

## Exam Results 2024

Prior Park is deliberately *not* an exam factory, we're a truly holistic school. Our thriving contingent of exam specialists get the top GCSE and A-Level grades each year, but our community also includes elite sportspeople, talented artists and musicians, creative powerhouses and more.

That said, our students regularly produce grades which compare extremely well with highly selective schools and, more importantly, our 'value-added' (students achievement relative to their ability) is amongst the best in the UK.

Once again this year, students at Prior Park did themselves proud, netting excellent A-Level results with around 40% of all grades awarded at the highest possible A or A\* level, and students at *all* levels significantly outperforming predictions based on their ability.

A-Level Results 2024: All students	
A*-A grade	40%
A*-B grade	66%
A*-C grade	87%
A*-D grade	98%
A*-E grade	100%

At GCSE, our students did equally brilliantly. On average, students added almost a half-grade to last year's already-strong performance, with more than half of all grades awarded at the top 9-7 levels. 'Value-added' here is also projected to be tremendous, with more than a third of students achieving a whole grade or more above their ability across all their subjects.

GCSE Results 2024: All students	
9-7 grade	50%
9-4 grade	95%
