

Dear Bearcat Families,

I am excited to introduce myself as Principal at Glendale Primary School. It is an honor to work in an extraordinary community rooted in pride and tradition. I look forward to collaborating with each of you as building relationships is vital to the success of the students we serve.

With my seventeen years of experience in education, I am passionate about building meaningful relationships and fostering a safe learning environment where all students can thrive. I truly believe all students have the potential to achieve greatness in life, it is our responsibility as educators to provide support and the encouragement our students need to succeed.

At Glendale, we are committed to provide a safe learning environment for all, where learning is rigorous and engaging. I believe strong partnerships between home, community, and our school is essential, I encourage you to be actively involved in our educational community. Your participation is invaluable in promoting the success of our students and the future of the Bearcat community.

I am eager to hear your thoughts, ideas, and concerns, my door is always open. I am here to support you and your child any way I can. In collaboration, we can make this a positive learning experience for all. I am excited to continue to work for the Bedford City School District to ensure that Glendale Primary is a place where students love to learn and grow. Let's make each year a ROARsome year!

In continued collaboration,

Ms. Angela Siwik  
Principal Glendale Primary School
