The FFA would like to attend and compete at the American Royal Livestock Show held in Kansas City, Kansas. The dates will be during Fall break, Oct 17 - 20th. All students will travel with their parents to and from the event. Mr Horton will haul the animals to the event.
This is a great opportunity for FFA members to experience a National Show and connect with FFA members from other states, while not missing any school.

Thank you for your consideration
James Horton
