**Senior Staff:** Nicole Livas, Chief Communications and Community Engagement Officer

**Prepared by:** David Schleck, Public Relations Coordinator

**Presenter(s):** Nicole Livas, Chief Communications and Community Engagement Officer; David Schleck, Public Relations Coordinator; Robert Wnukowski, Parent and Stakeholder Services Coordinator

**Recommendation:**

That the School Board receive information regarding the expanded use of the ParentSquare/AlertNow platform at six pilot schools for the 2024-25 school year in Virginia Beach City Public Schools. The presentation will include several key topics, including background information about VBCPS messaging platforms, the advantage of ParentSquare for families and staff, and details about the pilot program rollout.

**Background Summary:**

Virginia Beach City Public Schools started using ParentSquare for its AlertNow messaging during the 2022-23 school year. Initial rollout was limited to messages sent by school and division administrators. The pilot program will utilize ParentSquare features that optimize the platform's capabilities as a centralized communication hub for teachers and administrators to engage with families.

# Agenda

- The “why”
- Background of messaging platforms
- Advantages of ParentSquare rollout
- School-level pilot program
- Next steps
- Questions

# The “why”

## Expanding ParentSquare will:

- Improve communications between school/staff and families.
- Provide a centralized platform.
- Make it easier to celebrate good news.
- Reduce misinformation.

# Background of messaging platforms

- **AlertNow** is the generic term VBCPS has used for several years when referring to schoolwide and divisionwide messaging.
- **ParentSquare** is the software that drives AlertNow messages.
- VBCPS switched to ParentSquare two years ago.

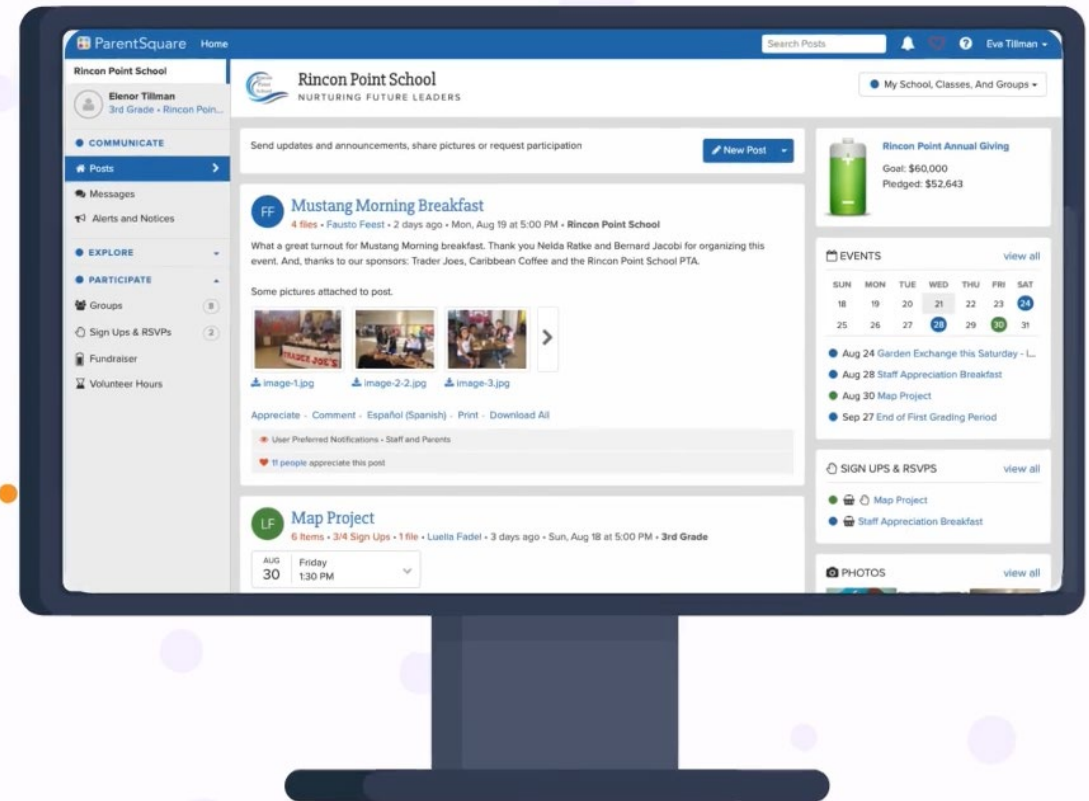

# Advantages of ParentSquare

Unlike our previous platform,  
ParentSquare:

- Provides a centralized platform similar to a private social media group.
- Allows two-way messaging.
- Automatically translates messages into families' preferred language.

# Advantages of ParentSquare

2 Children  
2 Principals  
13 Teachers  
2 Coaches  
4 Activity Leaders

# Pilot program

- **Elementary:** New Castle and North Landing
- **Middle:** Landstown and Princess Anne
- **High:** Landstown and Kellam

# Expanded features at pilot schools

- Teachers “post” messages, which generates an email to parents.
- Calendar for class and school events.
- Classroom event sign-ups/RSVPs.
- Direct messaging.

## Parent's phone:

## Two-Way Communication

Send & receive real-time messages directly with teachers and administrators.

# Training at the pilot schools

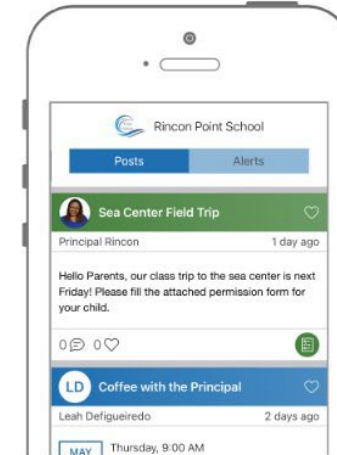

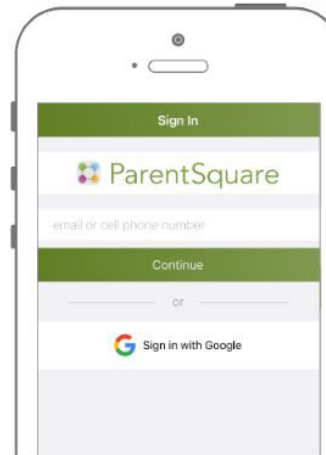

- Principals designated a handful of ParentSquare champions at each school.
- Champions received 30-minute introduction earlier this summer and 90-minute training Aug 20.
- Teachers and most staff are learning ParentSquare's two-way communication features through asynchronous training (checklist with 10-minute bites).
- **Note:** It takes about 10 minutes for teachers to log into their ParentSquare accounts and learn how to send messages to parents.

# Preparing parents at the pilot schools

DRAFT COPY  
SUBJECT TO CHANGE

## Get Started in 3 Easy Steps!

**1.** Download the free iOS or Android mobile app.

**2.** Log in with your email or phone registered with the school.

**3.** Start receiving posts relevant to your student.

## Goal:

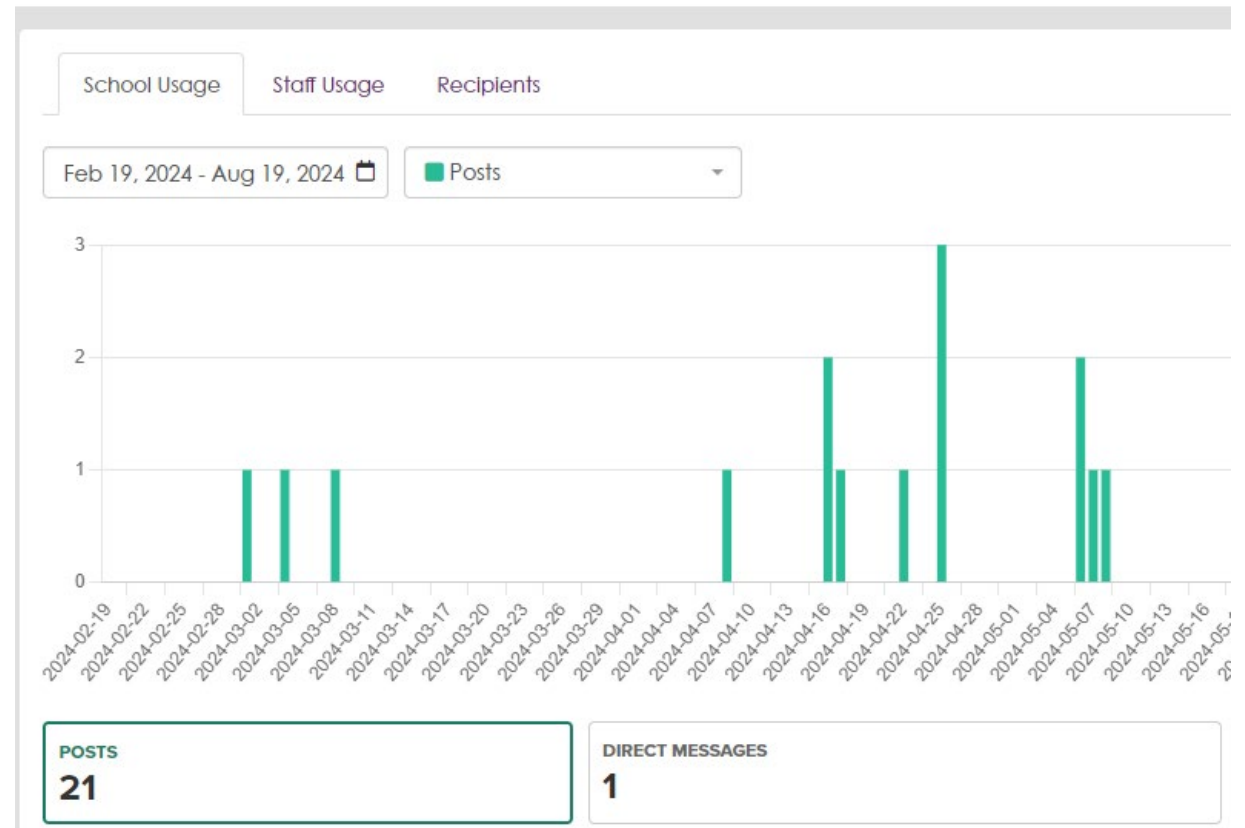

- Let parents know they can use the ParentSquare app to see all their students' school messages in one place and adjust their notification settings.

# Expectations of pilot schools

- Achieve significant year-to-year increase in messaging sent through ParentSquare.
- Implement fillable form feature at least twice during school year.
- Participate in mid-year and end-of-year meetings/surveys to provide benefits and challenges.

## Notifications Activity

# What's next with ParentSquare & VBCPS?

- Regular communication between pilot schools, the Department of Communications and Community Engagement (DCCE) and the Department of School Leadership (DOSL).
- Mid-year and end-of-year assessment.
- Decision on whether to expand further for 2025-26.

**Prepared by:** Kamala H. Lannetti, School Board Attorney
**Presenter(s):** Kamala H. Lannetti, School Board Attorney
**Recommendation:**

That School Board recess into Closed Session in accordance with the exceptions to open meetings law set forth in Code of Virginia §2.2-3711, Part A, Paragraph 3, 7, 8, and 19, as amended, to deliberate on the following matters:

3. Discussion or consideration of the acquisition of real property for a public purpose, or of the disposition of publicly held real property, where discussion in an open meeting would adversely affect the bargaining position or negotiating strategy of the public body.
7. Consultation with legal counsel and briefings by staff members or consultants pertaining to actual or probable litigation, where such consultation or briefing in open meeting would adversely affect the negotiating or litigating posture of the public body. For the purposes of this subdivision, "probable litigation" means litigation that has been specifically threatened or on which the public body or its legal counsel has a reasonable basis to believe will be commenced by or against a known party. Nothing in this subdivision shall be construed to permit the closure of a meeting merely because an attorney representing the public body is in attendance or is consulted on a matter.
8. Consultation with legal counsel employed or retained by a public body regarding specific legal matters requiring the provision of legal advice by such counsel. Nothing in this subdivision shall be construed to permit the closure of a meeting merely because an attorney representing the public body is in attendance or is consulted on a matter.
19. Discussion of plans to protect public safety as it relates to terrorist activity or specific cybersecurity threats or vulnerabilities and briefings by staff members, legal counsel, or law-enforcement or emergency service officials concerning actions taken to respond to such matters or a related threat to public safety; discussion of information subject to the exclusion in subdivision 2 or 14 of § [2.2-3705.2](#), where discussion in an open meeting would jeopardize the safety of any person or the security of any facility, building, structure, information technology system, or software program; or discussion of reports or plans related to the security of any governmental facility, building or structure, or the safety of persons using such facility, building or structure.

Namely to discuss:

- A. Status of LRA sale and request for ROE.
- B. Updates on security protocols with VBPD.
- C. Status of pending litigation or administrative cases and discussion of settlement proposal from probably claimant.
- D. Consultation with legal counsel regarding probable litigation and pending litigation matters: settlement request for student liability claim, status of opioid related settlement, and status of other litigation matters.

held seasonally, student athletes and parents must sign a statement of understanding prior to being cleared for participation; Consistent Consequences - once reported and investigated, due process will be provided to the student, a “zero tolerance” stance has been established, participation will be terminated for the remainder of the current season, the student athlete must complete additional education and training and may be eligible for the next sports season if in “good standing” academically and behaviorally; and shared EPIC video.

The presentation continued with questions and comments regarding Policy 5-7; social media postings; student athletes; educate students; training for coaches and students; First Amendment Rights; including parents in the process; showing video to students; Student Code of Conduct; behavior expectations; working with principals, need for consistency; and recommendation to principals to share video at school.

**13. Return to public comments if needed:** As noted under Agenda item #11, Public Comments concluded at 6:23 p.m.

**14. Consent Agenda:** Chair Melnyk read the following items on the Consent Agenda:

- A. Policy Review Committee (PRC) Recommendations: Recommended that the School Board approve Policy Review Committee (PRC) recommendations regarding review and amendment of certain policies as recommended by the PRC at its July 15, 2024 meeting.
1. Policy 4-2/Employee Conduct: The PRC recommends adding language to the Policy regarding employees avoiding actions that show favoritism towards students, adding corrective actions to assist in improving employees’ performance, and removing the Editor’s Note to align with other recent policy changes.
  2. Policy 4-69/Research Involving Employees: The PRC recommends updating the Legal Reference section.
  3. Policy 5-40/Student-led Assemblies/ Demonstrations: The PRC recommends adding “take” to section C.3. in order to clarify the administrator’s actions.
  4. Policy 5-50/Class Gifts/ Exchanging Gifts: There are no recommended changes to this policy. This policy is being reviewed to comply with the 5-year review period.
  5. Policy 5-58/Student and Staff Wellness: The PRC recommends minor scrivener’s changes, removing the Editor’s Notes to align with other recent policy changes, and updating the Legal References.
  6. Policy 5-67/Research Involving Students/ Research Review Committee: The PRC recommends adding language to include surveys requesting medical information of students to the list of surveys that require parental notification, removing the Editor’s Notes to align with other recent policy changes, and updating the Legal References.
  7. Policy 5-73/Voter Registration: The PRC recommends adding language limiting who can provide voter registration programs for students to only secondary social studies teachers approved by the Department of Teaching and Learning and the Voter Registration and Elections Office.
  8. Policy 6-20/School Division Curriculum: The PRC recommends amending the language in this policy to allow the School Board to approve any curriculum objectives in addition to the Virginia Standards of Learning. The School Division does not currently have any learning objectives outside of the Virginia Standards of Learning but this change allows the School Board to maintain the authority to approve objectives should new learning goals be presented or necessary in the future.

Chair Melnyk called for any objections for the School Board voting on the Consent Agenda items. Hearing none, Chair Melnyk called for a motion to approve the Consent Agenda as presented. Ms. Anderson made the motion, seconded by Ms. Kendrick. Chair Melnyk called for a vote. The School Board Clerk announced there were ten (10) ayes in favor of the motion to approve the Consent Agenda as presented: Chair Melnyk, Vice Chair Franklin, Ms. Anderson, Ms. Brown, Mr. Callan, Ms. Kendrick, Ms. Manning, Ms. Owens, Ms. Riggs, and Ms. Weems. **17. Return to Administrative, Informal, Workshop or Closed Session matters:** At 7:21 p.m., Vice Chair Franklin made the following motion, seconded by Ms. Kendrick that the School Board recess into Closed Session in accordance with the exceptions to open meetings law set forth in Code of Virginia §2.2-3711, Part A, Paragraph, 1, 2, 7, and 8 as amended, to deliberate on the following matters:

1. Discussion, consideration, or interviews of prospective candidates for employment; assignment, appointment, promotion, performance, demotion, salaries, disciplining, or resignation of specific public officers, appointees, or employees of any public body; and evaluation of performance of departments or schools of public institutions of higher education where such evaluation will necessarily involve discussion of the performance of specific individuals.
2. Discussion or consideration of admission or disciplinary matters or any other matters that would involve the disclosure of information contained in a scholastic record concerning any student of any public institution of higher education in the Commonwealth or any state school system. However, any such student, legal counsel and, if the student is a minor, the student's parents or legal guardians shall be permitted to be present during the taking of testimony or presentation of evidence at a closed meeting, if such student, parents, or guardians so request in writing and such request is submitted to the presiding officer of the appropriate board.
7. Consultation with legal counsel and briefings by staff members or consultants pertaining to actual or probable litigation, where such consultation or briefing in open meeting would adversely affect the negotiating or litigating posture of the public body. For the purposes of this subdivision, "probable litigation" means litigation that has been specifically threatened or on which the public body or its legal counsel has a reasonable basis to believe will be commenced by or against a known party. Nothing in this subdivision shall be construed to permit the closure of a meeting merely because an attorney representing the public body is in attendance or is consulted on a matter.
8. Consultation with legal counsel employed or retained by a public body regarding specific legal matters requiring the provision of legal advice by such counsel. Nothing in this subdivision shall be construed to permit the closure of a meeting merely because an attorney representing the public body is in attendance or is consulted on a matter.

