

Weymouth Families,

We are thrilled and thankful to have all of the students back for our 2024/2025 school year. The first two days of school are off to a fantastic start we hope to see many more to come.

Please see the attached for this week's Friday folder. It includes:

- Class Dojo Family Flyer
- Weymouth Township Hometown Hero Event Flyer
- Weymouth HSA Flyers
- Memos from Nurse Hooven
- September Meal Menus

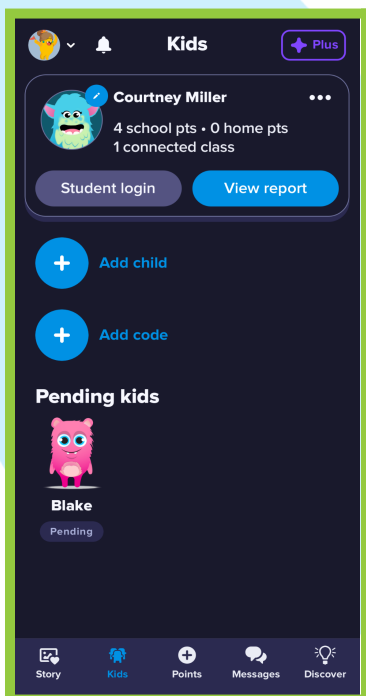

Thank you and have a great weekend!

# ClassDojo Family Account Overview

Families can connect using their computer, or any iOS or Android device.

## Story Feed

- ★ A family's story feed includes Class Story, School Story, and Portfolio posts for each kid in their family with a ClassDojo account.
- ★ A single account lets families stay connected to multiple classes and kids in different schools.

## Kids

- ★ The “Kids” screen lets families add or remove students, log into their kids’ accounts, and view a point report with two weeks’ worth of feedback.
- ★ Families can search for their kid’s school and teacher and request to connect. The connection will show up as “pending” until the teacher approves it.

## Points

- ★ Families can see the last two weeks of their kids’ feedback points. If they choose to subscribe to **ClassDojo Plus**, they can see their kids’ all-time point history.
- ★ Families can see points for each class their kids are in, or for individual classes, by clicking on the drop-down menu at the top of the screen.

## Messages

- ★ Families get a notification when you send them a message. They can read it and reply using the Messages tab.
- ★ With instant translation into 35+ languages, families automatically receive messages in their preferred language.
- ★ By subscribing to ClassDojo Plus, families have the option to send urgent messages and see when a teacher has read their message.

## Discover

- ★ The Discover screen lets families preview the extra material included with ClassDojo Plus. Subscribing gives families access to Big Ideas, ClassDojo's exclusive social-emotional learning series, points to use at home, and lots more.

## When do families get notifications from ClassDojo?

ClassDojo notifies families when they receive a private message or when a post is added to Class Story, School Story, or their child's Portfolio. If it's been a while since they logged in, family members will get a reminder to view their kids' feedback at the end of the week.

# *Weymouth Township Home & School Association*

## *2024 Fall Mum Fundraiser*

Support the Weymouth Township students by purchasing your fall mums through the Weymouth Home and School Association!

- Order today for the best quality and selection.
- All purchases are on a first come first serve basis, along with color selection.

Once an order is placed, a “ticket” will be returned in your child’s folder to be redeemed in person at Coia’s Garden Market located at 3107 Oak Road, Vineland NJ 08360.

**All order forms must be returned by October 4, 2024**

	<b>Total Sold</b>						
	<b>Cost</b>	\$3.75	\$5.50	\$25.50	\$23.50	\$13.99	
	<b>Grand Total</b>						

Please make all checks payable to: Weymouth Twp H.S.A. Thank you for your support!

# WE NEED YOU

*Will you join us?*

## WHO ARE WE?

We are the Weymouth Township Home & School Association (HSA). We are a group of volunteers whose sole purpose is to provide support to our school community. We gather monthly to discuss ways to raise funds and create fun events for our students, staff, and families. Check out our Facebook page to see some of our past activities. We encourage and welcome anyone who shares a love for our school community.

## OUR MISSION

Our mission is to advocate, encourage, and support a positive school environment for students, teachers, staff, families, and community.

## WHY JOIN

With your help, we will make a big impact this year by advocating for our students, teachers, and school! Your membership helps support a variety of school activities and programs while creating a fun, engaging, and positive community! By becoming a member, you will be given the opportunity to vote at our meetings and be a voice for our students.

## HOW TO JOIN

Complete the attached form and send it to the school along with the \$5 membership fee.

We meet every 2nd Wednesday of the month at 6pm in the library. Our first meeting of the school year is September 11th.

## CONNECT WITH US

### Notice from the Health Office

Dear Parent/Guardian:

This letter is to introduce myself, Nurse Lauryn, and the School Health Office. There are many questions that will come up during the school year. Some of these will be answered in this letter. Some of the policies that are in place regarding health and wellness will be discussed.

**IMMUNIZATIONS/ PHYSICAL:** Have your child's shot record and physical up to date. The State of New Jersey requires that a child **MUST** be kept home if his/her immunizations are not current or if a physical from a physician is not on file. (Student's less than 5 years old are **REQUIRED** to have an influenza vaccination prior to December 31<sup>st</sup>.)

