Budget Narrative

UPPER LAKE UNIFIED SCHOOL DISTRICT

2024 – 2025 Annual Budget

Summary

The 2024 – 2025 Annual Budget Report is based on the best available information from the State of California at the time it was prepared. The Annual Budget Report is the first of four reports presented to the board over the course of the Fiscal Year.

State of California Budget: 2024 – 2025

The State of California Initial Budget, released in January of 2024, was what School Districts expected to hear, although not what we wanted to hear. The State was suffering from a large deficit that would affect the funding, not only for 2024 – 2025, but it had the ability to affect 2023 – 2024 as well.

Among the concerns were that no one in Sacramento seemed to agree on how large the deficit we would be facing was. The Department of Finance set the deficit for next year to be approximately $68 - $75 billion. The Governor's Office pinned it much lower; his office claimed it to be around $38 billion.

With most Districts expecting, at best, a 0% Cost of Living Allowance (COLA) for the 2024 – 2025 Fiscal Year or, at worst, a negative COLA. The latter would return our Base funding to less than it has been in prior years. This technique usually takes years to climb back from.

It seems that our COLAs and Base increases of more than 8% are behind us.

The May Revise press conference usually held by the Governor around the 14th was instead held on the 10th, due to the Governor's travel schedule. His annual revision, during which he usually spends about 30 minutes on the TK-14 Education Budget, instead spent no more than seven. His initial proposal was that Districts would be provided with a 1.07% COLA but would have their Base Funding reduced by $150.00/ADA. After all the math is done, our COLA would be approximately 0.11%. The full May Revision was released in paper form on the 14th as originally planned.

As of this writing, the news coming from the State Legislature and the Governor's Office haven't mentioned the $150.00 reduction again. We hope that is behind us, but we often do not find out what the State's end-of-year legislation looks like until August.

Although there have been many agreements between both branches, this budget will not be approved before the statutory deadline for the State of June 15th.

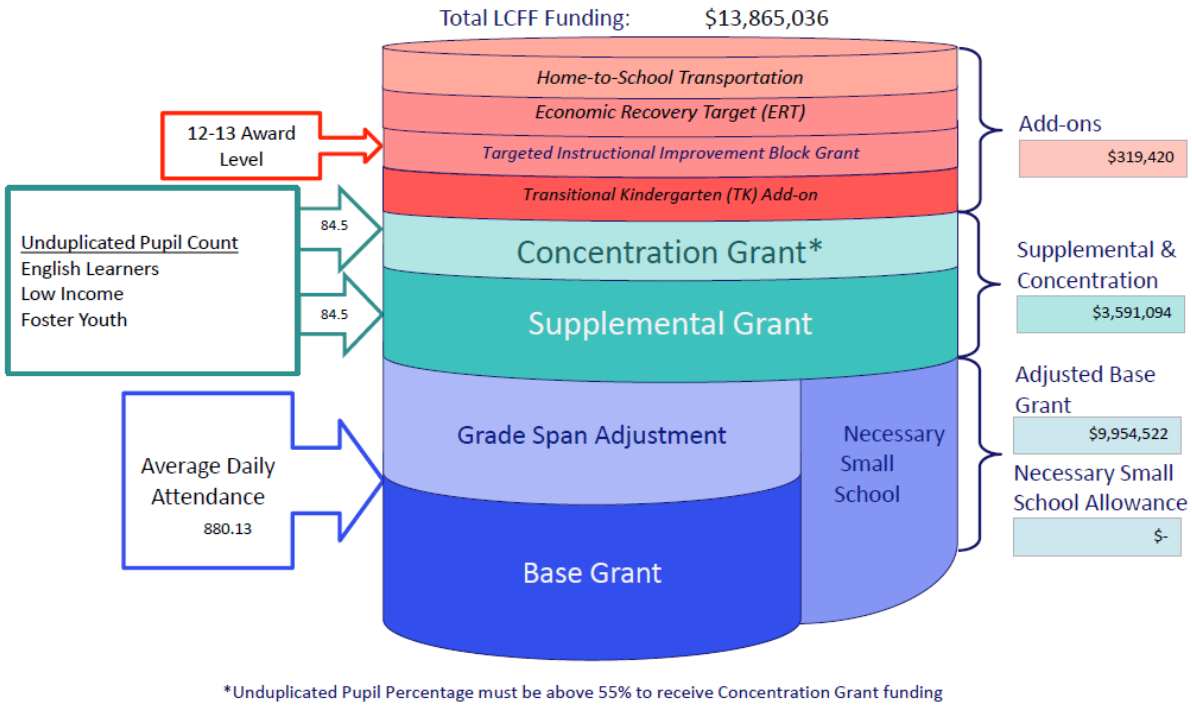
ULUSD Budget – 2023-2024

California School Districts use a complex funding mechanism known as the Local Control Funding Formula (LCFF), which is tied inextricably to the Local Control Accountability Plan (LCAP). The funding is driven by many different factors, such as Personal Income Taxes (PIT), Business Taxes, Sales Taxes, and Property Taxes. While those monies drive the revenue, the LCAP drives the expenditures.

