setting. Clothing that is judged by the school administration to be disruptive to the orderly school process either by virtue of the design or in the manner in which it is worn is also forbidden.

Members of the CCPS Code of Student Conduct Committee, in collaboration with parents, staff, and community members, developed the following systemwide dress code, as amended, and approved by the Board of Education. *The responsibility for the dress and grooming of a student rest primarily with the student and their parent/guardian.*

- Shirts and dresses must have fabric in the front and on the sides.
- Clothing must cover undergarments.
- Fabric covering all private parts must not be see through.
- Hats and other headwear must allow the face to be visible and not interfere with the line of sight to any student or staff. Hoodies must allow the student face and ears to be visible to staff at all times.

- Specialized courses may require specialized attire, such as sports uniforms or safety gear.

- Clothing may not depict pornography, nudity, sexual acts or violence, or obscenities.
- Clothing may not use or depict hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected groups.

Voluntary Uniforms

The uniform is voluntary, but students are encouraged to show their **BLUE CRAB PRIDE** often.

To show **BLUE CRAB PRIDE**, students should wear:

TOP COLORS: Red, Blue, or Yellow (collared, turtleneck, scoop neck, t-shirt, etc.)

BOTTOM COLORS: Blue or Khaki (pants, shorts, jumper, skirt, etc.)

As we continue the **BLUE CRAB PRIDE** program, we are confident that it will continue to be a success. If you have any questions feel free to contact the school.

- Once approved, student must keep their phone or device powered completely off (not on vibrate or silent mode) and inside their book-bag, locker, or cubby throughout the entirety of each school day, unless other storage arrangements are made with the teacher.
- No student should be in possession of a cell phone or personal electronic device during the school day.

Charles County Public Schools allows the possession and use of cell phones with limitations. It is our intent to ensure that this allowance does not disrupt the learning environment, after-school activities, or the safe transportation of students. Do not call your child and tell them to change their dismissal. We are responsible for their safety. Dismissal changes **must** be in writing. Students are permitted to use cell phones while attending (but not participating in) general public events that occur after-hours and are open to the community.

Checks written to the school should be made payable to Mary B. Neal Elementary. Please write your child's name in the memo line and the purpose. CCPS uses Envision Collections Agency for any returned checks. A fee of \$35 will apply.

CLASSROOM PARTIES

As many as four parties may be held throughout the year. (Fall, Winter, Spring Break and End-of-the-Year.) Parties will not take up more than one hour of instructional time. Please inform the teacher if your child cannot participate in classroom parties.

VISITORS TO THE BUILDING

All visitors are asked to sign in at the main office and obtain a visitor's badge to ensure the safety and security of students and staff. All visitors **MUST PRESENT GOVERNMENT PHOTO ID** before entering the building.

Parents/guardians may either visit the classroom (including the playground) at the teacher's/school's invitation or request to make a formal observation of a classroom. Making an appointment with the school at least two (2) school days in advance of an observation is not only a courtesy and a requirement but enables the parent/guardian to schedule the observation for the maximum benefit. Teachers cannot stop teaching to confer with parents/guardians who stop by without an appointment. Parents/guardians may schedule up to two (2) classroom observations of up to forty-five (45) minutes in duration each grading period. Staff will accompany visitors to the classroom. Siblings should not attend. Teachers will be happy to discuss the observation at a mutually convenient time. Parents/guardians are welcome to visit the cafeteria and eat lunch with their child at a designated table.

To protect the privacy of other students, and to maintain a proper learning environment, parents/guardians may not use any audio or visual recording device at any time during the visitation and must turn off all cell phones.

Principals retain the authority to deny access to the school for any individual who has been disruptive or may disrupt or disturb the learning environment or who lacks a valid or legal purpose for entering the school. Our shared commitment is essential for the safety of our students and staff.

COMMUNICATIONS

Report cards are posted on ParentVue and StudentVue at the end of each nine-week period. (Refer to the CCPS calendar for interim and report card dates.) The parent or the teacher may use the report card to request a conference.

Teachers often telephone parents when there is a concern. If you, as a parent, have a concern, please contact your child's teacher. Please note a staff member **has two school days to respond to an email, phone call or written communication.**

If you wish a conference with a teacher or the administration, you may send an email through Synergy. Most likely, the teacher can see you before school in the morning or right after school. Please do not insist on seeing a teacher during school hours.

PHONE USE

Students are only permitted to make a phone call in an emergency. They will not be allowed to call for band instruments, homework, lunch, questions, permission slips, money, etc. Please check with your child prior to leaving the house to make sure your child has everything! Together let's create responsible students at Neal.

COUNSELING

The goals of the School Counselors are to facilitate the personal and academic growth of students, promote the effective development of students' interpersonal skills and to improve understanding and application of the decision-making process. These goals are primarily met through individual, group and classroom lessons, in addition to parent and teacher conferences.