Chair Melnyk called for a motion to approve resolution authorizing settlement in class action suit related to opioid related claims against Kroger and related corporate entities and authoring the School Board Chair and the School Board Attorney to take all other actions necessary to complete the settlement process. Chair Melnyk read the following resolution:

**RESOLUTION**

**A RESOLUTION OF THE SCHOOL BOARD OF THE CITY OF VIRGINIA BEACH, VIRGINIA**

**APPROVING PARTICIPATION IN THE PROPOSED SETTLEMENT OF OPIOID-RELATED CLAIMS AGAINST KROGER AND ITS RELATED CORPORATE ENTITIES, AND DIRECTING COUNSEL TO EXECUTE THE DOCUMENTS NECESSARY TO EFFECTUATE PARTICIPATION IN THE SETTLEMENT**

**WHEREAS**, the opioid epidemic that has cost thousands of human lives across the country also impacts the Commonwealth of Virginia and its political subdivisions by adversely impacting, amongst other things, the delivery of emergency medical, law enforcement, criminal justice, mental health and substance abuse services, and other services; and

**WHEREAS**, the Commonwealth of Virginia and its political subdivisions have been required and will continue to be required to allocate substantial taxpayer dollars, resources, staff energy and time to address the damage the opioid epidemic has caused and continues to cause the citizens of Virginia; and

**WHEREAS**, a settlement proposal has been negotiated that will cause Kroger to pay over a billion dollars nationwide to resolve opioid-related claims against it;

**NOW, THEREFORE BE IT RESOLVED** that the School Board this 13th day of August, 2024, approves of participation in the proposed settlement of opioid-related claims against Kroger and its related corporate entities, and directs counsel to execute the documents necessary to effectuate participation in the settlement, including the required release of claims against Kroger.

Ms. Kendrick made the motion, seconded by Ms. Anderson. Without discussion, Chair Melnyk called for a vote. The School Board announced there were nine (9) ayes in favor of the motion to approve resolution authorizing settlement in class action suit related to opioid related claims against Kroger and related corporate entities and authoring the School Board Chair and the School Board Attorney to take all other actions necessary to complete the settlement process: Chair Melnyk, Vice Chair Franklin, Ms. Anderson, Ms. Brown, Mr. Callan, Ms. Kendrick, Ms. Manning, Ms. Owens, and Ms. Riggs. The motion passed, 9-0-0.

- 18. Adjournment:** Chair Melnyk adjourned the meeting at 8:06 p.m.

Subject: Policy Review Committee Recommendations

Item Number: 12A1-7

Section: Information

Date: August 27, 2024

Senior Staff: Cheryl R. Woodhouse, Chief of Staff

Prepared by: Kathleen Brown, PRC Chair and Kamala Lannetti, School Board Attorney

Presenter(s): Kamala Lannetti, School Board Attorney

**Recommendation:**

That the School Board review Policy Review Committee (PRC) recommendations regarding the amendment of certain policies as recommended by the PRC at its August 15, 2024 meeting.

**Background Summary**

1. **Policy 2-42/ School Support Process** – the PRC recommends changing the time period for the Office of Planning, Innovation and Accountability from an annual survey to a biennial survey based on the recommendation of Senior Staff.
2. **Policy 3-5/ Budget/Generally** – the PRC recommends a scrivener's change in the title.
3. **Policy 3-6/ Budget: Preparation and Approval** – the PRC recommends changing the number of days' notice given for a public hearing from ten (10) to seven (7) days to align with Virginia Code § 22.1-92 and adding Section E to align with Virginia Code § 22.1-93.
4. **Policy 3-8/ Small, Women-Owned, Service Disabled Veterans and Minority Owned Business Participation in School Division Procurements** – the PRC recommends updating the title to the Department of Procurement.
5. **Policy 3-90/ Contract Execution Policy for Capital Improvement Program (CIP) Projects** – the PRC recommends minor scrivener's and formatting changes, removing the Editor's Notes and updating language to match current practices.
6. **Policy 4-10/ Conditions of Employment** – the PRC recommends adding language to clarify the probationary period for instructional staff.
7. **Regulation 6-72.1/ Student Evaluation and Grading/Class Rank** – During the July 2024 PRC meeting, members of the committee asked staff to bring a draft policy surrounding the weighted grading changes. The school board has the ability to formulate policy to direct regulations. Rather than changing the policy on this topic, the PRC agreed to bring the regulation forward for the board for review and approval.

## **ADMINISTRATION**

### **School Support Process**

#### **A. Goals**

The goals of the School Support Process in the School Division are:

1. To collaborate with the community on school improvement.
2. To develop measurable objectives that align with the strategic plan for the School Division and school specific needs which may include:
  - a. Raising student and school achievement in the core Standards of Learning disciplines;
  - b. Improving student and staff attendance;
  - c. Reducing the student drop-out rates;
  - d. Increasing the quality of instruction through professional development and licensure; and
  - e. Achieving the goal(s) and objectives of the School Division's strategic plan.
3. To seek continuous improvement in the schools.

#### **B. Implementation**

The School Support Process shall be implemented in the schools through activities of a School Planning Council, a

Principal's Advisory Committee, an Instructional Leadership Team, and specific Action Teams. These bodies are integral in the development, implementation and review of the schools' Plans for Continuous Improvement.

### **C. Operating Principles**

The Superintendent shall establish guidelines for the operation of the School Planning Council and the Principal's Advisory Committee.

### **D. Oversight and Accountability**

1. The Department of School Leadership shall be responsible for collecting information from school principals to verify compliance with School Board Policies and School Division Regulations and for monitoring the development and implementation of schools' Plans for Continuous Improvement.
2. School Leadership will review each school's annual Plan for Continuous Improvement (PCI); and, in cooperation with school principals, will monitor outcomes related to the PCI throughout the year.
3. The Office of Planning, Innovation and Accountability will be responsible for ~~annually~~ biennially surveying School Planning Council members and Principal's Advisory Committee members. Based upon survey results, the Office of Planning, Innovation and Accountability will prepare ~~an annual~~ a report to be provided to the School Board.
4. Annual Review and Report

The School Support Process shall provide opportunities for school staff and community representatives to review annually the extent to

which the school has met its goals and objectives.  
The ~~School Division and the~~ Virginia Department of Education produce annual school report cards to report school and student performance data, and the School Division produces additional reports regarding student outcomes and publishes the data on its website for public viewing.

## **BUSINESS AND NONINSTRUCTIONAL OPERATIONS**

### **Budget~~/~~Generally**

#### **A. Budget Defined**

The Code of Virginia requires each superintendent to prepare a budget reflective of the needs of the school division.

The school budget is a communications document that provides information required for making policy and budgetary decisions.

It is the responsibility of the School Board to balance the needs of the School Division against the available resources as cooperatively identified by the Superintendent and staff, the community, and the School Board.

The budget shall be a guide for discretionary spending aligned with the strategic plan to achieve the objectives adopted by the School Board.

#### **B. Contents**

The budget presents a complete financial and organizational picture of the School Division, which details projected revenue and expenditures and outlines proposed changes compared to budgets from prior fiscal years. In addition, the budget document provides a wealth of information about the School Division in the appendix section, such as salary scales, staffing standards and guidelines, key operating measures, and revenue sharing agreement.

### **C. Budget Administration**

The budget shall be considered a controlled spending plan for the fiscal year. The Superintendent is authorized to make commitments in accordance with the policies of the School Board and the laws of the Commonwealth of Virginia.

### **D. Budget: Capital Expenditures**

Except in emergencies or for reasons of economy, the purchase of major pieces of equipment such as school buses should be scheduled to reflect the replacement cycle of such equipment.

## **BUSINESS AND NONINSTRUCTIONAL OPERATIONS**

### **Budget: Preparation and Approval**

#### **A. Preparation**

On or before March 1 of each year the Superintendent shall present to the School Board an operating budget (Superintendent's Estimate of Needs) which contains a complete financial plan for the operation of the public schools for the ensuing fiscal year. The budget is organized in accordance with state law and guidelines set forth by the Virginia Board of Education and contains both a line-item and categorical expenditure format.

#### **B. Public Hearings**

Before final approval of the budget for submission to the City Council, the School Board shall hold at least one public hearing to receive the views of citizens within the School Division. Public notice will be given at least ~~ten-seven~~ days ~~per state code 22.1-92~~ prior to any hearing by publication in a newspaper of general circulation within the School Division. The passage of the budget by the City Council shall be conclusive evidence of compliance with the requirements for a public hearing.

#### **C. School Board Approval**

The School Board is required to submit its annual proposed operating budget to the City Council on, or before, April 1 together with a resolution requesting approval of the required appropriations. Included with the budget is a summary from the School Board of the important features of the budget

## **D. Final School Board Action**

If the appropriating body provides either less funds or more funds than the School Board requested, the School Board shall give final approval to the budget within the framework of the funds available.

## **E. Publication of budget**

Upon final approval of the budget, the School Division will publish the approved annual budget in line item form, including the estimated required local match, on the School Division's website and make a hard copy available for inspection as need by citizens.

## **BUSINESS AND NONINSTRUCTIONAL OPERATIONS**

### **Contract Execution Policy For Capital Improvement Program (CIP) Projects**

#### **A. Generally**

This Policy establishes a uniform procedure for the review, approval and execution of School Board contracts and contract change orders for Capital Improvement Program (CIP) Projects by officers and employees of the School Board. As used herein, the phrase "School Board contract" means any contract or agreement to which the School Board or School Division is a named party, or to which any authorized school officer or employee enters into on behalf of the School Board or School Division. For execution of contracts which do not involve CIP projects refer to School Board Policy 3-89 "General Contract Execution Policy."

#### **B. Applicability**

This Policy shall be applicable only to School Board construction or architectural/engineering (A/E) contracts for CIP projects entered into with any person. For purposes of this Policy, "person" shall be deemed to include any individual, or any corporation, partnership, firm, organization or other group or association of persons acting as a unit.

1. Notwithstanding the above, this Policy shall not be applicable to:
  - a. 1 routine contracts of employment budgeted by the School Board and authorized by the Chief Human Resources Officer;
  - b. 2 contracts entered into by the Superintendent or designee, with the approval of the School Board Chair

~~major designee~~, in response to an emergency provided that the contract does not exceed \$300,000, and further provided that the Superintendent or designee documents, in writing, that an emergency exists and that delay in executing the contract will be detrimental to the interests of the School Division; or c. 3) contracts covered by School Board Policy 3-89, General Contract Execution Policy.

## C. Contract Review and Approval

### 1. Content

Every contract shall be reviewed by the Executive Director of Facilities Services (FS) or designee. Every contract shall also be signed (or initialed) "approved as to content" by such individual or designee. When an individual signs (or initials) a contract "approved as to content," the individual is representing that he or she: a) has read the contract; b) agrees with the terms and conditions contained therein; and c) is satisfied that the terms and conditions of the contract accurately reflect the agreement that was reached between the parties thereto.

### 2. Fiscal Note

Every contract shall have a fiscal note attached thereto in a form prescribed by the Office of Business Services. The fiscal note, which must be prepared by the Office of Facilities Services, shall provide an estimate of ~~the "total cost to complete" the project, including the contract amount, including the breakdown of funding sources needed to complete the project. base cost, and shall compare the "total cost to complete" to the project budget.~~ A copy of the fiscal note shall be provided to the Office of Business Services at the time the contract is prepared. If the contract does not

involve the expenditure of funds, the Executive Director ~~of Facilities~~Facilities Services or designee, shall indicate "N/A" (not applicable) on the fiscal note and sign or initial adjacent thereto.

### 3. Availability of Funds

- a. Every contract exceeding \$30,000 shall be signed or initialed "approved as to availability of funds" by the Director of the Office of Business Services or designee.
- b. Every contract of \$30,000 or less shall be initialed "approved as to availability of funds" by the individual in charge of the department, office or other agency from which the contract originated.
- c. If it is determined by the Office of Business Services that there are insufficient funds available to approve the contract, the contract shall be referred back to the Office of Facilities Services for a determination as to whether Facilities Services desires to request a transfer of the necessary funds for the contract to be approved and executed.
- d. If the office decides to request such a transfer, the request shall be forwarded to the Office of Budget Development for appropriate action.

### 4. Legal Sufficiency

- a. A/E contracts exceeding \$30,000 and construction contracts exceeding \$50,000 shall be forwarded to legal counsel for review as to legal sufficiency once they have: a) been "approved as to content;"; b) had the required fiscal note placed thereon; and c) been "approved as to availability of funds."

b. When legal counsel signs (or initials) a contract as being "legally sufficient," legal counsel is only certifying that the contract complies with all applicable laws, policies and regulations, contains all necessary contractual provisions, and is legally enforceable. Legal counsel is not indicating approval of the contents of the contract or the purposes for which the contract is being entered into.

## 5. School Board Approval

Prior to contract execution, all A/E proposals exceeding \$50,000 and construction bids, cooperative agreements, and energy performance contracts exceeding \$100,000 shall be submitted to the School Board for approval. The following information shall be included with the School Board Agenda item:

### a. A/E Proposals

The name of the A/E firm selected, the name of the project, the proposed contract amount and the design budget.

### b. Construction Bids

The name of the lowest responsive and responsible bidder, the name of the project along with a description, the proposed contract amount, the construction budget and a summary of the bid results.

### c. Cooperative Agreements

The name of the contractor, the name of the cooperative agreement holder, the

proposed contract amount, and the construction budget.

d. Energy Performance Contracts

The name of the contractor, the proposed contract amount, and the construction budget.

**D. Contract Execution**

Once a contract has gone through the above-stated review and approval process, it shall be forwarded to the Superintendent for final execution:

1. The Superintendent or designee shall execute all contracts on behalf of the School Board. In that regard, the Superintendent may delegate in writing the authority to execute contracts on a "contract-by-contract" basis or may establish a written list of the types of contracts that specific designees shall have the authority to execute on an ongoing basis until such time as the delegation is amended or revoked.
2. Indemnity or hold harmless clauses. Notwithstanding any provision herein to the contrary, the Superintendent or designee is not authorized to execute any contract which contains a clause, paragraph or provision ("Provision") designed to "indemnify" or "hold harmless" the provider of goods or services for liability due to negligence or an intentional act of the provider in the performance of the contract. If a contract contains such a Provision, and the service provider will not agree to remove the Provision from the contract, the Superintendent, designee or the purchasing agent shall forward the contract to legal counsel for final resolution.

### 3. Alternative dispute resolution clauses.

- a. Notwithstanding any provision herein to the contrary, the Superintendent or designee is not authorized to execute any contract which contains a clause, paragraph, or provision ("Provision") agreeing or authorizing either party to submit any dispute arising from the contract or the performance thereof to any alternative dispute resolution procedure, including, but not limited to, arbitration and mediation. If a contract contains such a Provision, and the service provider will not agree to remove the Provision from the contract, the Superintendent, designee or the purchasing agent shall forward the contract to legal counsel for final resolution.
- b. Upon advice and approval of the School Board's legal counsel, the Executive Director Office of Facilities Services may agree to submit any contractual dispute to nonbinding alternative dispute resolution procedures, including, but not limited to arbitration and mediation.

## **E. Contract Change Order Review and Approval**

### **1. Content**

Every contract change order shall be reviewed by the Executive Director Office of Facilities Services or designee. Every change order shall also be signed (or initialed) "approved as to content" by such individual or ~~his/her~~ designee. When an individual signs (or initials) a change order "approved as to content," the individual is representing ~~having that he or she~~: a) ~~has~~ read the change order; b) agree~~ing~~ings with the terms and conditions contained therein; and c) ~~being~~is satisfied

that the terms and conditions of the change order accurately reflect the agreement that was reached between the parties thereto.

2. Total amount of all change orders – limitation.

a. The total amount of all change orders on a given project cannot exceed twenty-five percent of the original contract amount without advance written approval by the School Board.

b. Any individual proposed contract change order on a fixed-price contract cannot exceed twenty-five percent of the original contract amount or \$50,000, whichever is greater, without advanced written approval by the School Board.

c. Contract change orders may not exceed the appropriated funds for the project.

