

# THE WILDCAT WEEKLY

## A Note from Dr. G

Volume 4 Issue 2

### Superintendent's Corner

I am so please to share that it was an outstanding first week here in Mount Pleasant. Each of our schools' first days were smooth and we are off to a strong start! From the senior sunrise to kindergarteners taking the bus for the first time to the launch of our inaugural universal pre kindergarten class, as I visited all our buildings this week the sense of community was palpable. The preparation of our bus routes, food service, classrooms, and fall athletics schedules is no small task. I would like to thank our staff and families for a smooth transition into the 2024-2025 school year. I appreciate the role that each of you reading this played in making it a success. As we look ahead to Homecoming Week that kicks off on Monday the 16th and culminates on the turf on Saturday, September 21, there will be countless opportunities to exhibit our #wildcatpride in the coming weeks. Please be sure to check the calendar for the complete schedule and follow our social media for the latest information. Finally, be sure to check out the first day of school video made possible by your beautiful first day photos. It is posted on our Facebook and Instagram.

### Noticing the Good

Everywhere we looked in the district this week there were examples of connection in our community. In just the first four days of the school year, our FunRun fundraising efforts resulted in one of our students and his family receiving in a trip to Disney, our PTAs and Education Foundation participated in first week activities raising awareness and already giving back to our schools. Our athletic teams not only competed on the fields and courts, but came out to support each other at games. Our students celebrated their first days with us and then hit the ground running in classrooms. It is going to be a great year, Wildcats!

### CAPTAIN OF THE DAY

LET YOUR CHILD HAVE AN EXPERIENCE THEY WILL NEVER FORGET!

### In Awe of the Paw – Safety & Security

The safety and security of our students and staff is always front of mind. This week was no exception. Please join me in recognizing the people who keep us safe every day including School Resource Officer Luke Oliveri, Coordinator of Safety and Security Craig Scatola, our security guards at each school (Joe from HES middle, left), and the Mount Pleasant Police Department.