CODE OF CONDUCT

A child must feel safe and secure in his/her environment, in order for optimum learning to occur. The environment must also be conducive to learning. No child will be allowed to deprive other children of learning, nor will any child serve as a threat to other students.

Please refer to the 2024-2025 Charles County Public Schools Code of Conduct. The Code of Conduct provides the levels of responses used when students fail to behave in a way that maintains a safe and conducive learning environment. Please refer to Page 18 of the 2024-2025 Charles County Public Schools Code of Conduct for more information.

DRILLS FOR SAFETY

During the school year we practice several drills in the event of an emergency for student and staff safety. We do fire drills, shelter drills, lockdown drills and secure drills.

Fire drills are done at least once a month. Students practice leaving the building when the fire alarm sounds.

Shelter drills are practiced at least four times a year. Students are trained how to protect themselves in the event of high winds. Any time we're under a tornado warning, we have students in the high wind position.

Lockdown drills are done at least four times a year. Students are trained what to do in the event of a Lockdown Emergency. Students and staff are kept in their secured classroom until the building is deemed safe. No visitors or parents are allowed in the building if they arrive during the drill. Likewise, if a parent or visitor is in the building during the drill, they will remain in a secure area and not permitted to leave until the drill is completed.

Secure drills are done at least four times a year. Students practice entering the building should an emergency occur outside. Instruction will continue as usual inside the building.

EARLY DEPARTURE

Dismissal of children during the school day is discouraged because it creates some of the same problems as tardiness - missing out on directions or important parts of a lesson. Occasions do arise, however, when it is necessary for parents to pick up children early - medical, dental appointments, etc. In such cases, the child should bring a note of explanation to his/her teacher when he/she arrives at school in the morning.

Students will be called to the office once the parent arrives. When the parent or guardian comes to pick up the child, he/she must come to the school office and sign the child out. ***If for some reason you must send someone else to pick up your child, please email Christie Carpenter (ccarpenter@ccboe.com) and Yolanda Holmes (yholmes@ccboe.com) giving the school permission to release your child to that person even if they are listed as an emergency contact. That person MUST have a picture ID. There will no early departures after 2:15PM. This is a safety measure.***

EARLY DISMISSAL - CCPS SCHEDULED

Please refer to the Charles County Public Schools Parent Handbook/Calendar for scheduled **Two Hour** Early Dismissal Days. We dismiss all students at 12:45PM on two-hour early dismissal days.

EMERGENCY INFORMATION

During the first few days of school, each child will bring home an emergency card to be verified by the parent. This card contains up-to-date information such as address of parents, home and work phone numbers and the names of who to call in the case of an emergency. **It is important that this information be kept current.** Please verify the card and send it to school right away. If your address, phone number or emergency numbers change at any time during the school year, **please notify us of the changes.**

Remember that if your child becomes ill or has an accident, the emergency card and Synergy (database) are our best way to contact you!

If there is a custody situation between parents, please alert the school. If a court order is not on file in the child's permanent record, either parent has the right to pick up the child.

FIELD TRIPS

Field trips are an important part of the school program and serve as an extension of the curriculum. They are planned in conjunction with topics that are being studied in the classroom and can serve as an introductory-type activity, as a resource during a unit of study, or sometimes as a culminating activity. Each grade level will have a maximum of three paid field trips a year. Second grade will go to the One Room School House. Fifth grade will go to Nanjemoy Creek and Swimming as part of the fifth-grade curriculum. Most grade levels will go to the Science Center.

Parents should reinforce Neal's expectations for student's behavior during the field trip and on the bus.

To go on a scheduled field trip, the student **MUST** bring a permission slip signed by a parent or legal guardian. In addition, there is usually a charge for the bus and sometimes an admission fee. Before each field trip, teachers will send home a letter giving details as to what each child needs to bring as well as any special information about the trip. **Refunds are NOT allowed since prices are determined based on head count prior to the trip.**

If for some reason a student does not go on a class field trip, he/she should still come to school. Appropriate assignments and a supervised place to work will be provided.

Interested parents are sometimes needed to assist the classroom teachers on field trips, depending on the number of other adult staff members available to chaperone. Due to limited space on the buses and limited group size at some museums, it is not always possible to include all parents who wish to participate. Please keep in mind that only children who are students of Neal (in that particular grade level) will be permitted to go on the trips. ALL chaperones must complete a background check and sign a volunteer/chaperone agreement if chosen by the teacher. If you are interested in chaperoning, please let the teacher know so a volunteer link can be emailed to you to complete a background check. This needs to be completed each school year.