~~3.~~ 3. Fiscal Note

Every contract change order shall have a fiscal note attached thereto in a form prescribed by the Office of Business Services. The fiscal note, which must be prepared by the Office of Facilities Services, shall provide the cost of the change order and the revised contract amount and shall compare the revised contract amount to the project budget. A copy of the fiscal note shall be provided to the Office of Business Services at the time the contract change order is prepared.

~~4.~~ 4. Availability of Funds

a. Every contract change order shall be signed or initialed "approved as to availability of funds" by

the Director of the Office of Business Services or designee.

b. If it is determined by the Office of Business Services that there are insufficient funds available to approve the change order, the change order shall be referred back to the Office of Facilities Services for a determination as to whether or not the Office of Facilities Services desires to request a transfer of the necessary funds for the change order to be approved and executed.

c. If the Office of Facilities Services decides to request such a transfer, the request shall be forwarded to the Office of Budget Development for appropriate action.

#### ~~5.~~ 5. Contract Change Order Execution

Contract change order shall be executed, based upon dollar amount by the following positions:

<b>Change Order Amount:</b>	<b>Executed by:</b>
-----------------------------	---------------------

\$500,000 and less	Executive Director of the Office of Facilities Services
\$500,000 to \$1,000,00 <u>0</u>	Chief Operations Officer
\$1,000,000. <del>00</del> and Over	Chief Operations Officer and Chief Financial Officer

#### ~~F.~~ 6. Compliance with School Board Policies and Regulations

The provisions of this Policy supplement, but do not supersede, other applicable School Board policies and regulations. Therefore, any contract or contract change order that is negotiated, awarded and executed pursuant to this Policy shall comply with any other applicable law, policies and regulations.

## **G. 7. Failure to Follow Contract Execution Policy**

Any individual purporting to execute contracts who executes a contract or change order on behalf of the School Board without the requisite School Board authority in accordance with this Policy may be held personally liable for any or all ~~of~~ the obligations imposed on the School Board by such contract or change order.

## **PERSONNEL**

### **Conditions of Employment**

#### **A. General qualifications**

All applicants and employees must meet or exceed the necessary knowledge, skills, essential functions, and abilities to perform the functions of the job sought or hired for as outlined in the position's job description. All positions require the basic ability to read/understand/speak English.

Employees are subject to all conditions of the employment contract, notification, or agreement including any special covenants or other conditions imposed by the School Board or state or federal agencies.

#### **B. Licensed Employees**

All applicants or employees are responsible for providing evidence of required licensure, certification, or other qualifications for their positions. Employees shall be required to provide proof of baccalaureate degree, major, concentration, or graduate degrees, and field of discipline. Educational transcripts are required as evidence of eligibility for Virginia Licensure.

Failure to maintain required licensure, certification, or other qualifications will constitute a breach of any employment contract or agreement with the School Board that adversely affects the business and operations of the School Division. An applicant may be subject to the withdrawal of an employment offer, or an employee may be separated from employment for failing to maintain licensure, certification, or other qualifications.

1. Instructional personnel whose positions require licenses issued by the Virginia Department of Education will be issued annual probationary contracts until they have met the criteria for a continuing contract. Licensed instructional personnel who have met the criteria for a continuing contract with the School Board will receive a continuing contract their first year of eligibility and will receive employment notification/assignment forms each following school year unless their continuing contracts are otherwise terminated.
2. Assistant principals, principals, and supervisors/coordinators who require licenses in accordance with Virginia Department of Education Regulations will receive annual probationary contracts until they meet the criteria for a continuing contract in their positions.

3. The School Board may enter into written employment agreements/contracts with other individuals when the School Board determines that such an arrangement is beneficial to the School Division.

#### **C. Non-licensed Employees**

All non-licensed employees will be given an employment notification upon hire and will receive annual employment notifications thereafter. Non-licensed employees with employment agreements or annual assignments do not have a guarantee of employment and remain at-will employees.

#### **D. Substitute Employees**

The Superintendent or designee is authorized to employ substitutes for certain certified and classified positions at an hourly rate established by the School Board as published in the Annual Compensation Plan. Persons employed as substitute teachers must have a minimum of thirty (30) credit hours of college study. In an emergency, the Superintendent or designee may approve the employment of substitute teachers who do not meet this requirement, but who are otherwise competent to perform the needed service, at least twenty-one (21) years of age, and hold a high school diploma or a general education development (GED) certificate.

Qualifications for other categories of substitute employees will be determined by the Superintendent or designee and will be in accordance with applicable law, regulation, and Virginia Board of Education regulations as applicable.

Substitute employees shall be employed and paid on an hourly basis and for a minimum of two (2) hours. They shall not be given a contract. Substitute employees shall receive no leave benefits (e.g., sick leave, annual leave, and personal reasons leave) or other employee benefits except for the Employee Assistance Program, Tax-Sheltered Accounts 403(b), the Deferred Compensation 457 plan, and health coverage if deemed eligible as defined by the Employer Mandate of the Patient Protection and Affordable Care Act.

#### **E. Coaching or Extracurricular Sponsorship Contracts**

Coaching contracts or extracurricular activity sponsorship contracts shall be separate and apart from annual or continuing contracts or employment agreements. Termination of the coaching contract or extracurricular activity sponsorship contract may occur at any time. Such termination shall not constitute cause for the termination of the annual or continuing contract or employment agreement.

Individuals shall not perform any paid coaching duties or extracurricular activities without a valid, signed contract on file with the Department of Human Resources.

#### **F. Conditions of Work**

The Superintendent or a designee shall establish work schedules, provisions for absences and other conditions of work in keeping with School Board policy, regulation, and guidance.

## **G. Background Check Required**

The Superintendent or designee shall require that all employees, whether full-time or part-time, permanent, or temporary, submit to fingerprinting and provide personal descriptive information to obtain criminal history record information for the purpose of screening individuals who accept employment or re-employment with the School Division. For the purpose of this Policy, re-employment refers to a break in service of six (6) or more months.

The Superintendent or designee shall forward the personal descriptive information through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding such employee.

The Superintendent or designee shall require that any applicant who is offered or accepts employment or re-employment provide written consent and the necessary personal information to obtain a search of the registry of founded complaints of child abuse and neglect maintained by the Virginia Department of Social Services. The Superintendent or designee shall thereafter request a search of the records of the Virginia Department of Social Services to be conducted for each such applicant.

The Superintendent or designee shall ensure compliance with Code of Virginia § 19.2-392.02, as amended. The School Division will require that each employee, whether full-time or part-time, permanent, or temporary, certify that the employee has not been: 1) convicted of any violent felony set forth in the definition of a barrier crime, any crime of moral turpitude, or any offense involving the sexual molestation, physical or sexual abuse or rape of a child; or the solicitation of any such offense; and 2) has not been the subject of a founded case of child abuse and neglect.

Substitute employees may be permitted to work pending the results of the Federal Bureau of Investigation background investigation and Virginia Department of Social Services search of the registry of founded complaints if the following conditions are met:

1. The School Division has successfully completed a state and local police background check for the individual; and
2. The School Division has successfully completed a check of the sex offender website and the sex offender and crimes against minors registry for the individual; and
3. The School Division requires the individual to serve in the presence of an employee who has successfully completed the Federal Bureau of Investigation background investigation and the Department of Social Services search of the registry of founded complaints.

## **H. Health Requirements**

All persons selected for employment shall submit a certificate signed by a licensed physician stating they are free of communicable tuberculosis.

## I. Probationary Periods

1. Instructional: Although contracts for probationary instructional personnel are issued ~~for on an annual basis one (1) year only~~, the first three (3) consecutive years of a person's employment shall be considered a probationary period ~~for new personnel~~. In calculating a probationary year of service, ~~the first~~ year is defined as 160 or more actual days worked. ~~The remaining probationary years of service shall be defined as 180 or more actual days worked during one school year.~~
  - a. All probationary employees, except those with prior successful teaching experience, shall be provided with a mentor teacher during their first year. Further, probationary employees will be given extra supervision and assistance in adjusting to their new positions, and particular attention will be given to a continuing evaluation of their efficiency.
  - b. Probationary teachers shall annually be evaluated using the procedures developed by the School Board. The Superintendent or designee shall consider each annual evaluation of a probationary employee in the nonrenewal process. If a teacher's annual performance evaluation during the probationary period is unsatisfactory, the School Board shall not reemploy such teacher.
  - c. Teachers who have attained continuing status in another public school division in Virginia shall serve a probationary period of no less than one (1) year and not to exceed two (2) years in the School Division before attaining continuing contract status. Such probationary period shall be a part of the initial contract.
2. Non-instructional: All employees, other than those subject to §§ 22.1-303 and 22.1-294 of the Code of Virginia, as amended, shall serve an eighteen-month probationary period.

## INSTRUCTION

### Student Evaluation and Grading/Class Rank

#### A. Grading Codes

##### *Editor's Note*

*Also see Guidelines for Grading and Reporting Student Progress on the School Division website: [www.vbschools.com](http://www.vbschools.com). Teachers see [vbeps.com](http://vbeps.com).*

#### 1. Elementary (Grades K-5) - Academic Progress

Students will receive proficiency scores indicating how well they understand the concepts or skills taught during that marking period. The proficiency scores are:

- AP: Advanced Proficient - Consistently demonstrates proficiency; grasps, applies and extends key concepts, processes and skills
- P: Proficient - Regularly grasps and applies key concepts, processes and skills with limited errors
- DP: Developing Proficiency - Beginning to grasp and apply key concepts, processes and skills
- N: Novice - Not making expected progress toward proficiency
- NE: Not evaluated

~~For the 2013-2014 school year, in addition to the proficiency scores, students in fourth grade and fifth grade will receive letter grades in accordance with the numerical scale approved for use in the School Division as follows:~~

- ~~▪ A = (93-100)~~
- ~~▪ A = (90-92)~~
- ~~▪ B+ = (87-89)~~
- ~~▪ B = (83-86)~~
- ~~▪ B = (82-80)~~
- ~~▪ C+ = (77-79)~~

▪ ~~C = (73–76)~~

▪ ~~C = (70–72)~~

▪ ~~D+ = (67–69)~~

▪ ~~D = (64–66)~~

▪ ~~E = Below 64~~

▪ ~~NE = Not evaluated~~

▪ ~~X = Area of concern/Needs additional attention~~

~~For the 2014–2015 school year, in addition to the proficiency scores, only students in fifth grade will receive letter grades as designated above.~~

~~For the 2015–2016 school year all K–5 students will receive proficiency scores only indicating how well they understand concepts or skills.~~

2. Elementary (Grades K-5) Student Progress in Citizenship, Participation and Collaboration, Productivity

2. Students will receive proficiency scores reflecting how well they understood and demonstrated the concepts or skills taught during the marking period in citizenship, participation and collaboration, and productivity. The proficiency scores are:

- AP: Advanced Proficient - Consistently demonstrates proficiency; grasps, applies and extends key concepts, processes and skills
- P: Proficient - Regularly grasps and applies key concepts, processes and skills with limited errors
- DP: Developing Proficiency - Beginning to grasp and apply key concepts, processes and skills
- N: Novice - Not making expected progress toward proficiency

3. Secondary (Grades 6-12)

Numerical equivalents are authorized for the convenience of teachers in support of letter grades and are not to be interpreted as recommended for evaluating all phases of learning in any given subject. Numerical equivalents are as follows:

- A = (93 - 100)
- A- = (90 - 92)

- B+ = (87 - 89)
- B = (83 - 86)
- B- = (82 - 80)
- C+ = (77 - 79)
- C = (73 - 76)
- C- = (70 - 72)
- D+ = (67 - 69)
- D = (64 - 66)
- E = Below 64

#### 4. Grade Change Procedures

If ~~an adult~~ a student or ~~the~~ parent or legal guardian of a minor student questions a grade, the procedures listed below will be used.

- a. The student and/or parent or legal guardian of a minor student will request the teacher to review the grading process and computation.
- b. Following the review, the teacher will decide if a grade change should be made and will inform the student and/or parent or legal guardian of the decision.
- c. The student and/or parent or legal guardian of a minor student may appeal the teacher's decision to the principal.
- d. If the teacher is not available, the principal will review the grading process and/or computation and will inform the student and/or parent or legal guardian a minor student and the teacher of the decision.

### **B. Class Rank**

The following procedures will be used in computing the class rank of students.

#### 1. Procedure for ~~a~~All ~~c~~Courses

Each final grade will be given the indicated value: A=4, A- = 3.7, B+ = 3.3, B=3, B- = 2.7, C+ = 2.3, C=2.0, C- = 1.7, D+ = 1.3, D=1.0, E=0. Each indicated value for a year course is to be recorded twice, and each indicated value for a semester course is to be recorded once. The values are to be totaled and divided by the number of values used to obtain the total. The division of the total is to be carried to four (4) decimal places in obtaining the grade point average of the student.

2. Advanced Placement Awarding Bonus Credit for Approved Courses

After the grade point average of the student has been determined, bonus credit will be added for advanced placement courses and specifically approved ~~courses~~ such as international baccalaureate and dual enrollment courses.

~~Governor's School for the Arts and magnet courses shall be approved to receive half the amount of bonus credit as advanced placement courses.~~ The Department of Teaching and Learning will determine which courses ~~are to~~ shall receive bonus credit.

a. Year-long courses.

Bonus credit will be awarded as follows for year-long courses: (A, A-) = .0488, (B+, B, B-) = .0366, (C+, C, C-) = .0244, (D+, D) = .0122, E=O.

b. Semester-long courses.

Bonus credit will be awarded as follows for semester-long courses: (A, A-) = .0244; (B+, B, B-) = .0183; (C+, C, C-) = .0122; (D+, D) = .0061; and E = 0.

~~Bonus credit will be awarded as follows for Governor's School for the Arts courses: (A, A-) = .0122; (B+, B, B-) = .0092; (C+, C, C-) = .0061; (D+, D) = .0031; and E = 0.~~

c. Example (using the data from the above example):

Total Grade Point Average: 3.4167

One (1) Yearlong Advanced Placement Course, with grade of "A/93":  
.0488 bonus

One (1) Semester Magnet Course, with a grade of "B/86": .0183 bonus

Computation:  $3.4167 + .0488 + .0183 = 3.4838$

Final Total Grade Point Average: 3.4838

3. Governors School for the Arts – awarding bonus credit for approved courses

Governor's School for the Arts courses shall receive half the amount of bonus credit as advanced placement courses.

a. Bonus credit will be awarded as follows for Governor's School for the Arts courses: (A, A-) = .0122; (B+, B, B-) = .0092; (C+, C, C-) = .0061; (D+, D) = .0031; and E = 0.

3.4.Future grades earned in same or equivalent class will not be used to determine class rank or grade point average. After a course has been passed, no future grade earned in the same course or its equivalent will be used in determining class rank or student grade point average, except as provided in School Board Regulation 5-26.2.

4.5.How class rank is determined. Class rank will be determined by assigning the student with the highest average the rank of number one (1); the second highest, the rank of number two (2), etc. In cases where more than one student has the same numerical average, all students with that average will be given the same rank. The next highest average will assume the next rank position, which will indicate the number of students having a higher rank.

a. Example:

Student No. 1 GPA = 3.9880 - Rank 1  
Student No. 2 GPA = 3.9880 - Rank 1  
Student No. 3 GPA = 3.8972 - Rank 3  
Student No. 4 GPA = 3.8972 - Rank 3

The student with the next highest average will have the rank of five (5) in the class, indicating that there are four (4) students who rank higher.

5.6.Class rank will be determined at the end of the senior year. All credits earned, regardless of the grade level, will be used in determining class rank.

6.7.Honor graduation determination. A student with a 3.000 cumulative grade point average or higher will be considered an honor graduate.

8. Valedictorians and salutatorians – how determined. The designation of Valedictorian and Salutatorian will be utilized. A student enrolled in a Virginia Beach City Public Schools advanced academic program who transfers to a comprehensive school during their junior or senior year, will not qualify for Valedictorian/Salutatorian. The Superintendent or designee may authorize exceptions to this subsection.

a. For the Princess Anne High School International Baccalaureate Program and the Ocean Lakes High School Math and Science Academy the Superintendent shall authorize a Valedictorian/Salutatorian, for each advanced academic program and one for the comprehensive school.

~~7. The student or students with the highest rank at the end of the senior year will be declared the valedictorian(s) of the graduating class. The student or~~

~~students with the second highest rank at the end of the senior year will be declared the salutatorian(s).~~

**Editor's Note**

~~Section D of School Board Policy 5-29 reads "To be eligible as or valedictorian(s)/salutatorian(s) students must complete the last four (4) consecutive semesters in the high school."~~

## **Local Plan for the Education of the Gifted**

Each school board must review and approve a comprehensive plan for the education of the gifted. That plan must provide specific explanations of the school division's implementation of the *Regulations Governing Educational Services for Gifted Students*. School divisions, working in conjunction with their school boards, should determine the appropriate time frame of applicability for their division's gifted plan. Historically, division plans span five years. For the technical review, the DOE will request a division to send their most current, approved plan at the time of the review. The applicable timeframe for the division's plan does not need to correspond to the collection year of their technical review. Information on the DOE technical review schedule can be found at the gifted education homepage at the Virginia Department of Education's Web site <https://www.doe.virginia.gov/teaching-learning-assessment/specialized-instruction/gifted-education>.

