SUICIDE AWARENESS

Dear MUSD Parents,

September is Suicide Prevention Month, a reminder of the impact you have in supporting your children's mental health. You are the first to notice when your child is struggling, and recognizing early signs is key to providing help.

We invite you to join What Parents Need to Know About Suicide Prevention on September 25 at 6:30 PM. This is a virtual session; sign up at: <https://cookcenter.info/Sep25Maricopa>

We encourage you to make time for this meaningful event.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