FUNDRAISING

The principal will sponsor one fundraiser this year. It will be held in January and February. Parents can donate money in lieu of participating in the fundraiser.

GRADING POLICY

Students in Kindergarten - Grade 2 do not receive letter grades. Evaluation is based on the performances of each student in meeting appropriate instructional

objectives. Their report card consists of Consistently Demonstrating, Developing, and Needs Improvement. Students in grades three through five receive grades A-B-C-D-F. They receive a 3, 2 or 1 in the area of Personal Responsibility.

HEALTH ROOM AND MEDICATION PROCEDURES

Basic first aid will be administered when a child is injured in school. If the injury is serious or questionable, we try to contact the parent or guardian at home or work. The emergency contacts are called in the event the parents or guardians cannot be reached.

The same procedures are used if a child becomes ill during school hours. If you are not able to leave your job to pick up a sick child, please make arrangements for a relative, neighbor or sitter to come for him/her in a timely manner.

It is imperative that the school and the nurse have current home, work, and emergency phone numbers. Please be sure to report any changes in the numbers immediately! If you have a non-published number, please indicate this and privacy will be maintained.

Medications should be given at home whenever possible. If it is absolutely necessary that a child take medication during the school day, the doctor and parent/guardian must complete a physician's order form. This form can be picked up in the office. All medication will be kept in the nurse's office under lock and key. The child will report there to take the medication. Children shall under no circumstances have any form of medication in their possession. No "over the counter" medicines may be brought to school. Children do not realize the hazards of sharing medications with other children. Serious consequences may result, such as an allergic or toxic reaction. This policy is to protect your child. Charles County Public Schools has assigned a nurse to our school. On occasions when he/she is not present, the office staff and a substitute nurse are available to handle student medical needs.

TO SEND OR NOT TO SEND

How does a parent decide when to send a child to school or not?

- Maryland State Law is very specific - It requires parent(s) to send a child to school every day. The daily decision should always be weighed in favor of sending your child to school. In other words, unless there is a serious reason - **SEND YOUR CHILD TO SCHOOL!**

But suppose my child complains of not feeling well...what then?

- Take your child's temperature. If their temperature is 100° F or higher, then they should remain at home in bed for the day.

Suppose my child vomited in the middle of the night?

- If your child vomited during the night or before school, then they should remain at home in bed. Do not give any solid foods, but when the vomiting has slowed, give clear liquids for the rest of the day, so that your child will not become dehydrated. If there is no fever and your child is feeling better (no vomiting), send them to school the next day. If vomiting lasts longer than a few hours or you have any questions, call your child's doctor.

Suppose my child has asthma and has an attack during the night or before school? Should they be sent to school?

- Make sure your child has received a treatment and is no longer wheezing - if your child has medication at school, then notify the nurse and make sure that there are current doctor's orders and medication for your child before sending them to school.

What if my child has a cold or sore throat?

- Take your child's temperature - if they have a temperature of 100° F, they should remain at home in bed - if the sore throat lasts for more than 3 days, your child will need to see the doctor for a throat culture.

Sometimes we get up late. Should I send my child then?

- **YES - BEING LATE IS BETTER THAN BEING ABSENT.**

Some ideas that may help to ensure that your child is on time.

- Make sure your child has a regular bedtime that is early enough so that your child gets at least 7 hours of sleep.
- Have the next day's clothes picked out the night before.
- Put the cereal bowls on the table the night before.
- Give your child an alarm clock. Help your child decide how much time they need to get ready in the morning. Help set the alarm clock.

Sometimes my child says they are sick. I let them stay home from school, but then they feel better and wants to play. What should I do?

- If you, as a parent, have decided that your child is too sick to be in school - your child should be in bed. If your child feels well enough to play - bring them to school.

When children are in school, they learn **IMPORTANT SKILLS** needed to **SUCCEED** in **LIFE**.

HOMEWORK

The purpose of homework is to practice skills learned in class. New skills are not presented through homework.

- Kindergarten students may have 10-15 minutes of homework and this increases by 10 minutes at each grade level.
- Homework is given at a minimum of two times per week, but no more than four times a week. No homework over the weekend, or extended holiday.
- If your child is absent, homework does **NOT** need to be made up unless requested by the parent.

INCLEMENT WEATHER

In the event of inclement weather, the following information might be helpful:

- CCPS (Charles County Public Schools) Hotline Numbers
301.934.7410 or 301.932.6656
- Also visit www.ccboe.com and sign up for CNS (Citizens Notification Service)
- During inclement weather, there is always the possibility that school may close early. In the event that you are to be away from home at such times, your child should know where he/she is to go. It is advisable for all parents to develop a plan so that their children know what to do when an emergency situation arises.