Section 8VAC20-40-60A of the *Regulations* states that, "Each school board shall submit a comprehensive plan for the education of gifted students to the Department of Education (DOE) for technical review on a schedule determined by the Department. Each school board shall approve a comprehensive plan for the education of gifted students that includes the components identified in these regulations." To assist school divisions and school boards in complying with section 8VAC20-40-60A, the Virginia Department of Education has created this template for developing Local Plans for the Education of the Gifted (revised January 2011). This public document addresses all aspects of local services for gifted students, including, but not limited to, the area(s) of giftedness the school division will serve, an operational definition of giftedness in the division and its supporting identification procedures, program services, professional development, curriculum development, and parent and community involvement.

Each section of the plan should address specific procedures and information for each area of giftedness identified by the school division. If a school division identifies students in general intellectual aptitude (GIA) and specific academic aptitude-mathematics (SAA-M), then the section for referral procedures, for example, should reflect the specific referral procedures for GIA and SAA-M. Throughout the local plan template, school divisions may need to copy and paste the drop down boxes, the insert text form fields, and any pertinent information for each area of giftedness identified by the division. In order to be able to 'choose an item' from a drop down box, simply right click on the highlighted 'choose an item' wording and the drop down arrow should appear on the right. Right clicking on the arrow will then allow the drop down box choices to appear. If certain procedures or policies apply to more than one area of giftedness, simply copy and paste the drop down selection box to reflect all areas of giftedness that are applicable to the procedures or policy.

Once the completed comprehensive local plan for the education of gifted students has been approved by the local school board, the plan shall be accessible to the public through the division's Website. The division shall ensure that printed copies of the plan are available to citizens who do not have online access.

For more information, contact the Virginia Department of Education specialist for Governor's Schools and Gifted Education at 804-225-2884.

**General Information regarding the Gifted Program in Virginia Beach City Public Schools**

In section 8VAC20-40-40A of the *Regulations*, divisions are required to screen, refer, identify, and serve gifted students in at least general intellectual aptitude or specific academic aptitude. School divisions may identify and serve gifted students in career and technical aptitude or visual or performing arts aptitude, or both, at their discretion. On the chart below, please indicate all areas of giftedness that are identified and served within the division. Please copy and paste any additional rows as might be needed to address all areas in Specific Academic Aptitude and/or Visual and/or Performing Arts that are identified by the school division.

<b>Area of Giftedness Identified by the Division</b>	<b>Grades Served</b>
General Intellectual Aptitude (GIA)	K-12
Visual Arts Aptitude (VPA)-Visual Arts	Grades 3-8
Performing Arts Aptitude (VPA)-Dance	Grades 3-8

The chart below shows gifted services provided by the Governor's School for the Arts and is based on application, audition and acceptance:

<b>Area of Giftedness Identified by the Division</b>	<b>Grades Served</b>
Visual Arts Aptitude (VPA)-Visual Arts	Grades 9-12
Performing Arts Aptitude (VPA)-Dance	Grades 9-12
Performing Arts Aptitude (VPA)-Theatre	Grades 9-12
Performing Arts Aptitude (VPA)-Instrumental Music	Grades 9-12
Performing Arts Aptitude (VPA)-Vocal Music	Grades 9-12
Performing Arts Aptitude (VPA)-Musical Theatre	Grades 9-12

(Please highlight, copy, and insert SAA and/or VPA rows as necessary to reflect all areas of giftedness served by the school division.)

**Part I: Statement of Philosophy and Local Operational Definition of Giftedness for the School Division (8VAC20-40-60A.1)**

**A. Division Statement of Philosophy for the Education of Gifted Students**

In Virginia Beach City Public Schools (VBCPS), we believe in recognizing and nurturing the diverse and multifaceted abilities of gifted learners to ensure they fulfill their unique potential. Through early identification, equitable access, and personalized support, we provide quality educational experiences that promote both intellectual and social-emotional growth. The division's inclusive programs, parent and community partnerships, and commitment to providing challenging and enriching educational experiences ensure every gifted learner thrives and fulfills their unique potential.

**B. Division Operational Definition of Giftedness**

This section should include an operational definition for each area of giftedness (general intellectual aptitude, specific academic aptitude, visual and/or performing arts aptitude, or career and technical aptitude) identified and served by the division. An operational definition provides the concrete, observable, and/or measurable criteria for 'giftedness' used by the division in the identification process. Such a definition might include a listing of the evidence of student readiness for gifted educational services, e.g. evidence of gifted behaviors as determined by a valid and reliable teacher checklist or evidence of superior academic performance based on a norm-referenced assessment of aptitude.

In alignment with the National Association for Gifted Children and adapted from Virginia state code 8VAC20-40-20, VBCPS defines giftedness as students with gifts and talents who perform or who have the capability to perform at higher levels compared to others of the same age, experience, and environment in one or more domains. Their aptitudes for accomplishment are so outstanding that they require differentiated programs to meet their educational needs.

Professionally qualified staff begin talent development with students in kindergarten through grade two. Students in grades 2-12 may be identified as having potential or demonstrated aptitudes for gifted education using a variety of criteria. These include evidence of gifted traits, academic performance, problem-solving and reasoning skills, norm-referenced ability screeners, and other relevant factors.

VBCPS identifies giftedness in the following areas:

General intellectual aptitude (GIA): Such students demonstrate superior reasoning; persistent intellectual curiosity; advanced use of language; exceptional problem solving; rapid acquisition and mastery of facts, concepts, and principles; and creative and imaginative expression across a broad range of intellectual disciplines beyond their age-level peers. Such students demonstrate the potential to be successful in a rigorous general intellectual gifted aptitude program.

Visual or performing arts aptitude: Such students demonstrate superior creative reasoning, imaginative expression, persistent artistic curiosity, advanced acquisition and mastery of techniques, concepts, and principles beyond their age-level peers. Such students demonstrate the potential to be successful in a rigorous visual or performing arts aptitude program.

In alignment to Virginia Code 8VAC20-40-60A.1, VBCPS does not use any single criterion to deny or guarantee eligibility for gifted education services.

**Part II: Program Goals and Objectives (8VAC20-40-60A.2)**

This section should include goals and objectives for the school division's gifted education program. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

- A. Identification Goal Statement:** VBCPS will implement a comprehensive identification process using a holistic review of data to identify students in need of gifted education services.

**Identification Objectives:**

1. Utilize a multiple criteria profile approach for gifted identification with consideration given to quantitative and qualitative information.
2. Provide a variety of communication and public outreach to increase stakeholder awareness and understanding of gifted program opportunities available to all students.
3. Ensure the gifted identification and placement process is equitable for all students as outlined by the VBCPS selection process in this plan, including the identification of gifted students who are underachieving, twice-exceptional, culturally, linguistically, and/or economically diverse.
4. Offer professional learning opportunities for school staff and support for parents/guardians to complete the gifted application process to ensure equitable identification processes.

- B. Delivery of Services Goal Statement:** VBCPS will provide a comprehensive continuum of services to address the needs of all identified gifted learners.

**Delivery of Services Objectives:**

1. Ensure the delivery of services is in alignment with gifted program components by monitoring the implementation of gifted instruction to ensure all gifted learners' needs are met, including gifted students who are underachieving, twice-exceptional, culturally, linguistically, and/or economically diverse.
2. Implement research-based services, interventions, acceleration, and enrichment to support and develop both the academic and social-emotional growth of all gifted learners.
3. Provide gifted programming support through staff collaboration, professional learning, and instructional coaching to effectively challenge and support all gifted learners.
4. Provide equitable levels of staffing to ensure consistency and adequate service delivery to the gifted learners across the division.

- C. Curriculum and Instruction Goal Statement:** VBCPS will provide comprehensive differentiated curriculum and learning opportunities responsive to the unique cognitive, academic, and social-emotional needs of all gifted learners.

**Curriculum and Instruction Objectives:**

1. Develop and implement curriculum and instruction that enriches or extends core curriculum based on themes, issues, and real-world problems.
2. Utilize a variety of assessments within a balanced assessment model to monitor student learning and inform instruction based on the K-12 Gifted Program Benchmarks and Virginia Standards of Learning.

3. Engage collaborative partnerships between administrators, classroom teachers, gifted cluster teachers, gifted resource teachers, and instructional specialists to inform the development of high-quality differentiated instruction for gifted learners.
4. Collaborate with parents/guardians and the community to promote partnerships that enrich learning experiences.

**D. Professional Development Goal Statement:** VBCPS will provide continuous differentiated professional learning for school-based instructional staff and administrators related to the identification and education of gifted students.

**Professional Development Objectives:**

1. Develop and implement a professional learning program for instructional staff to enhance their understanding and support of gifted learners' traits, academic, cognitive, and social-emotional needs, to include gifted learners who are underachieving, twice-exceptional, culturally, linguistically, and/or economically diverse students.
2. Expand professional learning opportunities to equip all instructional staff, with emphasis on gifted resource teachers (GRTs), cluster teachers, and administrators, with the skills to effectively implement gifted instructional strategies across the curriculum and align with gifted benchmarks.
3. Utilize instructional coaching to build the capacity of instructional staff, with emphasis on GRTs and gifted cluster teachers, to deliver differentiated and research-based gifted instruction.
4. Expand collaborative professional learning opportunities between school-based staff and division-level staff (e.g., mathematics, science, and English specialists) to develop engaging, challenging, and content-specific differentiated professional learning experiences.

**E. Equitable Representation of Students Goal Statement:** VBCPS will ensure identification processes and gifted education services are inclusive of all students with diverse abilities, including gifted learners who are underachieving, twice-exceptional, culturally, linguistically, and/or economically diverse students.

**Equitable Representation of Students Objectives:**

1. Provide rigorous learning environments with effective instruction to increase representation of all student groups so students of all backgrounds thrive and have the opportunity to receive differentiated instruction.
2. Provide division-level professional learning to teachers and school staff concerning how gifted traits, attributes, and behaviors are manifested in underachieving, twice-exceptional, culturally, linguistically, and/or economically diverse gifted learners.

**F. Parent and Community Involvement Goal Statement:** VBCPS will provide effective communication and ensure collaborative partnerships among stakeholders (e.g., parents/ guardians of gifted learners, school and division staff, and the community, to include groups such as businesses, educational organizations, military, and other youth organizations) to advocate for the unique needs of all gifted learners.

**Parent and Community Involvement Objectives:**

1. Increase parent/guardian participation and involvement in gifted education to include equitable support and outreach to families of gifted learners who have one or more of the following criteria: military, underachieving, twice-exceptional, culturally, linguistically, and/or economically diverse.
2. Engage stakeholders to inform the planning and delivery of workshops and resource development.
3. Develop and use resources and strategies to empower families to advocate for the unique academic and social-emotional needs of GIA and artistically gifted learners, and ensure they are aware of the advanced academic programs and opportunities within VBCPS.
4. Increase outreach to parents of gifted learners regarding the content of students' gifted learning experiences and progress.

### **Part III: Screening, Referral, Identification, and Service Procedures**

#### **A. Screening Procedures (8VAC20-40-60A.3)**

This section should provide screening procedures for each area of giftedness identified and served by the division. These procedures should include the annual review of student data used to create a pool of potential candidates for further assessment. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

##### **1. Screening Procedures for General Intellect Aptitude (GIA)**

Per the *Regulations Governing Educational Services for Gifted Students*, screening is defined as, “the active search for students who are then referred for the formal identification process.”

Screening is conducted to create a pool of potential candidates for consideration for gifted services. The candidate pool is made up of students who have been referred as well as second and fifth grade students scoring 90% or higher on the screening assessment completed during the screening process. Students who have been previously identified in VBCPS as GIA are not tested during gifted screening.

Screening students for gifted services occurs annually in kindergarten through 12th grade. The gifted resource teacher (GRT) screens students by observing them in the classroom setting, reviewing student data, recording anecdotal notes, and evaluating files of students new to the school division. GRTs are trained to look for specific indicators of gifted behaviors and traits in the student’s records and through classroom observations. GRTs provide training to all teachers on gifted traits to increase identification. K-2 teachers receive additional training in recognizing and anecdotally recording evidence of gifted behaviors through talent development lessons. Student Response Team (SRT) members (e.g., administrators, counselors, etc.) are also trained to consider potential candidates for the gifted program as they consider student needs.

In second **(implemented 25/26 SY)** and fifth grades, central office staff and building-level educators, who are trained in the administration of gifted assessments, administer the *Naglieri Nonverbal Ability Test (NNAT)* as a screening tool. **The Cognitive Abilities Test (CogAT) is used during the application phase for gifted identification with students who have a completed online application. (implemented 24/25 SY)**

To screen gifted students from diverse backgrounds, including those who may be underachieving, twice-exceptional, or culturally, linguistically, economically, and/or diverse, VBCPS utilizes the following programs to elicit advanced intellectual performance, enabling GRTs additional opportunities to observe and document gifted behaviors and characteristics:

- Emerging Scholars Initiative (ESI)
- Project E-Ignite
- Students and Parents Learning Intellectual Growth Strategies (SAPLINGS)
- Office of Programs for Exceptional Children (OPEC) collaboration

See [Part VIII: Policies and Procedures for Access to Programs and Advanced Courses](#) for more information on these programs.

## **2. Screening Procedures for Gifted Visual Arts/Dance**

Parents/guardians of minor students who are interested in the gifted visual arts program must submit an online application and a portfolio of student drawings by the deadline. Directions for portfolio contents are provided by the school's art teacher or GRT. Student portfolios are screened by a team of art teachers. Students who exhibit exceptional abilities and potential are invited to attend an in-person audition for identification and placement.

Parents/guardians of minor students who are interested in the gifted dance education program must submit an online application by the deadline, and students are scheduled to participate in a group audition. There is no advance screening process for gifted dance.

## **B. Referral Procedures (8VAC20-40-60A.3)**

This section provides referral procedures for each area of giftedness identified and served by the division. These procedures shall permit referrals from parents or legal guardians, teachers, professionals, students, peers, self, or others. These procedures should include to whom referrals are submitted and the timeline for the division to provide parents/guardians with the results of the eligibility process. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

### **1. Referral Procedures for General Intellect Aptitude (GIA)**

Per the [Regulations Governing Educational Services for Gifted Students](#), referral means the “formal and direct process used to request that a student be assessed for gifted education program services.”

Beginning in grades K-2, students receive differentiated curriculum and teaching approaches through talent development which includes collaborative teaching provided by GRTs and classroom teachers. Students in grades 2-12 may be referred for consideration of gifted identification.

Referrals of current VBCPS students in grades 2-12 **(implemented 24/25 SY)** are accepted as follows:

- Parents/guardians may refer their students by submitting an application via the Gifted Application Management System (GAMS) at <https://giftedapplication.vbcps.com>
- Students may refer themselves by submitting an application via [GAMS](#).
- Teachers, peers, VBCPS staff or others may refer a student by contacting the school's gifted resource teacher (GRT).
- GRTs may refer students for gifted identification by contacting the parent/guardian and recommending they submit an application via [GAMS](#) if they wish to have the student further assessed and reviewed for GIA services.
- Parents/guardians who wish to have their student considered for Old Donation School (ODS) may refer their student by submitting an application via [GAMS](#).

*Note: Referrals from the school are not required in order for a parent/guardian to initiate an application; there is no minimum test score required to initiate an application.*

GAMS begins accepting applications in the fall of each school year, and the deadlines for submission are posted in [GAMS](#) and on [www.VBSchools.com](http://www.VBSchools.com). Email notifications will be sent to all families from the school division. Information will also be posted on the division's gifted webpage within the division website.

Once an application is submitted, GRTs begin gathering evidence (see [GIA Multiple Criteria Listing](#)), and applicants are placed on a list to be tested. VBCPS uses the NNAT and the CogAT. Tests are administered by central office staff and building-level educators trained in the administration of gifted assessments. Test scores remain valid for one year and applicants who completed the test(s) during screening or during the current school year are not re-tested. Testing completed outside the school division will not be considered in the gifted identification process. Note, students requesting consideration for enrollment at ODS must undergo gifted testing each year the student applies for enrollment (e.g., a student in fourth grade who wants to apply to attend ODS in fifth grade will undergo gifted testing in fourth grade as part of the ODS application process) whether or not the student has been previously identified as gifted or applied for ODS enrollment.

If a student's gifted testing was adversely affected by extenuating circumstances, parents/guardians may submit a written notification to the Gifted Testing Office within two instructional days of the date of testing. The Gifted Testing Office will review the extenuating circumstances to determine whether additional assessment data should be gathered to provide a more balanced view of the student's abilities. The decision of the Gifted Testing Office will be final.

