

Join the Waterford Home & School!!

Welcome to the 24/25 school year! Like every year, we need members like you to join HSA!

Being a part of the HSA gives you the ability to be a room parent or head room parent and help be do classroom events for the kids, or you can just sign up to be a helping hand when it's easiest for you for some of our special dances and events. We hold a number of events throughout the year that we couldn't do without volunteers to help us.

Parents who have been members in the past will need to renew their membership for this year. Everyone who wants to join can scan the QR code below, make sure to register each child in the correct class and grade, and pay the \$10 fee to join. The fee is per family, not per child.

<https://wthsa.ptboard.com>

Our first meeting for the HSA will be Thursday, October 3rd, at 7:00pm at Atco Elementary School.

It will probably only last 30 minutes or so. Yes, if you need to bring your kids, it's ok. Yes, if you want a break from your kids, that's ok too! We are going to be going over a lot of our upcoming events and new things we will be implementing. If you can't make it, we understand. We will try our hardest to make all of our information accessible on PT Board, but seriously, try to make it out (at least to the first one). This meeting is open to anyone, not just those wanting to be room parents. However, it is **mandatory** to attend if you wish to be considered to be a head room parent.

We hope to see you there!
