Dear Parents,

Many of you have contacted me about the notification emailed on Friday. Although the text message was not sent during school hours, as educators, we are still alert when it comes to keeping students safe at all times. I wanted to provide a resource available on the Willis ISD website about Tech Awareness. This insight will hopefully provide some guidance for you and your family.

Click [here](#) for video presentations and handouts about the following topics.

- Keeping Kids Safe In A Digital Age
- "Before You Text"
- Helping Our Kids Succeed In A Digital World
- Parent ProTech
- Parenting In A Tech Obsessed World

As a reminder, when students bring cellular devices, watches, etc...to school, all devices are turned off and will remain in the child's backpack for the duration of the school day.

Kind regards,

Mrs. Wilder