## **2. Referral Procedures for Gifted Visual Arts/Dance**

Per the [Regulations Governing Educational Services for Gifted Students](#), referral means the “formal and direct process used to request a student be assessed” for visual arts and dance. Referrals of current VBCPS students in grades two – seven are accepted as follows:

- Parents/guardians may refer their minor students by submitting an application via the Gifted Visual Arts and Gifted Dance Education Application Management System at <https://danceandartapplication.vbcps.com>.
- Students may refer themselves by submitting an application via <https://danceandartapplication.vbcps.com>.
- Teachers, peers, VBCPS staff or others may refer a student by contacting the school's GRT or art teacher.
- The application does not require teacher recommendations.

The Gifted Visual Arts and Gifted Dance Education Application Management System begins accepting applications in the fall of each year, and the deadlines for submission will be posted on <https://danceandartapplication.vbcps.com> and on [www.VBSchools.com](http://www.VBSchools.com).

Email notification will be sent from the Gifted Testing Office to all families. Information will also be posted on the division's gifted webpage within the division website. Parents/guardians are notified of the acceptance decision within ninety (90) instructional days of the application deadline.

### **C. Identification Procedures (8VAC20-40-60A.3)**

This section provides identification procedures for each area of giftedness identified and served by the division. Identification in GIA programs shall be K-12 and must include a nationally norm-referenced aptitude test. Identification in SAA programs shall be K-12 or as assessment instruments exist to support identification, and must include either a nationally norm-referenced aptitude or achievement test. Identification in CTA and VPA programs shall be at the discretion of the school division. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

#### **1. Identification Procedures for General Intellect Aptitude (GIA)**

##### **a. Multiple Criteria Listing (8 VAC 20-40-40D.3)**

This section includes the three or more categories that divisions shall include to develop a profile or composite for each student being considered. This listing of categories should be repeated for each area of giftedness identified by the division. Please copy and paste the section below to support all identified areas of giftedness. NOTE: Selection of either item 5a or 5b or both counts as a single category.

- ☒ 1. Assessment of appropriate student products, performance, or portfolio
- ☒ 2. Record of observation of in-class behavior
- ☒ 3. Appropriate rating scales, checklists, or questionnaires
- ☒ 4. Individual interview **Interview in Grades 6-12 (implemented 24/25 SY)**
- ☒ 5a. Individual or group-administered, nationally norm-referenced aptitude test(s)  
(must be included for GIA)  
and/or
- ☐ 5b. Individual or group-administered, nationally norm-referenced achievement test(s)
- ☒ 6. Record of previous achievements (awards, honors, grades, etc.)
- ☒ 7. Additional valid and reliable measures or procedures  
Specify: Anecdotal records and **discontinue use of 1st Grade Performance Based Task as an application component (implemented 24/25 SY)**

##### **b. Additional identification information for General Intellectual Aptitude**

Per the [Regulations Governing Educational Services for Gifted Students](#), "Identification means the multi-staged process of finding students who are eligible for service options offered through the division's gifted education program."

The Gifted Identification and Placement Committee reviews each profile (see [GIA Multiple Criteria Listing](#)) to holistically determine eligibility for gifted services in general intellect aptitude (GIA). The committee seeks evidence that the student demonstrates potential for exceptional performance. Committee members are trained on identifying the traits, attributes, and behaviors of gifted learners. Decisions are reached by the committee under the guidance of the Office of Gifted Programs. No single instrument, score, or criterion is used to exclude or include a child for eligibility. Testing conducted outside the school division will not be considered in gifted identification or the appeals process.

## **2. Identification Procedures for Gifted Visual Arts/Dance**

### **a. Multiple Criteria Listing (8 VAC 20-40-40D.3)**

This section includes the three or more categories that divisions shall include to develop a profile or composite for each student being considered. This listing of categories should be repeated for each area of giftedness identified by the division. Please copy and paste the section below to support all identified areas of giftedness. NOTE: Selection of either item 5a or 5b or both counts as a single category.

- ☒ 1. Assessment of appropriate student products, performance, or portfolio
- ☐ 2. Record of observation of in-class behavior
- ☒ 3. Appropriate rating scales, checklists, or questionnaires
- ☐ 4. Individual interview
- ☐ 5a. Individual or group-administered, nationally norm-referenced aptitude test(s) (must be included for GIA) and/or
- ☐ 5b. Individual or group-administered, nationally norm-referenced achievement test(s)
- ☐ 6. Record of previous achievements (awards, honors, grades, etc.)
- ☒ 7. Additional valid and reliable measures or procedures

Specify: Audition

### **b. Additional identification information for Gifted Visual Arts/Dance**

Prior art or dance experience/training is not required for identification. The Gifted Dance Identification and Placement Committee and the Visual Arts Identification and Placement Committee review each application to holistically determine eligibility for gifted services in visual arts or dance. The committees seek evidence that the student demonstrates potential for exceptional performance. Committee members are trained to identify the traits, attributes, and behaviors of gifted dancers and gifted visual artists. Decisions are based on a consensus of the committee. No single instrument, score, or

criterion is used to exclude or include a child for eligibility. Testing conducted outside the school division will not be considered in gifted identification or the appeals process.

**b. Eligibility (8VAC20-40-60A.3)**

This section includes a chart detailing all criteria that could be considered in the identification process for a specific area of giftedness identified by the division. A description of the eligibility process used by the committee to make decisions regarding eligibility for services shall follow the chart. It includes a timeline for making eligibility decisions within ninety (90) instructional days of the school division's receipt of the parent's(s') or legal guardian's(s') consent for assessment.

Cognitive Abilities Test (CogAT)	Gifted assessment specialists	Testing company and/or Gifted Testing Office staff	Gifted Testing Office*

\*Ability test scores remain valid for one year and applicants who complete the test(s) during screening or during the current school year are not re-tested.

Per the [\*Regulations Governing Educational Services for Gifted Students\*](#), "Placement" means the determination of the appropriate educational options for each eligible student.

The Gifted Identification and Placement Committee meets in December (grades 9-12) and between February and May (grades 2-12) to carefully review each applicant's profile to determine eligibility for gifted services. Parents/guardians are notified of the committee's decision and the appeals process via email. See [Notification Procedures](#) for more information on notifications and appeals.

In grades K-2 (**grade 2 talent development implemented 25/26 SY**), students receive talent development through differentiated curriculum and teaching approaches that involve collaborative efforts and co-teaching between GRTs and classroom teachers.

Students in grades 3-12, (**implemented 25/26 SY**) who are found eligible for GIA services, are placed in the gifted resource-cluster program in their neighborhood home school, which offers a gifted resource-cluster model. See [Program of Differentiated Curriculum and Instruction](#) for more information.

Students in grades 2-7 are eligible to apply for consideration for enrollment at Old Donation School (ODS) for their third through eighth grade school years. (**implemented 24/25 SY**) Selection for enrollment is based on open seats and the rating assigned by the ODS Rating Committee. The committee completes a holistic evaluation of the applicant's profile and uses the following 5 to 1 rating scale, with 5 being the highest recommendation:

- 5 - exceptionally strong in all the application components
- 4 - strong in most of the application components
- 3 - shows strength in some application components, but not consistently strong
- 2 - few consistent areas of strength
- 1 - does not demonstrate strengths in most areas; may not be successful in the program

No single criterion determines an applicant's rating, and there is no guarantee a specific rating will result in enrollment at ODS. To promote equitable access and equal opportunity, identifiable information such as student names and students' school names are not available to the selection committee.

For rising 3rd graders the highest rated applicant from each school is offered one of the first 53 seats. **(implemented 25/26 SY)** *Note: The minimum number of seats available in 6th grade in 2025-26 will be impacted based on the School Board vote to compact elementary seats into grades 3-5 rather than 2-5. This change from the previous local plan will impact available seats for incoming grade 6 students.*

In the event there are multiple students of the same rating at any school, a random selection of those same-rated students will be conducted until one student from each school has accepted the seat.

All remaining seats are filled starting with the highest-rated students throughout the division (e.g., 5-5-5) until all available seats are filled. In the event there are fewer seats than students of the same rating, a random selection from that group of same-rated students will be conducted.

For rising 4th, 5th, 6th, 7th, and 8th graders, seats are filled starting with the highest-rated students (e.g., 5-5-5) until all seats have been accepted. In the event there are fewer seats than students of the same rating, a random selection from that group of same-rated students is conducted.

A waitlist is established for any remaining students of the same rating. Any additional seats that become available are filled in the same manner as above. The waitlist is dissolved on the second Friday of the school year. Students on the waitlist are expected to enroll at their neighborhood home school pending notification.

**c. Determination of Services (8VAC20-40-60A.3)**

This section describes the process of determining appropriate educational services for identified K-12 students.

**General Intellect Aptitude (GIA)**

Each applicant's profile is reviewed by members of the Gifted Identification and Placement Committee. Eligibility decisions are based on the decisions of the committee.

The Old Donation School (ODS) Rating Committee reviews the profile and rates the student on their potential for exceptional performance. Selection decisions are based on applicant ratings and the number of openings in the program.

### **c. Determination of Services (8VAC20-40-60A.3)**

This section describes the process of determining appropriate educational services for identified K-12 students.

### **Gifted Visual Arts/Dance**

The Visual Arts and Gifted Dance Identification and Placement Committees review all data on each candidate. Eligibility decisions are based on the decisions of the committee.

## **Part IV: Notification Procedures (8VAC20-40-60A.4)**

This section includes the procedures used for (a) notifying parents/guardians when the individual identification process is initiated; (b) requesting permission for individual testing and/or collection of additional information; (c) requesting permission for provision of appropriate service options; and, (d) parents/guardians wishing to file an appeal of the identification outcome, change in placement, or exit decision. Any procedural differences pertaining to a specific area of giftedness identified by the division should be clearly indicated.

### **General Intellectual Aptitude (GIA)**

**A. Notifying parents/guardians of the process:** Parents/guardians are officially notified annually of the option to submit an application for GIA identification through divisionwide notification and the VBCPS website. Schools may choose to provide notifications within their family newsletters; however, official application information will be provided by divisionwide communications and the VBCPS website. In addition to direct communication with families, the school division will also inform stakeholder community groups about timelines for the gifted referral and identification process. VBCPS will solicit assistance in identifying underrepresented student populations such as, but not limited to, English as a second language, students with disabilities, military-connected students, ethnically, racially, and/or economically diverse, or otherwise identified by school division. Once an application has been submitted via the Gifted Application Management System (GAMS), parents/guardians/adult students receive a confirmation email.

*Note: Referrals from the school are not required in order for a parent/guardian to initiate an application; there is no minimum test score required to initiate an application and refer a child for gifted testing.*

**B. Permission for testing or screening:** VBCPS administers the Naglieri Nonverbal Ability Test (NNAT) as a screening tool for all students in grades 2 and 5. (implemented 25/26 SY)

Parents/guardians receive notifications of screening windows and have the option to opt the student out of the screening process by contacting their school or the Office of Gifted Programs and completing the opt-out form. If a parent/guardian would like for their student to move forward in the gifted identification process, the parent/guardian must submit an application and provide consent for testing electronically.

**C. Provision of appropriate service options:** Parents/guardians receive electronic notification of the eligibility decision for GIA services and information regarding the right to appeal. Once a student is identified for GIA services, they continue to receive services through grade 12, unless a parent or adult student declines services.

### **D. Exit policy and appeals processes:**

#### **1. Exit Policy**

- a. General Intellectual Aptitude (GIA) services - exit by adult students or parents/guardians or minor students - parents/guardians or adult students who wish to initiate a change in school-based GIA services must notify the principal and follow School Division Regulation 6-31.1 and School Division guidance regarding exiting.

- b. Old Donation School GIA services - parent/guardian removal - parents/guardians who wish to withdraw a student from Old Donation School (ODS) GIA services must notify the ODS registrar and follow School Division Regulation 6-31.1 and School Division guidance regarding exiting ODS.
- c. Old Donation School GIA services – School Division removal - the School Division may remove a student from ODS GIA services in accordance with the due process procedures as set forth in School Division Regulation 6-31.1 and School Division guidance regarding exiting ODS.
- d. Reinstatement or reapplication to ODS – a student may be reinstated or reapply for gifted services or ODS GIA services in accordance with School Division Regulation 6-31.1 and School Division guidance regarding exiting ODS.

## **2. Appeals Process**

- a. All appeals regarding gifted identification ratings must be submitted by the parent/guardian or the school administrator, on or before the scheduled deadline, according to the procedures outlined in the notification email.
- b. All appeals regarding ODS ratings must be submitted by the parent/guardian, on or before the scheduled deadline, according to the procedures outlined in the notification email.
- c. The appeal form must provide, in writing, new information that was not available at the time of the initial application and/or information regarding any errors in the original application. Only one appeal form may be submitted per student. The appeals committee *will not* accept additional information from VBCPS staff or outside sources in the appeal.
- d. Appeal requests are handled by the Gifted Appeals Committee, overseen by the Director of K-12 and Gifted Programs or designee. The Gifted Appeals Committee will consist of staff members who did not serve on the gifted identification or ODS rating committees.
- e. The Gifted Appeals Committee will review the original application profile as well as the appeal form submitted by the parent/guardian. The decision of the Gifted Appeals Committee will be final. The decision of the appeals committee may include one of the following:
  - i. uphold the original decision of the identification and placement committee or rating committee;
  - ii. reverse the decision of the identification and placement committee or rating committee; or
  - iii. place the student's identification and placement committee decision on hold to examine additional assessment data as determined by the Office of Gifted Programs. Any additional assessment considered or administered as part of an appeal must be administered by VBCPS staff. No testing conducted outside the school division is considered in gifted identification or the appeals process.

- f. The Director of K-12 and Gifted Programs, or the director's designee, is responsible for notifying parents/guardians of the appeal decision within ten instructional days of the appeal deadline.

## **Gifted Visual Arts/Dance**

- A. Notifying parents/guardians of the process:** Parents/guardians are notified annually of the option to submit an application for gifted visual arts or dance identification through division wide notification and the VBCPS website. Schools may also share information, but official information is shared via the division wide notification and VBCPS website. Once an application has been submitted via the Gifted Visual Arts and Gifted Dance Education Application Management System, parents/guardians receive a confirmation email.
- B. Permission for testing or screening:** Parents/guardians complete an online application form for students in grades 2-7 to submit a portfolio for visual arts or audition for dance. After an application is initiated, the parent/guardian completes a consent form.
- C. Provision of appropriate service options:** Parents/guardians receive electronic notification of the eligibility decision for visual arts or gifted dance services and information regarding the right to appeal. Once a student is identified for gifted visual arts or dance services, they are eligible to receive services through grade 8.
- D. Exit policy and appeals processes:**
1. **Exit Policy**
    - a. Gifted visual arts or dance services at ODS or Virginia Beach Middle School parent/guardian withdrawal - Parents/guardians who wish to withdraw a student from gifted visual or dance must notify the ODS registrar (grades 3-5 visual arts or grades 3-8 dance) or the Virginia Beach Middle School principal (grades 6-8 visual arts) in writing and follow School Division Regulation 6-31.1 and School Division guidance regarding exiting.
    - b. Gifted visual arts or dance services – School Division removal - the School Division may remove a student from gifted visual arts or dance services in accordance with the due process procedures as set forth in School Division Regulation 6-31.1 and School Division guidance regarding exiting ODS or Virginia Beach Middle School.
    - c. Reinstatement or reapplication to visual arts or dance services – a student may be reinstated or reapply for gifted visual arts or dance services in accordance with School Division Regulation 6-31.1 and School Division guidance regarding exiting ODS.
  2. **Appeals Process**
    - a. All appeals regarding gifted visual arts and dance identification must be submitted by the parent/guardian, on or before the scheduled deadline, according to the procedures outlined in the notification email.
    - b. The appeal form should describe gifted behaviors observed at home or present additional information, in writing, they feel would be helpful to the committee in making their

decision. Only one appeal form may be submitted per student. The appeals committee *will not* accept additional information from VBCPS staff or outside sources in the appeal.

- c. Appeal requests are handled by the Gifted Appeals Committee, overseen by the Director of K-12 and Gifted Programs or designee. The Gifted Appeals Committee will consist of staff members who did not serve on the gifted visual arts or dance identification committees.
- d. The Gifted Appeals Committee will review student-generated work as well as the appeal form submitted by the parent/guardian. The decision of the Gifted Appeals Committee will be final. The decisions of the appeals committee may include one of the following:
  - i. uphold the original decision of the identification and placement committee; or
  - ii. reverse the decision of the identification and placement committee.
- e. The Director of K-12 and Gifted Programs, or the director's designee, is responsible for notifying parents/guardians of the appeal decision within ten instructional days of the appeal deadline.

## **Part V: Change in Instructional Services (8VAC20-40-60A.5)**

This section includes the policy for written notification to parents or legal guardians of identification and placement decisions, including initial changes in placement procedures or exit policy from the program.

### **General Intellectual Aptitude (GIA)**

#### **Identification and Placement Decisions**

The Gifted Testing Office notifies parents/guardians of GIA identification decisions in writing. Parents/guardians have the option to accept, decline, or defer services. If a student is found ineligible, parents/guardians may submit an appeal, as outlined in Part IV of the Local Plan.

