your magic behind the scenes, we've got spots for you. Come sign up for roles in costumes, props, set design, or the tech team during today's auditions.

**POSITIVE THINKING**

**Who Are You?** You are so many things: You are an athlete, a student, a scientist, a musician, a writer, and so much more. When people are on the outside looking in, they form judgements based on what they can see. But other people's judgements **DON'T DEFINE YOU**. You don't have to accept the labels as truth.

Ask yourself the following questions:

Who am I?

What are my strengths?

What am I interested in?

What am I passionate about?

Who do I hope to become?

The answers to these questions hold the keys to your future.
