What does a full meal include?

Breakfast menus offer a variety of entrees, fruit and milk selections daily. A student must take at least ½-cup fruit and two other items to make a meal.

Lunch menus include entrée choices ranging from hot feature items, grill favorites, vegetarian offerings, pizza, and more. School meals are delicious and nutritious, providing protein and grains, along with milk, fresh fruits and vegetables. To ensure balanced nutrition, students must take at least 1/2 cup of fruit OR vegetable plus two other foods (selecting from protein, grains, milk, fruit and vegetable) for a reimbursable meal when a choice is offered.

Will Student Nutrition accommodate my child's food allergy?

Food options are available that are made without the top nine allergens (wheat, egg, milk, soy, fish, shellfish, peanuts, tree nuts, sesame) and gluten. If your child requires dietary accommodation in the cafeteria, please contact Arthur Schweiger at 516-592-4377 or email at aschweiger@seaford.k12.ny.us