#### **Initial Changes in Placement Procedures**

Parents/guardians who wish to initiate a change in school-based GIA services must notify the comprehensive neighborhood school principal. If parents/guardians do not wish for their student to take part in gifted services, they must inform the school, in writing, they will be declining gifted services. Even if a parent/guardian has opted out of gifted services for their student, the student maintains eligibility for gifted services. The parents/guardians may inform the neighborhood home school, in writing, if they wish to resume services.

#### **Exit Policy**

- Students retain GIA identification until graduation once identified in VBCPS.
- Students may be exited from gifted services upon written request of the parent/guardian or adult student.
- Parents/guardians who wish to withdraw a student from Old Donation School (ODS) and enroll in the student's comprehensive neighborhood school must notify the principal at ODS in writing. If a student exits and later wishes to return to ODS, the student must reapply and go through the selection process during the next application window.

### **Gifted Visual Arts/Dance**

#### **Identification and Placement Decisions**

Written notifications for visual arts and gifted dance identification decisions are processed and sent by the Office of Gifted Programs. Parents/guardians have the option to accept, decline, or defer services. If a student is found ineligible, parents/guardians may submit an appeal, which is detailed in Part IV of the Local Plan.

#### **Initial Changes in Placement Procedures**

Parents/guardians who wish to initiate a change in division-level visual arts or gifted dance services must notify the registrar. Even if a parent/guardian has opted out of gifted services for their student, the student maintains eligibility for gifted services and has the opportunity to take part in activities offered by the gifted program, as feasible. Once a parent/guardian declines visual arts or gifted dance services, the student would need to reapply and go through the selection process in order to be considered.

**Exit Policy**

- Parents/guardians who wish to withdraw a student from gifted visual or dance must notify the ODS registrar (grades 3-5 visual arts or grades 3-8 dance) in writing.
- Parents/guardians who wish to withdraw a student from gifted visual arts in grades 6-8 at Virginia Beach Middle School (VBMS) and enroll in the student's comprehensive neighborhood school notify the principal at VBMS in writing.
- Parents/guardians who wish to withdraw their student acknowledge their student's seat in the program will be given to another student.
- Parents/guardians who wish to have their student resume gifted visual or dance services at ODS/VBMS must reapply during the regular application process.

## **Part VI: Evidence of Appropriate Service Options (8VAC20-40-60A.10)**

This section provides evidence that gifted education service options from kindergarten through twelfth grade are offered continuously and sequentially, with instructional time during the school day and week to (i) work with their age-level peers, (ii) work with their intellectual and academic peers, (iii) work independently; and (iv) foster intellectual and academic growth of gifted learners. Parents and legal guardians shall receive assessment of each gifted student's academic growth. Career and Technical aptitude programs and Visual and/or Performing Arts programs are offered at the discretion of the school division.

### **A. Service Options are Continuous and Sequential**

This section provides evidence that the division's program of curricula and instruction for gifted learners is continuous and sequential. GIA programs need to provide evidence from kindergarten through twelfth grade.

#### **1. General Intellectual Aptitude (GIA)**

At all levels, gifted learners are provided instruction via appropriately differentiated curriculum and instruction that is responsive to the educational needs of the student. Program options are available to gifted learners at the elementary, middle, and high school levels. At all educational levels, the gifted program is grounded in the Virginia Standards of Learning and is differentiated and expanded to meet the needs of gifted learners based on academic performance and student needs. Curriculum resources and gifted instructional approaches offer concept-based learning experiences, focusing on universal themes in kindergarten through grade twelve. Each comprehensive school employs a full-time gifted resource teacher (GRT) who is trained and endorsed in understanding gifted characteristics, using specific instructional strategies, and developing specialized curricula designed to meet the needs of gifted learners. GRTs collaborate with classroom teachers to differentiate curriculum and instruction to meet the intellectual and social-emotional needs of students so teachers are supported in delivering differentiated instruction.

#### **2. Talent Development**

All K-2 **(grade 2 talent development implemented 25/26 SY)** students participate in gifted services as provided by the elementary GRT in partnership with classroom teachers. Collaboration between the K-2 teachers and the school's GRT allows for the planning and delivery of extension activities, and whole group and small group lessons based on readiness, academic performance, interest, and/or learning profiles.

#### **3. Emerging Scholars Initiative (ESI)**

ESI is a multifaceted program designed to improve the identification of underrepresented student populations and the delivery of gifted program services in schools that qualify or have recently qualified for Title I services. The ESI program identifies culturally, linguistically, economically, and/or diverse students with high academic potential using a strengths-based approach to prepare students to engage in challenging subject matter and rigorous courses in upper elementary school and beyond. Curriculum and instruction, teacher professional learning, parent/guardian education, and community partnerships are the core components of the ESI program.

In addition, VBCPS partners with local museums to provide cultural experiences for ESI students and their parents/guardians. The program, **Students And Parents Learning INtellectual**

Growth Strategies (SAPLINGS) provides another avenue to observe, collect data, and provide opportunities to nurture and identify potential in students. Classroom teachers, GRTs, and docents in the museums observe students in this unique setting and provide anecdotal information as well. The classroom teachers and GRTs receive training on how to identify gifted characteristics prior to the field trip to assist in the identification of underrepresented populations of students.

The primary aim of Project E-Ignite is to utilize the Jacob K. Javits grant-funded program by serving underachieving, twice-exceptional, culturally, linguistically, economically, and/or diverse students through its ExCEL PBL Initiative Model (ExCEL Model) for middle school students.

#### **4. Elementary and Middle School**

Students identified as intellectually gifted in grades three through eight (grades 2-8 during 24/25 SY; grades 3-8 implemented 25/26 SY) receive services through the gifted resource-cluster program in their comprehensive neighborhood school. The gifted resource-cluster model provides differentiated instructional and curricular experiences with gifted cluster teachers who work with gifted-identified students and a GRT.

#### **5. High School**

The high school gifted resource-cluster program offers services to students through coaching and collaborative planning with teachers and by facilitation of elective courses. These services provide resources, support, guidance, specialized curricula, and instructional strategies as well as whole-group and small-group instruction.

GRTs in each of the comprehensive high schools and academies serve as advocates for gifted learners as well as instructional coaches for teachers. The formation of cluster classrooms is at the discretion of the high school principal, who must determine the most appropriate teachers, courses, and sections for cluster classrooms. While cluster grouping of gifted learners is expected in grades nine and ten, it is an option for schools to extend clustering to grades eleven and twelve.

GRTs also teach elective courses in an online, blended format, allowing students to research and discuss selected topics. Think Tank (grades 9-10) offers students the opportunity to think critically about current social, political, economic, and environmental issues. S.P.A.R.K.S. (grades 11-12) allows students to engage in a course designed to encourage the discovery and discussion of new and invigorating ideas, the development of critical thinking skills, and the synthesis of complex issues. Online and face-to-face discussions encourage students to make connections and explore relationships among different disciplines. Independent Study (grades 9-12) is an option that allows students to pursue self-initiated, academically advanced study projects in their identified special interest areas. Principal and GRT approval are required for students to participate.

In partnership with school counselors, GRTs help students identify additional core and elective courses aligned with students' goals. These student-driven pathways allow students to enrich their academic experiences and explore work-based learning opportunities.

The following options are application-based. Students may also apply to be considered for enrollment in the following:

**6. Old Donation School**

ODS is a school that houses a GIA program (grades 3-8) **(implemented 25/26 SY)**, gifted dance program (grades 3-8), and gifted visual arts program (grades 3-5) for gifted learners who demonstrate advanced levels of performance and evidence of potential to be successful in a rigorous learning environment where the core curriculum and pacing provided are compacted and accelerated. Limited seats are available; therefore, enrollment at ODS is application-based. No single criterion determines an applicant's rating, and there is no guarantee a specific rating will result in a student being selected to attend ODS.

Curriculum and instruction encompass all objectives found in the Virginia Standards of Learning, expanding and extending specifically to meet the needs of gifted learners. The content of the courses is compacted and extended so students are not only accelerated but are also covering material in more depth, when appropriate. More information can be found on the [ODS school website](#).

**7. Gifted Visual Arts/Dance**

Students in grades 2 through 7 may apply in grades 3 through 8 for gifted visual arts and dance programs. In grades 3-5, the structure for both gifted visual arts and dance is a once a week pull-out program housed at ODS. For visual arts in grades 6-8, the program is embedded in the middle school schedule, and students who wish to participate are enrolled at Virginia Beach Middle School. For dance in grades 6-8, students continue with the once a week pull-out program at ODS. Both programs have units of study and standards that are built during the year and over the entire time the student is enrolled in the program.

Students in grades 9-12 who attend the Governor's School for the Arts (GSA) in Norfolk, Virginia spend the mornings at their comprehensive neighborhood school or high school academy. They are given the option to provide transportation or use transportation provided by the school division to attend GSA for the second half of the school day. Students attend classes at GSA daily and receive instruction in their area of focus that builds in rigor and complexity over time.

Note: Although gifted identification is not required for application to the program, students who are accepted will automatically receive gifted visual/performing arts identification by VBCPS. For more information, visit the GSA website at <http://www.gsarts.net>.

**B. Service Options Provide Instructional Time with Age-level Peers**

This section includes a description of the instructional strategies or program model that allows gifted students to interact with their age-level peers during the school day and week.

### **General Intellectual Aptitude (GIA)**

The gifted resource-cluster program is an arrangement in which a group (cluster) of identified gifted learners is assigned to a classroom with a gifted cluster teacher who collaborates with the GRT to provide differentiated curriculum and instruction. Students are assigned to cluster classrooms according to specific program guidelines. The gifted cluster teacher is responsible for delivering gifted services in partnership with the GRT. The GRT provides ongoing professional learning and instructional coaching support to gifted cluster teachers to enhance the curriculum and implementation of differentiated instruction in the classroom. This ensures cluster teachers are supported in delivering advanced differentiated instruction when the GRT is not present in the classroom. The GRT also provides direct instruction to students in cluster classrooms, working with the entire class or small groups of gifted and high academic-ability students who have indicated mastery of skills. Additionally, the gifted resource teacher and other staff may pull specific students out of class to deliver small group instruction, based on academic performance. The gifted resource-cluster program provides opportunities for gifted learners to work independently, with intellectual peers, and with age-level peers. Principals follow program guidelines and examine gifted students' data and needs to develop gifted cluster classroom student assignments.

### **Gifted Visual Arts/Dance**

All gifted visual arts and dance programs are part-time, and students are grouped within those programs with others of similar age and ability. Students still have academic core content classes with their age-level peers at their comprehensive schools at times when they are not in gifted visual arts or dance classes.

## **C. Service Options Provide Instructional Time with Intellectual and Academic Peers**

This section includes a description of the instructional strategies used in the division to accelerate and enrich the content for gifted students beyond the grade-level or course expectations for all students. The description should include how these academic needs are met during the school day and week.

### **General Intellectual Aptitude (GIA)**

Acceleration may take the form of advancement in grade level or it may be an advancement in a particular course, unit, or area of study. For example, elementary students can work in a pull out model with the GRT when data shows mastery of content within a unit of study. Enrolling in credit-bearing courses at the middle school level enables students to enter high school with credits toward a standard or advanced studies diploma. Providing students with honors and/or advanced curricula at the secondary level is another method for accelerating their learning. High school students have the opportunity to take courses at community colleges while still in high school and enroll in corresponding courses or online courses. Students take advanced placement and dual enrollment courses as a means of accelerating the high school learning experience and preparing them for various post-secondary pathways.

Grade Level Acceleration: Parents who wish to examine acceleration to the next grade level while students are in elementary school should follow the process for examining this

possibility as outlined in School Board Regulation 5-27.1. Students do not have to be identified as gifted to be accelerated early.

[Compacting curriculum](#) is another instructional strategy that is used frequently to allow students who have already mastered material or who can master the content more quickly to do so; thus, giving them time to engage in other content that they find more challenging or interesting (e.g., independent study).

Enrichment of curriculum allows students to explore the core curriculum with more depth and in a more complex manner. For example, problem-based learning presents gifted learners with complex problems that must be solved. This instructional strategy enables the students to tackle the complexities that will be facing them as citizens in a global community, as well as in their daily lives.

The [Glossary of Gifted Instructional Strategies and Resources](#) includes various methods and approaches utilized in VBCPS.

Refer to the [VBCPS K-12 Gifted and Advanced Academic Continuum](#) for more information.

#### **D. Service Options Provide Instructional Time to Work Independently**

This section includes a description of the instructional strategies or program model used in the division to allow gifted students to work independently during the school day and week.

##### **General Intellectual Aptitude**

Independent Investigative Methods (grades 3-8) or Independent Study (grades 9-12) provides students an opportunity to design their own learning experience in an area of interest. This allows students to pursue self-initiated, academically advanced studies in special interest areas. Students identify a problem, conduct an investigation, and present their findings for evaluation. Although technology may be leveraged for research and to compose a presentation, a balance of non-digital and digital learning is emphasized to ensure students do not solely rely on technology for independent learning opportunities.

Problem-based learning allows students and teachers to identify real-world problems to be investigated through a research process authentic to the discipline (e.g., scientific research, hands-on experiments and creation, academic collaboration and discourse, and historical research).

Differentiation adapts curriculum and instruction according to content, pacing, student performance, and interest to meet the unique needs of each gifted learner.

#### **E. Service Options Foster Intellectual and Academic Growth**

This section includes a description of the instructional strategies used in the division to foster intellectual and academic growth during the school day and week.

##### **General Intellectual Aptitude & Gifted Visual Arts/Dance**

The [Glossary of Gifted Instructional Strategies and Resources](#) includes various instructional strategies, methods, and approaches that are utilized in VBCPS.

#### **F. Procedures for Assessing Academic Growth in Gifted Students**

This section includes a description of the procedures used by the division to assess the academic growth for gifted students.

##### **General Intellectual Aptitude & Gifted Visual Arts/Dance**

Gifted learners are assessed using both formal and informal measures, including diagnostic, performance-based, formative, summative, and authentic assessments. Assessment is ongoing and provides data for teachers to make informed decisions about student readiness levels, interests, and learning styles of their students.

The Gifted Benchmarks for gifted learners include specific curricular and instructional goals for students who are identified for intellectually gifted services.

Parents/guardians and adult students are informed of student academic performance through parent conferences, report cards, and/or gifted resource teacher student performance updates.

**Part VII: Program of Differentiated Curriculum and Instruction (8VAC20-40-60A.11)**

The *Regulations Governing Educational Services for Gifted Students* defines appropriately differentiated curriculum and instruction as curriculum and instruction adapted or modified to accommodate the accelerated learning aptitudes of identified students in their areas of strength. Such curriculum and instructional strategies provide accelerated and enrichment opportunities that recognize gifted students' needs for (i) advanced content and pacing of instruction; (ii) original research or production; (iii) problem finding and solving; (iv) higher level thinking that leads to the generation of products; and (v) a focus on issues, themes, and ideas within and across areas of study. Such curriculum and instruction are offered continuously and sequentially to support the achievement of student outcomes, and provide support necessary for these students to work at increasing levels of complexity that differ significantly from those of their age-level peers. This section provides a description of the school division's appropriately differentiated curriculum and instruction demonstrating accelerated and advanced content for gifted students.

**General Intellectual Aptitude**

Gifted learners are provided instruction via programming that is responsive to the educational needs of the student. Program options are available to gifted learners at the elementary, middle, and high school levels. At all educational levels, the gifted program is grounded in the Virginia Standards of Learning and the general education curriculum but is differentiated, enriched, and extended to provide appropriate learning challenges for gifted learners. Concept-based curriculum and instruction focus on major universal themes in kindergarten through grade twelve. Depth and complexity strategies are utilized to appropriately challenge and intellectually stimulate gifted learners. The level and pace of instruction is dependent on the readiness level and academic performance of the student.

The VBCPS comprehensive curriculum encourages inquiry, innovation, critical thinking and real-world application of learning to support students in becoming productive citizens and acquiring the skills portrayed in the division's Graduate Profile. The curriculum goals that drive the benchmarks for gifted programs K-12 are:

- develop an understanding of systems for knowledge, themes, issues, and problems that frame the external world;
- develop critical thinking, creative abilities, and problem-solving skills; and
- develop metacognitive skills that foster independent and self-directed learning in order to develop self-understanding.

All curriculum is rooted in the concept of differentiation to meet the needs of gifted learners. Differentiation is the process of modifying learning experiences based on a student's readiness level, interest level, and learning profile. The principles of differentiation guide the modification of the following five key areas based on the work of Carol Tomlinson: content, process, product, learning environment, and affect. More information on differentiation can be found [here](#).

The gifted instructional program should:

- incorporate advanced, accelerated, conceptually challenging, and age-appropriate complex content;
- promote student problem-solving skills (inquiry, critical/creative thinking, research, global competence) to develop productive leadership skills;
- integrate culturally responsive, interdisciplinary, and personalized learning experiences;
- support social-emotional and intellectual growth of a unique and diverse population of K-12
- gifted learners, including all reporting groups (e.g., students with disabilities who are twice

- exceptional learners);
- provide opportunities for gifted learners to develop and strengthen their sense of self (e.g., goal setting, resiliency, self-advocacy) and their communication and collaboration skills; and
- integrate technology tools or digital resources that differentiate to meet the needs of gifted learners and empower them to communicate responsibly and creatively.