LIBRARY/MEDIA CENTER

The Library/Media Center serves the needs of all students, staff and parents. Through small and large group instruction our students are taught library information skills. Our media center is equipped with the latest computer technology and print and non-print materials. Neal students have access to the Internet, web page publishing, multimedia projects with sound, graphics, animation and video, digital camera and scanner, CD-writer and video capture and editing capabilities.

LOST AND FOUND

The Lost and Found Box is situated outside the cafeteria. It is a large wooden chest. All lost coats, hats, gloves, sweaters, etc. will be placed in one box. If your child is missing an article of clothing, we suggest you encourage him/her to check the Lost and Found Box! **It is also a good idea to mark your child's belongings.** Unclaimed items will be displayed from time to time. Items remaining unclaimed by Winter Break and at the end of the school year will be donated to a Charity.

PARENT GROUPS

The Parent Teacher Organization (PTO) meets once a month to give input on school decisions and programs. Any parent is welcome to attend. There is a membership fee of \$10.00 per family which will entitle you to vote.

PARENT VOLUNTEERS

All Volunteers/Chaperones are required to have a background check and be approved. Please let your teacher know if you are interested so a volunteer link can be emailed to you to complete the background check.

- All cleared volunteers may be considered to attend and chaperone field trips and other school events, such as Field Day.

RECESS

Recess procedures are at the discretion of the classroom teacher. During inclement weather or extreme cold, children will remain indoors. If it is necessary for your child to remain inside, a doctor's note is needed.

Pre-K receives 2 report cards a year and one conference with the teacher. Grades K through 5 receive 4 report cards a year. Report cards detail a child's school progress. The dates report cards are issued are noted in the CCPS school calendar and will be posted on ParentVue and StudentVue. No hard copies will be sent home. For further information, please contact your child's teacher.

There are no makeup dates for class pictures in the Spring.

School Song

(Show crab sign with hands)
We're Neal Blue Crabs of Character
(Point to brain)
We know just what to do,
(Do 'come on down' motion with hand)
And if you come to Mary B. Neal
(Show 3 fingers)
3 R's we'll show to you!

(Show one finger, preferably your index finger)
Oh, we are all respectful,
(Show two fingers)
We have the right to learn,
(Show three fingers)
And when we are responsible,
(Pat yourself on the back)
Pride in ourselves we earn!

(March)
We come to school to learn and grow,
(Hands on hips)
We'll prove to you all that we know,
(Reach toward sky)
We're always reaching for success,
(Fist pump toward sky or cha-ching)
As Neal Blue Crabs we are the best!

Special Activities and Programs (Tentative)

Destination Imagination - DI is an organization that sponsors a set of yearly problems. Using creative problem solving, groups of students in grades K through grade 5 meet after school in groups of 5-7 students with an adult leader. The students work together to develop a solution to the problem they have selected and present their solution at the Charles County DI Competition held in the spring. Parents are trained to be coaches for their children.

Field Day - Field Day is an activity designed for students to enjoy a variety of sports and games appropriate for their developmental level. It is an opportunity for parents to help in a non-academic setting.

Just Say No - Just Say No is an after-school activity.

Math Teams - Neal's Math Teams are open to students in grades 4 and 5. Because of the competitive nature of the math teams, participation is based on prior test scores and teacher recommendations. Students are selected to represent Neal at the County Math Competition held annually in the spring. Neal sponsors a third-grade team as well.

MESA - Maryland MESA is a structured, K-12, precollege program designed to prepare students for academic and professional careers in mathematics, engineering, science, and technology. The program's goals are to 1) increase the number of engineers, scientists, mathematicians, and related professionals at technical and management levels, and 2) serve as a driving force in encouraging and assisting minorities and females in achieving success in these fields. Neal students in grades 3 - 5 may participate in this after school program. A competition between elementary schools in Charles County is held during the school day in March. Please look for the permission slip that will be sent home this fall.

Morning Announcements and Mary B. Neal News (MBNNEWS) - Students are the Morning Anchors each day. Our Media Specialist is our sponsor.

Science Fair - The Neal Science Fair is an event held annually to all students from Pre-Kindergarten through 5th Grade. This is a wonderful opportunity for students and their families to explore scientific concepts. Some winners of the Neal Science Fair go on to compete against other elementary students at the Charles County Science Fair. For further information, please contact your child's homeroom teacher or one of our science teachers.

Yearbook - Neal Elementary School develops an all-color yearbook. Individual, as well as random pictures are included. This is an excellent tool for recapturing your child's early school years at a minimal cost. This is not a fundraiser.

TEXTBOOKS/LIBRARY BOOKS/TECHNOLOGY

Textbooks, library books, computers and other school materials are extremely expensive, and we have limited funds with which to replace them. If a child loses a textbook or damages a computer, he/she will be required to pay the cost of its replacement. Damage to a book could result in a fine.
