## HARWOOD "OUTSHINED" THE RED RAIDERS!

"Your 7th Grade A Harwood Football team had their first game of the year this week against the Red Raiders of Hurst and man, oh man, did the boys show up ready to play!

Offensively, the team was led by leading rusher Brandon Danna who had 3 touchdown runs on the night. The offensive line dominated the trenches and was led by Ryder Pratt, Sefo Tauali'i, Julian Castellenos and Liam Story. Quarterback Darius Veja had a handful of nice completions on the night, as well.

Defensive leading tacklers were Seth Henry, Pharoah Mimms, Izaac Tukuafu, Nolan Crawford and Tristan Grove. The defense played amazing all night and held the Red Raiders scoreless.

Harwood won the game with a score of 19 to 0, bringing their record to 1 win and 0 losses on the season. Many big plays were made and many areas to improve on still. The coaching staff is very pleased with the team's lights out effort across the board. GO, HAWKS!" - Coach Eureste

## Harwood Jr. High Health Services

Attention Parents/Guardians of 7th grade girls and 8th grade boys  
The Texas Department of State Health Services requires screening for all 7th grade girls and 8th grade boys. Students will be screened for two types of spinal deformities: scoliosis and kyphosis. Scoliosis is a condition in which the spine is twisted, causing misalignment of the upper body or lower back. This condition can worsen and lead to much pain, as well as complications of the heart and lungs. Kyphosis is an exaggerated rounding of the spine. Progression of these two conditions can often be stopped if detected early. Girls may choose to wear a tight fitting tank top or sports bra if they wish during screening, and may want to keep one with them in their backpack so they can use it when called in for screening. If your student has already been screened or is currently undergoing treatment for scoliosis, please provide a doctor's note with screening results or a letter stating they are currently under treatment. If a note from the doctor is not provided, the student will be screened. If you have any questions, you may contact the nurse.