Progress monitoring should:

- consist of a variety of pre-assessments, formative assessments, and summative assessments to develop differentiated instruction;
- focus on performance-based assessments and utilize rubrics when appropriate;
- build student agency through goal-setting and developing metacognitive thinking; and
- be communicated to parents during parent conferences, report cards, and/or gifted resource teacher student performance updates.

Collaborative partnerships include:

- regular communication with stakeholders regarding gifted teaching and learning;
- collaborative planning between gifted cluster teachers, gifted resource teachers, and other building specialists to support the delivery of effective instruction;
- community partnerships to engage students in authentic learning experiences; and
- division and school-based professional learning and job-embedded coaching related to gifted instruction, gifted curriculum resources, and how to support the needs of gifted learners.

Acceleration and curriculum compacting are additional models that enable teachers to meet the needs of gifted learners, as outlined in [Part VI, Sections B and C](#).

The [Glossary of Gifted Instructional Strategies and Resources](#) includes various instructional strategies, methods, and approaches that are utilized in VBCPS.

To support the delivery of instruction, professional learning to build the capacity of gifted resource and cluster teachers is provided by the Office of Gifted Programs. Gifted resource teachers build the capacity of school staff and administrators within their buildings through collaborative planning sessions, data analysis meetings, job-embedded instructional coaching, modeling lessons, and co-teaching.

### **Visual Arts**

The Gifted Visual Arts Program curriculum integrates aesthetic perception, creativity, and skill development through visual arts objectives. Within each unit of study, students explore conceptual themes through the lens of two-dimensional art, three-dimensional art, color, and innovation in the arts. Students create art with meaning that involves the understanding of the theories of art, including design concepts, as well as art history, appreciation, and criticism through personal and collaborative projects.

### **Gifted Dance**

The Gifted Dance Program curriculum integrates aesthetic perception, creativity, and skill development through dance objectives. Within each unit of study, students explore conceptual themes through the lens of the language of the discipline.

**Part VIII: Policies and Procedures for Access to Programs and Advanced Courses  
(8VAC20-40-60A.12)**

This section provides the school division's policies and procedures that allow access to programs of study and advanced courses at a pace and sequence commensurate with the learning needs of the gifted student.

**General Intellectual Aptitude (GIA)**

All students determined eligible for gifted services for GIA in grades K-12 qualify for services in their comprehensive neighborhood school gifted resource-cluster program. School Board Policy 6-31 Gifted Programs provides the School Board policy for the instruction of gifted students. The information that follows describes access and procedures germane to this policy.

**Continuum of Services:** The gifted resource teacher (GRT), in collaboration with the gifted cluster classroom teacher, must regularly differentiate the general education curriculum to meet the needs of each gifted student in the comprehensive neighborhood school, ensuring a match between a student's capabilities and the gifted services delivered as described in [Part VI: Evidence of Appropriate Service Options](#). As students move into middle and high school, they have additional opportunities to enhance and personalize their gifted pathway.

VBCPS implements the following programs in an effort to identify underrepresented populations of gifted learners:

- Emerging Scholars Initiative (ESI)
- Students And Parents Learning INtellectual Growth Strategies (SAPLINGS)
- Project E-Ignite
- Collaboration with the Office of Programs of Exceptional Children (OPEC) and Psychological Services

Elementary school - Students are provided differentiated instruction to meet their diverse needs and ensure there is a match between a student's capabilities and gifted services. Opportunities are provided for enrichment and extension, data-driven small group instruction, and differentiated independent learning experiences. The pace in gifted cluster classes is rapid, with students exploring subjects in greater depth, with additional intensity, and through a conceptual lens.

Middle school - Students have the opportunity to take advanced classes in English, science, and mathematics and may begin a foreign language. The pace in advanced and/or gifted cluster classes is rapid, with students exploring subjects in greater depth, with additional intensity, and through a conceptual lens. Successful completion of advanced courses in middle school enables students to take advanced classes in high school, whether as part of advanced placement courses or at one of the high school's advanced academic or academy programs.

High school - Students at the high school level have access to career and technical education centers, academies and advanced academic programs, honors and Advanced Placement courses, and college-level dual enrollment courses. Advanced academic programs and academies provide a rigorous curriculum and authentic learning experiences. Applications for these programs do not require gifted identification. More information about the high school academies in VBCPS can be

found here: <https://www.vbschools.com/academics/academies>. Advanced placement and dual enrollment courses allow students the opportunity to further develop requisite post-secondary skills and earn industry credentials along with college credit while attending high school.

### **Gifted Visual Arts/Dance**

Gifted Dance (grades 3-8) - Education in the art of dance teaches kinesthetic learners how to access knowledge through movement. Creative thinking, critical thinking, and problem-solving skills are taught using collaborative and innovative processes which can transfer to other areas of academic curricula. Students participate in in-depth performance units taking on roles of the discipline as choreographer, producer, designer, and collaborator. Students work collaboratively with teachers and/or peers to create original products with the opportunity to display work to real audiences. Physical skill development is nurtured as well as knowledge of dance theory, history, performance, presentation, and critical thinking using choreographic and collaborative tools.

Gifted Visual Arts (grades 3-8) - The Gifted Visual Arts Program integrates aesthetic perception, creativity, and skill development through visual arts objectives. Within each unit of study, students explore conceptual themes through the lens of two-dimensional and three-dimensional art, color, and innovation in the arts. Students create art with meaning which involves the understanding of the theories of art, including design concepts, as well as art history, appreciation, and criticism through personal and collaborative projects.

Governor's School for the Arts (grades 9-12) - Students in grades nine through twelve are eligible to attend the Governor's School for the Arts in Norfolk, Virginia. Students are identified as gifted in the visual or performing arts upon acceptance to the Governor's School for the Arts. More information can be found online at <https://www.gsarts.org/admissions>.

For more information about access to programs and advanced courses, please view the [VBCPS K-12 Gifted and Advanced Academic Continuum](#).

**Part IX: Personal and Professional Development (8VAC20-40-60A.13)**

School divisions must provide evidence of professional development based on the following teacher competencies outlined in 8VAC20-542-310 below.

1. Understanding of principles of the integration of gifted education and general education, including:
  - a. Strategies to encourage the interaction of gifted students with students of similar and differing abilities; and
  - b. Development of activities to encourage parental and community involvement in the education of the gifted, including the establishment and maintenance of an effective advisory committee.
2. Understanding of the characteristics of gifted students, including:
  - a. Varied expressions of advanced aptitudes, skills, creativity, and conceptual understandings;
  - b. Methodologies that respond to the affective (social-emotional) needs of gifted students; and
  - c. Gifted behaviors in special populations (i.e., those who are culturally diverse, economically disadvantaged, or physically disabled).
3. Understanding of specific techniques to identify gifted students using diagnostic and prescriptive approaches to assessment, including:
  - a. The selection, use, and evaluation of multiple assessment instruments and identification strategies;
  - b. The use of both subjective and objective measures to provide relevant information regarding the aptitude/ability or achievement of potentially gifted students;
  - c. The use of authentic assessment tools such as portfolios to determine performance, motivation/interest and other characteristics of potentially gifted students;
  - d. The development, use, and reliability of rating scales, checklists, and questionnaires by parents/guardians, teachers and others;
  - e. The evaluation of data collected from student records such as grades, honors, and awards;
  - f. The use of case study reports providing information concerning exceptional conditions; and
  - g. The structure, training, and procedures used by the identification and placement committee.
4. Understanding and application of a variety of educational models, teaching methods, and strategies for selecting materials and resources that ensure:
  - a. Academic rigor through the development of high-level proficiency in all core academic areas utilizing the Virginia Standards of Learning as a baseline;
  - b. The acquisition of knowledge and development of products that demonstrate creative and critical thinking as applied to learning both in and out of the classroom; and
  - c. The development of learning environments that guide students to become self-directed, independent learners.
5. Understanding and application of theories and principles of differentiating curriculum designed to match the distinct characteristics of gifted students to the programs and curriculum offered to gifted students, including:
  - a. The integration of multiple disciplines into an area of study;
  - b. Emphasis on in-depth learning, independent and self-directed study skills and metacognitive skills;
  - c. The development of analytical, organizational, critical, and creative thinking skills;
  - d. The development of sophisticated products using varied modes of expression;
  - e. The evaluation of student learning through appropriate and specific criteria; and
  - f. The development of advanced technological skills to enhance student performance.
6. Understanding of contemporary issues and research in gifted education, including:
  - a. The systematic gathering, analyzing, and reporting of formative and summative data; and
  - b. Current local, state, and national issues and concerns.

Gifted education services are supported and strengthened through evidence-based professional learning to ensure educators of gifted learners are equipped with the skills and content knowledge necessary to meet the needs of gifted learners.

## **1. Understanding of principles of the integration of gifted education and general education**

The Office of Gifted Programs and content specialists from the Department of Teaching and Learning provide professional learning opportunities for teachers of gifted students, GRTs, and administrators in the following areas:

- data analysis
- balanced assessment
- differentiation across subjects
- integrated systems of support
- closing achievement gaps
- gifted instructional strategies
- curriculum development
- characteristics of gifted learners
- social-emotional growth
- parent/guardian partnerships

GRTs provide staff with professional learning opportunities through workshops, instructional coaching, co-teaching, and/or peer observations. Additionally, GRTs collaborate with gifted cluster teachers and staff at ODS to share specific curriculum resources and units, extensions, enrichment activities, and differentiated lessons.

## **2. Understanding of the characteristics of gifted students**

All GRTs and staff at ODS participate in an introductory professional learning course, *Jumping into the Role of the Gifted Teacher*, which includes training on the characteristics of gifted learners. VBCPS requires GRTs and instructional staff at ODS to obtain a gifted endorsement from a higher education program which includes a course on the introduction and identification of giftedness. VBCPS supports GRTs and instructional staff at ODS in obtaining the endorsement, as funding is available.

A division-wide emphasis on social-emotional and mental health supports the work of meeting the affective needs of the gifted population. Ongoing professional learning includes topics related to meeting the needs of all gifted learners, including underachieving, twice-exceptional, culturally, linguistically, and/or economically diverse gifted students.

Twice-exceptional learners exhibit significant characteristics of both giftedness and disability. In an effort to identify students who are twice-exceptional learners, the Office of Gifted Programs has collaborated with the Office of Programs of Exceptional Children (OPEC), the Office of Student Support Services, and the Office of Psychological Services to provide professional development. Collectively, these offices have participated in the identification processes of students who may also be eligible for special education services or Section 504

accommodations. In addition, professional learning is developed and facilitated in partnership with OPEC for GRTs, special education teachers, administrators, and general education teachers.

**3. Understanding of specific techniques to identify gifted students using diagnostic and prescriptive approaches to assessment**

Refer to [Part III](#) of the plan.

**4. Understanding and application of a variety of educational models, teaching methods, and strategies for selecting materials and resources**

VBCPS' gifted curriculum and instructional approaches utilize a combination of several gifted education models and other research-based gifted instructional practices. A variety of resources are provided to gifted cluster teachers, ODS teachers, and GRTs to ensure they have research-based resources to meet the needs of gifted learners. VBCPS has a strong focus on balanced assessment and differentiation within its comprehensive curriculum, grounded in the VBCPS Teaching and Learning Framework (Plan-Teach-Assess-Respond), to ensure data-informed instruction is provided to all learners, including gifted learners. See [Glossary of Gifted Instructional Strategies and Resources](#)

**5. Understanding and application of theories and principles of differentiating curriculum designed to match the distinct characteristics of gifted students to the programs and curriculum offered to gifted students**

Ongoing professional learning is provided to build the capacity of educators and increase understanding of the alignment between gifted characteristics, student performance data, and student interest to make appropriate instructional decisions for gifted learners. Professional learning on strategies that evoke student inquiry, independent thinking, goal-setting, critical thinking, and creative production is embedded. Professional learning regarding small group instruction based on student readiness and data is utilized to differentiate across the content areas, and independent learning experiences may also be differentiated based on student performance. Students may also utilize technology to develop sophisticated products or to personalize their experiences. Workshops, webinars, coaching cycles, new GRT and ODS staff mentoring, monthly GRT meetings, and professional learning communities at ODS are all examples of how VBCPS delivers high-quality professional learning.

**6. Understanding of contemporary issues and research in gifted education**

Professional learning provides evidence-based research approaches and resources developed in collaboration with local and national experts. All professional learning workshops are in alignment with the division's strategic framework goals. The division's strategic framework emphasizes learning environments that support the physical and mental health and social-emotional skills of students to become balanced, resilient citizens who are personally and socially responsible. In alignment with the attributes of the VBCPS Graduate Profile,

VBCPS focuses on growing students' knowledge, resilience, communication, and collaboration skills, and ensuring they become personally and socially responsible. Teachers of gifted students have been trained in data collection, analysis, and integrated systems of support to ensure all learners succeed. Training is provided to address underachievement in gifted learners.

Professional learning communities are also utilized for staff and administrator collaboration and consideration of evidence-based research and gifted instructional strategies with a focus on the cognitive and affective needs of gifted learners. Data is analyzed, with a team approach, to determine how to differentiate instruction to meet the needs of gifted learners. GRTs who are in years one and two of their role and ODS staff new to VBCPS are assigned a mentor within the division. Current and future professional learning will address effective instructional coaching pedagogy, balanced assessment, closing achievement gaps, gifted advocacy, social-emotional needs of gifted learners, and differentiation strategies to meet the academic needs of all gifted learners.

**Part X: Procedures for Annual Review of Effectiveness (8VAC20-40-60A.14)**

This section provides the procedures for the annual review of the effectiveness of the school division's gifted education program, including the review of screening, referral, identification, and program procedures toward the achievement of equitable representation of students, the review of student outcomes and the academic growth of gifted students. School divisions may decide to focus on one or more areas to review each year. However, reviews shall be based on multiple criteria and shall include multiple sources of information.

The VBCPS Community Advisory Committee for Gifted Education (GCAC) submits an annual report to the School Board outlining their recommendations and determination of the extent to which the plan for the previous year was implemented. The recommendations of the GCAC shall be provided, in writing, to the VBCPS Superintendent and the School Board within the annual report. The program shall be in compliance with the Code of Virginia and Regulations Governing Educational Services for gifted learners.

The annual report is based on the collective agreement and consensus of the majority of the GCAC. This shall include multiple sources of information provided to the GCAC for the purposes of the report, which will be comprised of the following:

- number of students referred, screened, and found eligible in each area served
- number of gifted learners participating in academies
- number of gifted learners taking AP and dual enrollment courses
- number of gifted learners receiving the IB diploma
- number of students referred and found eligible for GIA and VPA from each school for the current year
- percentage of gifted learners receiving pass/proficient and pass/advanced rates on the 3-8 grade Spring SOLs in reading and mathematics

**Part XI: Procedures for the Establishment of the Local Advisory Committee (8VAC20-40-60B)**

Each school division may establish a local advisory committee composed of parents, school personnel, and other community members who are appointed by the school board. This committee shall reflect the ethnic and geographical composition of the school division. This section should include the school division's procedures for the establishment of the local advisory committee for the gifted program if the division has elected to establish a committee.

Per the Virginia Code, school boards may appoint a local advisory committee on gifted education. Local advisory committees on gifted education annually review the local plan for the education of gifted, determine the extent to which the plan for the previous year was implemented, and submit their recommendations in writing directly to the school board and the superintendent.

VBCPS has established a Community Advisory Committee for Gifted Education (GCAC). The GCAC meets at least quarterly during the school year. Meeting dates, locations, agendas, and minutes are posted on the [VBCPS gifted family and community involvement](#) web page. Meetings are open to the public.

Every effort is made to ensure the membership is representative of the geography and demographics of the VBCPS school system and is composed of parents/guardians of gifted learners from the different school zones, school personnel, and other community members who are interested in gifted education. Community members who are interested in applying for a position where there is an open seat can complete an online application when it is posted on the [VBCPS Call to Action](#) website. The GCAC will review the applications for expertise, interest, and representation of the geographical composition of VBCPS. Recommendations will then be submitted to the School Board for approval and appointment.

**Part XII: Assurances (8VAC20-40-60A.6; A.7; A.8; A.9)**

In accordance with the *Regulations Governing Educational Services for Gifted Students*, the following assurance must be provided by the school division:

- Assurances that student records are maintained in compliance with applicable state and federal privacy laws and regulations;
- Assurances that (i) the selected and administered testing and assessment materials have been evaluated by the developers for cultural, racial, and linguistic biases; (ii) identification procedures are constructed so that those procedures may identify high potential or aptitude in any student whose accurate identification may be affected by economic disadvantages, by limited English proficiency, or by disability; (iii) standardized tests and other measures have been validated for the purpose of identifying gifted students; and (iv) instruments are administered and interpreted by trained personnel in conformity with the developer's instructions;
- Assurances that accommodations or modifications determined by the school division's special education Individual Education Plan (IEP) team, as required for the student to receive a free appropriate public education, shall be incorporated into the student's gifted education services; and
- Assurances that a written copy of the School Division's approved local plan for the education of the gifted is available to parents/guardians or legal guardians of each referred student, and to others upon request.

