**WOW! There is no stopping our families!**

Dear families!

**AMAZING START!**

In the past 24 hours, hundreds of families answered our CALL TO ACTION, sending thousands of emails/texts to friends & family around the world! What a great way to support your student using their AWESOMENESS to help others!

The response was so amazing, we have decided to extend the deadline another 24 hours! That's right: If you did not yet have a chance to register and send 10+ emails/texts to the people you would like to invite to donate, click the link below and join our REVOLUTION of FUN!

Register and send 10+ emails/texts tonight and your student will still qualify for the Golden Ticket prizes. Don't miss out! Parents, you **MUST** write in the **Completion Code** on your students Golden Ticket for them to earn the prizes tomorrow. **NO** exceptions!

It's never too late to make a difference! Thank you!

Academically yours,

Emily Pieper

PS: Attached is a PDF of the Golden Ticket Packet in case you missed it. Need help completing the Golden Ticket Assignment? Click [HERE](#) to watch a short video!
