FAFSA on the Web

FAFSA - Free Application for Federal Student Aid - is an essential tool to help plan and calculate financial aid for college or technical schools.

Scholarship Monkey**Scholarship Links****CollegeNet Scholarship Resources****College Board****Decoding Financial Aid Letter**

This is a helpful article that explains in regular language what you might find in a Financial Aid letter.

Keep reading the comments after the article. There is a college financial aid officer who offers some helpful tips similar to those we heard at the Financial Aid meeting in January. She encourages you to ask the college you're attending if you have any questions.

Infographics on Financial Aid

These are helpful visual posters of the financial aid process.

FastWeb

A free scholarship search website recommended by college financial aid offices.
