**Background:** All public-school districts must be approved and accredited according to state statute (Neb. Rev. Stat. 79-703). As outlined in Rule 10, Section 009 the approval process happens once every five years. PLCS has been approved and accredited for the last two cycles through Cognia. For the upcoming process, which will occur in January 2025, PLCS will be transitioning to the Nebraska Continuous Improvement Model through NDE. This will be a cost savings to the district, allowing each of our buildings to be evaluated by a team of external Nebraska Educators selected by NDE. The outcomes/recommendations from this process will be used to inform the next round of strategic planning.
