

BEAVER LAKE MIDDLE SCHOOL

OVERVIEW

Beaver Lake Middle School is a two-story building that was constructed in 1994. The site currently has five portable classroom buildings housing ten classrooms. The building was remodeled in 2021 with funding from the 2016 bond. This project provided new finishes throughout, upgraded HVAC systems, and added a covered play area. Beaver Lake is approximately 104,000 square feet in size and served 814 students in grades 6-8 in the 2022-23 school year.
