

Welcome to the Indian Hills CPI!

- FAQ -

What is the CPI?

The Committee for Parent Involvement (CPI) is the parent-run volunteer group at Indian Hills! We are made up of an Executive Committee and General Council as well as all Parent Volunteers who help support the efforts of our fantastic administrative team and teachers at Indian Hills!

When are CPI meetings?

CPI meetings, held four times a year, are a great place to share ideas, voice concerns, and hear from our administrators about important issues at the school. Virtual meetings are typically held over the lunch hour (12:30 pm, meeting link sent in advance) to allow more parents to attend. Meeting minutes are posted on our district webpage and video recordings of the meetings are typically posted online by Dr. Shane Christensen, School Principal: <https://www.youtube.com/@shanechristensen2098>. Please see attached Calendar of Events for meeting dates!

How can I donate to the CPI?

The CPI does not charge dues! But your financial support is so greatly needed and appreciated to make our kids' Junior High experience the best it can be. Your donations fund everything the CPI does including parties, teacher appreciation activities, and any other requests that might come from the school. There are several ways to support these efforts:

CPI Fundraising Page	Venmo	Check/Cash	Company Matching
		Payable to "Indian Hills CPI" Deliver to the Indian Hills Main Office	Ask your employer about matching gift programs!