In 2012, when the LCFF and LCAP was first implemented by then Governor Brown, the idea was to provide more local control to the school boards by way of added unrestricted money and less categorical (targeted grant monies) funds. It was the Governor's belief that local government understood their needs better than the State did.

With Governor Newsom, that philosophy has slowly been walked back, and we are beginning to see more categoricals than we have in the recent past. This means more reporting, less flexibility in spending, and less unrestricted funds.

Below you will see the breakdown of our LCFF Funding for 2024 – 2025. Many of the awards were capped at their 2012 level. Only recently have we seen growth in the area of Transportation.



*Unduplicated Pupil Percentage must be above 55% to receive Concentration Grant funding

The budget contained in these pages is what would be considered lean. Many of last year's items were reduced – some slightly, others significantly – which creates a budget with minimal planned deficit spending. The deficit spending is, by in large, due to the still unknown costs related to the second year of the North Shore Collaborative (NSC). Last year, with the number of services required and classroom equipment needed, we saw a number of large expenses we are not expecting this year. We have, however, budgeted for a moderate amount of purchases in the event they are needed.

The Deficit itself will be reduced during our closing of the books, as some of the accounts and purchase orders will be swept or closed respectively and this will increase our Beginning Balances for 2024 – 2025.

COVID Funding

As you probably are aware, our remaining COVID funds will expire on September 30, 2024. The District is currently on-track to spend the remainder of the funds, and nothing will be returned to the State.

Collective Bargaining

Collective Bargaining sessions for both CSEA and ULEA have been held for the 2024 – 2025 Fiscal Year, and it was agreed that all groups would review salaries again in January pending the release of the January Budget for 2025 – 2026. Both the Upper Lake Educators' Association and the California School Employees Association Chapter #427 were very accepting of the Economic Downturn and what that meant to the District, staff, and programs.

Multi-Year Projections

When reviewing the Multi-Year Projections (MYP) – a projection of revenue and expenses that help predict a District's direction and health – you can see that our deficit spending decreases over the next two years. It is our hope that we can eliminate the deficit spending all together, but *hope* is not a strategy. Messaging our needs and our limits to staff, students, and parents will be key to achieving that goal.

Challenges and Opportunities

The ongoing Economic Downturn, along with lingering inflation, will continue to require careful consideration during at least the next two Fiscal Years. Although COLA is projected for 2025 – 2026 to be 2.93%, we must remember that it was projected to be 3.94% for 2024 – 2025 and landed at 1.07%. As we move through the near future, the key to our success will be Zero-Based Budgeting and a continued effort from all staff and departments to keep an eye on spending. This will be at least two years of *needs* rather than *wants*.

An unexpected challenge is the salary increases provided for the current Fiscal Year. Although we understood this would mean some deficit spending for 2023 – 2024, we were counting on the full COLA increase for 2024 – 2025 to eliminate that over-expense. The increase isn't necessarily detrimental to the District in 2024 – 2025, but it is an issue which we will keep in mind as the year progresses.

The largest single factor over which we have control is student attendance. This year saw a healthy increase in our Average Daily Attendance (ADA), and if we can increase that percentage further, we will recognize increased revenue while at the same time decreasing our Chronic Absenteeism and providing students with a more comprehensive education.

Conclusion

Although Upper Lake Unified maintains a strong reserve, depending on how certain programs are fiscally altered or changes in personnel are required, we may see a dip in those reserves over the next three years. Our goal is to minimize the impact of the downturn and maximize our control over expenditures.

Explanation:
(required if NOT met)

The District is still recovering from Covid attendance issues. Although we are working to get everyone to school every day, it seems most prudent to project a flat enrollment and attendance.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's cost-of-living adjustment (COLA), plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's COLA, plus or minus one percent.

For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.

EXPLANATION FOR BALANCE

The District maintains a reserve above the state recommendation for the following reasons:

Maintain Cash Flow - With state mandated cash deferrals and shortfalls at the beginning of the school year, it is imperative to maintain budget liquidity.

Address Unexpected Costs - The District may encounter students with unique and special needs that exceed the immediate ability to pay.

Save for Large Purchase - This includes technology, textbooks, and equipment.

FOOTNOTES

**Assigned balances represent resources that are intended to be used for a specific purpose. Intent may be established by the governing board or a district official. Constraints may be imposed or removed before any budget adoption.*