Pursuant to these requirements, I hereby certify that the school division is in compliance with this language.

# Local Plan for the Education of the Gifted Update

August 27, 2024

Department of Teaching and Learning

## Purpose

Provide the School Board with the proposed draft plan for the next Local Plan for the Education of the Gifted.

Review the most significant differences within the proposed plan as compared to the current plan.

# Action Steps Taken for Draft Plan Development

- Gathered feedback and recommendations from the Gifted Community Advisory Committee (GCAC)
- Gathered feedback from Local Gifted Plan Subcommittees
- Thoroughly reviewed:
  - National Gifted Programming Standards and VDOE Requirements
  - Available Funding
  - Gifted Student Data
  - Virginia School Divisions' Gifted Plans
- Collaborated with other Virginia School Divisions
- Gathered School Board Input

# School Board Retreat July 9, 2024

DRAFT COPY  
SUBJECT TO CHANGE

- Reviewed data of gifted students served in VBCPS
- Reviewed costs associated with gifted services
- Completed an activity for input on options in critical areas of the draft plan

# Administration Recommendation for Implementation Year

## Implementation 24/25 SY

DRAFT COPY  
SUBJECT TO CHANGE

- Grade 2 students may be referred for testing for gifted identification and may apply for ODS
- Identification process changes:
  - Shift identification process from grade 1 to grade 2 (this year will be the only year we would not screen all students in grade 2, as their screening took place last year)
  - Interview for grades 6-12
  - CoGAT used when an application is submitted for identification or ODS for students
- Use new selection process for ODS enrollment for the 25/26 school year

## Implementation 25/26 SY

- ODS will serve grades 3-8
- Screening will shift to grade 2 students

## Next Steps for Five Year Plan

- Continue to gather community input through public comment
- Return to the School Board for action on September 10

# Long-Range Facilities Master Plan

DRAFT COPY  
SUBJECT TO CHANGE

## ➤ Facility Condition Index (FCI):

- Industry benchmark used to compare the condition of building systems considering age and condition of individual systems, to assess the total FCI of the building
- Building systems include structural floors, roofing, fire protection, mechanical (HVAC), electrical, site utilities, interior finishes, & additional systems
- Each system's condition is weighted considering relative cost of replacement when calculating the total FCI of the building
- Building areas and systems of different ages have an FCI developed for each area and then factored together by their relative building area to provide a total "campus" FCI

## ➤ Educational Adequacy Factor (EAF):

- Industry benchmark used to assess how the building meets educational program delivery needs
- Evaluates space sizes, adjacencies, flexibility, quality, technology, and comfort of building spaces
- Building areas of different ages have an EAF developed for each area and then factored together by their relative building area to provide a total "campus" EAF

## ➤ Recent Observations of VBCPS Maintenance Team:

- Critical building systems, including roofing, HVAC, electrical, and plumbing, cause the greatest risk when deferring maintenance
- Deferred maintenance on these critical systems would be most costly at Princess Anne HS

# Deferred Maintenance

## **If...Williams ES Selected as Priority Replacement Project**

### Princess Anne HS Deferred Maintenance:

- **30 years** deferred maintenance: 16 years past + 14 years future
- 14 building systems being monitored to prevent failure, including roofs, HVAC (32 units), fire systems, and pump station components
- **Estimated cost is twice** as much as Williams ES over next 14 years

## **If...Princess Anne HS Selected as Priority Replacement Project**

### B.F. Williams ES Deferred Maintenance:

- **20 years** deferred maintenance: 4 years past + 16 years future
- 12 building systems being monitored to prevent failure, including roofs, plumbing, sewer, HVAC systems (8 units), and exterior brick
- **Estimated cost is half** as much as Princess Anne HS over next 16 years

# Questions

**Subject:** Resolution: National Hispanic Heritage Month **Item Number:** 14A1

**Section:** Consent Agenda **Date:** August 27, 2024

**Senior Staff:** Ty M. Harris, Director, Office for Diversity, Equity and Inclusion

**Prepared by:** Ty M. Harris, Director, Office for Diversity, Equity and Inclusion

**Presenter(s):** Ty M. Harris, Director, Office for Diversity, Equity and Inclusion

**Recommendation:**

That the School Board approve a resolution recognizing National Hispanic Heritage Month.

**Background Summary:**

Hispanic Heritage Month began as Hispanic Heritage Week under President Lyndon Johnson in 1968. Two decades later, the celebration was expanded by President Ronald Reagan to span a 30-day period beginning Sept. 15 each year. This date is significant because it marks the anniversary of independence of five Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. Additionally, Mexico, Chile and Belize also celebrate their independence days during the 30-day period.

During National Hispanic Heritage Month, we recognize the contributions made by and the important presence of Latino and Hispanic Americans to the United States while also honoring the heritages and cultures present in our city and schools.

The theme of the 2024 Hispanic Heritage Month, "**Pioneers of Change: Shaping the Future Together,**" encourages individuals to ensure that all voices are represented and welcomed to help build stronger communities and a stronger nation. It aligns with the school division's core values and the implementation of culturally responsive practices. This is accomplished by supporting a culture where we value differences and foster an environment where diversity of thought and contributions are acknowledged and affirmed.

In our efforts to culturally respond to the diverse populations that comprise Virginia Beach City Public Schools, we hereby recognize this important event which will take place Sept. 15 – Oct. 15, 2024 and encourage appropriate programs and activities that celebrate the contributions of Latino and Hispanic Americans.

**RESOLUTION**  
**National Hispanic Heritage Month**  
**September 15 - October 15, 2024**

**WHEREAS**, one of our nation's greatest strengths is its vast diversity, which enables Americans to see the world from many viewpoints; and

**WHEREAS**, National Hispanic Heritage Month honors the cultures and contributions of both Latino and Hispanic Americans; and

**WHEREAS**, Latino and Hispanic Americans embrace a deep commitment to family, community and education, and a perseverance to succeed and contribute to the shaping of the country and our City of Virginia Beach; and

**WHEREAS**, the 2024 Hispanic Heritage Month observance theme, "Pioneers of Change: Shaping the Future Together," invites us to reflect on the contributions Latino and Hispanic Americans have made in the past, and will continue to make in the future; and

**WHEREAS**, the School Board of the City of Virginia Beach recognizes the importance of culturally responsive education that embraces multicultural diversity within our school division;

**NOW, THEREFORE, BE IT**

**RESOLVED:** That the School Board of the City of Virginia Beach officially recognizes September 15 through October 15 as National Hispanic Heritage Month; and be it

**FURTHER RESOLVED:** That the School Board of the City of Virginia Beach encourages all citizens to support and participate in the various school activities available during National Hispanic Heritage Month; and be it

**FURTHER RESOLVED:** That a copy of this resolution be spread across the official minutes of this Board.

**Subject:** Resolution: Suicide Prevention Week, September 9-13, 2024 **Item Number:** 14A2

**Section:** Consent Agenda **Date:** August 27, 2024

**Senior Staff:** Danielle E. Colucci, Chief Academic Officer

**Prepared by:** Robert B. Jamison, Executive Director of Student Support Services

**Presenter(s):** Robert B. Jamison, Executive Director of Student Support Services

**Recommendation:**

That the School Board approve a resolution recognizing September 9-13, 2024 as Suicide Prevention Week.

**Background Summary:**

Virginia Beach City Public Schools values the importance of positive mental health to being a key component for optimal learning. In an effort to promote awareness that suicide is a major preventable cause of premature death, the American Association of Suicidology (AAS) in collaboration with the World Health Organization (WHO) and the International Association for Suicide Prevention (IASP), has set aside the week of September 8-13, 2024, as Suicide Prevention Week. Many national organizations go beyond this one week of recognition and share awareness and prevention resources throughout the entire month of September. Virginia Beach City Public Schools will recognize Suicide Prevention Week September 9-13, 2024. This approach is supported by the AAS as they believe we need to focus on suicide prevention every day, of every year. Our school division remains committed to assisting students, families, and our community. And we will assist our stakeholders by continuously spreading awareness, advocating for research funding, developing innovative and effective treatment tools, being kind, and helping to educate others on things like resources and warning signs.

Suicide is the 11<sup>th</sup> leading cause of death in the United States with one suicide occurring on average every 11 minutes. Suicide is the 3<sup>rd</sup> leading cause of death among 15 to 19 years-old's nationally, and the 10<sup>th</sup> leading cause of death in the state of Virginia. When suicidal behaviors are detected early, lives can be saved. Virginia Beach City Public Schools collaborates with many partners in the community such as state and local health departments, nonprofit organizations, academic institutions, and law enforcement agencies for strategies and activities to address suicide prevention and suicidal behaviors. School board members, superintendents, teachers, and parents working together can change the legacy of suicide and reduce the number of lives shaken by a needless and tragic death in our community.

**Resolution for Suicide Prevention Week**  
**Sept. 9-13, 2024**

**WHEREAS**, suicide is the 11<sup>th</sup> leading cause of deaths in the United States and the third leading cause of death among individuals between the ages of 15 and 19; and

**WHEREAS**, suicide is now the 10<sup>th</sup> leading cause of death in the state of Virginia; and

**WHEREAS**, suicide strikes without regard to locality, socio-economic status, ethnicity, religious preference, or age; and

**WHEREAS**, in the United States, one person dies by suicide every 11 minutes; and

**WHEREAS**, education, and community involvement are known to be the most crucial factors in preventing suicide; and

**WHEREAS**, the School Board of the City of Virginia Beach is focused on ways to educate students, families, and school staff about suicide and prevention of suicide; and

**WHEREAS**, Virginia Beach City Public Schools, through sustained and dedicated efforts, has implemented programs for all employees and students that recognize a deep commitment at all levels to raise awareness of suicide and its prevention.

**NOW, THEREFORE, BE IT**

**RESOLVED:** That the School Board of the City of Virginia Beach designates the week of September 9-13, 2024, as Suicide Prevention and Awareness Week in the Virginia Beach City Public Schools, and be it

**FURTHER RESOLVED:** That strategies and activities to address suicide prevention and suicidal behaviors be ongoing in Virginia Beach City Public Schools, and be it

**FURTHER RESOLVED:** That a copy of this resolution be spread across the official minutes of this Board.

**Recommendation:**

That the School Board approve Religious Exemption Case No. RE-24-01, RE-24-02, RE-24-03, RE-24-04 and RE-24-05.

**Background Summary:**

Administration finds documentation meets the threshold requirements stipulated in Virginia Code.

Virginia Code §22.1-254.B.1 states the following:

“B. A school board shall excuse from attendance at school:

1. Any pupil who, together with his parents, by reason of bona fide religious training or belief is conscientiously opposed to attendance at school. For purposes of this subdivision, “bona fide religious training or belief” does not include essentially political, sociological or philosophical views or a merely personal moral code”

Virginia Code § 22.1-254.D.1 states the following:

“D. A school board may excuse from attendance at school:

1. On recommendation of the principal and the division superintendent and with the written consent of the parent or guardian, any pupil who the school board determines, in accordance with regulations of the Board of Education, cannot benefit from education at such school”

## **Decorum and Order-School Board Meetings 1-48**

School Board of the City of Virginia Beach  
Bylaw 1-48

### **SCHOOL BOARD BYLAWS**

#### **Decorum and Order-School Board Meetings**

##### **A. Purpose of decorum and order during meetings**

The School Board determines that decorum and order are necessary during School Board Meetings. The purposes for maintaining decorum and order are:

1. to ensure that the affairs of the School Board and School Board Committees may be conducted in an open, safe and orderly manner during meetings;
2. that all persons signed up to address the School Board during public comment sections of meetings have the opportunity to do so in an orderly and respectful manner and without being interrupted;
3. that persons in attendance may observe and hear the proceedings of the School Board without distraction and interruption;
4. that students and other young audience members who attend or watch such meetings are not subject to inappropriate language or conduct;
5. that School Board Members and School Division employees or other agents can transact the business of the School Board and the School Division with minimal disruption.

##### **B. Limitations on addressing the School Board**

Persons addressing the School Board during public comment sections of the meeting shall:

1. Limit their comments to matters relevant to PreK-12 public education in Virginia Beach and the business of the School Board and the School Division.
2. Refrain from obscenity, vulgarity, profanity, and comments or actions with the intent to incite violence or other breach of peace.
3. Comply with the time limits and other rules for public comment set forth in the agenda or Bylaws.
4. During special meetings or public hearings, the School Board may set different rules or time limits for public comments.

##### **C. Other expressive activities during meetings**

1. Public comments during meetings limited to matters relevant to public education and the business of the School Board

At regular School Board Meetings, the School Board accepts public comment during designated sections of the Meeting Agenda. The public comment sections of School Board Meetings are limited public forums for the sole purpose of accepting comments from members of the public relevant to PreK-12 public education in Virginia Beach and the business of the School Board and the School Division. The

School Board does not accept other forms of public comment during Meetings or at those times immediately preceding or following a Meeting.

2. Expressive activities during meetings

To maintain decorum and order and conduct the business of the School Board and the School Division during meetings, expressive activities by members of the public in meetings will be limited or prohibited. On any day that a meeting is scheduled to take place, the School Board prohibits certain expressive activity, including but not limited to the following, expressive activities:

- Petitioning, demonstrating, picketing, pamphlet distribution, conducting polls, or solicitation in the Building where the Meeting is taking place
- Displaying or using signs, posters or other items brought into the meeting room that block the view of persons in or observing the meeting or create a safety concern. Possession of such items while in the meeting location will not be prohibited.
- Use of noise making devices
- Use of excessive cheering, booing, clapping, or similar activity that disrupts the meeting, as determined by the Chair or designee.
- Calling out or making comments when not called to address the School Board
- Intimidation, harassment or threats to persons in the meeting or who are entering or departing the meeting or the location of the meeting
- Instigating or attempting to instigate confrontations or other conduct for the purpose of disrupting the meeting
- Other conduct that violates decorum and order as determined by the Chair or designee

3. School Administration Building or other locations for meetings are not open public forums for public expression

The School Administration Building (or another building or location where a meeting is scheduled to take place) its grounds and reserved parking spaces are not open for expressive activities unless a facility use request or application has been approved by the Superintendent or designees. The Superintendent or designees are authorized to designate areas of the School Administration Building (or other building or location for a meeting), the grounds and parking lots that may be considered for facility use request or application. The Superintendent or designee are authorized to develop and implement regulations and/or procedures related to such facility use requests or applications.

**D. Other methods of communicating with the School Board**

The School Board encourages citizens and other interested parties to communicate with the School Board regarding matters related to public education. Due to the limited time scheduled to conduct business and the need to follow approved agenda items, School Board meetings may not be conducive for all forms of communication to the School Board. Persons seeking to communicate with the School Board may contact School Board Members through other methods of communication, including [SchoolBoard@VBCPSBoard.com](mailto:SchoolBoard@VBCPSBoard.com) or email individual School Board Members in addition to those provided at School Board meetings.

This Bylaw does not preclude persons addressing the School Board from delivering the School Board or its Clerk written materials including reports, statements, exhibits, letters, or signed petitions prior to or after a Meeting. While public speakers are addressing the School Board, they may not approach the School Board to hand out

items but will instead be directed to leave items with the Clerk or designee for the School Board to consider after the Meeting.

This Bylaw does not preclude persons called to address the School Board during public comment sections from using a chart, graph or other item during their public comments so long as that item does not interfere with the School Board and other persons observing the Meeting from hearing or seeing the speaker and the item does not create a safety issue or otherwise violate the decorum and order rules. Furthermore, nothing herein shall be interpreted to prohibit members of the public from communicating with the School Board or the School Administration on matters relevant to PreK-12 public education in Virginia Beach and the business of the School Board and the School Division at times other than meetings.

- E.** The Chair with the assistance of the Superintendent or their designees shall preserve decorum and order in the room where the Meeting is taking place and shall decide all questions of decorum and order during the Meeting. School Board Members may vote to overrule the Chair's or designee's decision at the time that the Chair or designee makes the decision. The Chair or designee is authorized to work with the Superintendent, designees, law enforcement and authorized agents to maintain order and decorum prior to the start of, during and immediately after any Meeting.
- F.** The School Administration, law enforcement and authorized agents will have responsibility for maintaining decorum and order outside of the Meeting room and outside of a building where a meeting will be or is taking place.
- G.** No person attending a meeting of the School Board, in any capacity, shall use, or allow to sound, any device in a manner that disrupts the conduct of business within the room in which the School Board or a Committee thereof is meeting. Notice of this restriction shall be posted outside of School Board Meeting Room and on the agenda for any School Board meeting.
- H.** At the request of the Chair or Superintendent or their designees, a city police officer or other law enforcement officer shall act as sergeant-at-arms at all School Board meetings.
