### DENTAL CLINIC

**GREAT NEWS! OUR SCHOOL HAS PARTNERED WITH SMILE PROGRAMS ... THE MOBILE DENTISTS TO OFFER DENTAL CARE AT SCHOOL.**

**OCTOBER 7TH & 8TH THIS SCHOOL YEAR @ TANEYTOWN ELEMENTARY SCHOOL**

- Q** Best of all, in most cases there is no cost to you if your child is insured with Medicaid/CHIP/ Private insurance and affordable self-pay options are also available.
- +** **EASY & CONVENIENT**  
Having your child seen by the dentist at school saves you valuable time. Top quality care is provided by local, licensed dentists in the familiar surroundings of your child's school. Dental care includes a complete exam, x-rays, cleaning, fluoride, and sealants when necessary, and in some cases, restorative care such as fillings.
- 🦷** **KEEP YOUR CHILD HEALTHY**  
Children who see a dentist regularly may have fewer health issues like:
  - Early tooth loss due to dental decay
  - Gum disease
  - Heart disease
  - Impaired speech development