**FOOD ALLERGIES:** If your child has any food allergies, including dairy, specific foods, dyes, etc. please have this documented by your child's doctor for our records. This is a state requirement for our food service department. You can send a note in with your child or have your doctor fax it to the school at 609-476-3966. The cafeteria will be made aware of your students' allergies listed on the emergency form.

**MEDICATION AT SCHOOL:** Medicine should be given at home, if possible. If this is not possible, you must pick up the proper forms in the nurse's office. **Students are not allowed to take medication of any kind in school without a physician's order. This includes "over the counter" medication (Tylenol, Advil, lozenges). A licensed physician must issue a note.** Written orders are to be provided to the school from the private physician, detailing the diagnosis or type of illness involved, the name of the drug, dosage and time of administration. The medication should be brought to the school in the original container, appropriately labeled by the pharmacy or physician. A new note is needed for any change of medication. You must also sign a parental permission form. **Medication is NEVER to be sent in with your child.** Any medication that is brought in without a doctor's note will be held in the nurse's office for the parent to pick up.

**SENDING SICK CHILDREN TO SCHOOL:** Students should **NEVER** be sent to school if they have a fever, are vomiting, have diarrhea, a continuous cough, or COVID-compatible symptoms at home. Students must be excluded from school if they have a temperature of 100°F or greater, or if they have had vomiting or diarrhea in the past 24 hours. If your child has an open skin rash or red, itchy, draining eyes then they should also stay home until it has resolved. If your child is sent home with an unidentified skin rash or red, itchy, draining eyes then they will need a doctor's note to return to school. Please make every effort to keep your child home when they are sick. Not only will they be unable to learn, but they could also infect other children.

---

mmesghali@weymouthtsd.org

**Communicable Diseases** - Guidelines are on our website for exclusion from school provided by New Jersey Department of Health. This is not an all-inclusive list of significant diseases or a comprehensive guide about the diseases or conditions for that please see your family doctor or contact your local. Please refer to Weymouth Township School Safe Return Plan 2021-2022.

**ASTHMA:** If your child has asthma, they should have medication available at school in case of an attack. Precious moments are wasted and could be life threatening if your child does not have asthma medication at school. Forms for you and your doctor to fill out for asthma medication are available in the health office. If we do not have the proper medication on hand, we will have to call 911 in the event of an emergency.

**EMERGENCY FORMS:** A Medical History Questionnaire, which was sent home on the first day of school, must be completed and returned. If there are any changes to this information throughout the school year, please contact me, as soon as possible, with those changes. It is very important that we have current phone numbers in the event that we need to reach you.

A copy of this form goes with your student on class trips and for sports/after school programs so the more thorough you are the more helpful in case of an emergency.

**YEARLY SCREENINGS:** Height, weight, and blood pressure are done on each child throughout the school year. Periodically your child will also receive a vision and/or hearing screening. If your child fails a screening or has a discrepancy in weight or blood pressure, you will receive a notice with suggested follow-up. Scoliosis screenings are done in 5<sup>th</sup> and 7<sup>th</sup> grades. We also check your child's BMI (body mass index) in 3<sup>rd</sup>, 6<sup>th</sup>, and 8<sup>th</sup> grades.

**Please note that INJURIES that occur outside of the school or school functions are the responsibility of the parent/guardian. Children will not be treated for any complaints or concerns that occur over the weekend or functions/activities that are not school related.** Due to the number of students visiting the nurse's office on a regular day, it would be difficult to inform each parent as to every incident. The nurse uses a variety of ways to communicate from explaining the information to the student, to a nurse's note, email, and if needed a phone call. Please check your child's folder and remember to ask your child how their day was at school. Please keep your emergency information up to date and remember to have a backup plan in case your child needs to be picked up from school. I also strongly recommend parents/guardians to review the Weymouth Township School District 2024-2025 Student and Parent Handbook. This contains important information on under sections: Health Services, Medication Policy, Physical Examination Requirement, and Immunization. Thank you in advance for your attention to these important matters. These guidelines are to ensure the safety and well-being of all of our students and staff. If you have any questions or concerns, please contact me.

# Attention Pre-k Parents

## Influenza Vaccine

### Requirement Reminder

The current seasonal influenza vaccine is required every year for those children 6 months of age through 4 years and 11 months of age attending preschool. **Students who have not received the flu vaccine by December 31<sup>st</sup> must be excluded** (not allowed to attend preschool) for the duration of the influenza season (through March 31) until they receive at least one dose of the influenza vaccine or until they turn 5 years old. Please **provide proof of immunization by December 23rd, 2024** in order to ensure your child may attend when we return to school on January 2, 2024. For those of you that have provided your child's vaccination record already, thank you!

# Reminder!

Weymouth Township School is a

**SCENT FREE school!**

Please do not send your children with any scented lotions, hand sanitizers, colognes, or perfumes for the safety of our students and staff.

Thank you for your cooperation,

Lauryn Hooven, RN BSN

School Nurse
