I understand that it is my duty to uphold the requirements set forth by the Tri-Valley Chapter of National Honor Society. If I do not adhere or uphold the requirements, my membership will fall under a probation period of one semester. At the end of the probation period, the National Honor Society Adviser, along with Administration will review my membership. I understand that the National Honor Society Adviser and Administration reserve the right to revoke my membership at any time, should an action require such consequences.

The Tri-Valley National Honor Society Requirements are as follows:

- Attendance: miss more than 3 meetings you are on probation: exceptions are extenuating circumstances
- 3.75 GPA; probation period
- 25 Service hours; probation period
- Maintain 4 pillars of honor society: if member receives disciplinary action with the office or law, membership will be under review by advisor and administration

Adviser: Sarah Meadows
