From: Manhattan

First Year at HM: The Threes

Favorite Class: I love history so my favorite class is Voices of Protest.

On Campus Activities: Varsity Golf Team, Saturday Morning Tutoring Program, Service Learning Team, Middle Division Mentoring, JASA Connect, Student Ambassador.

Favorite Spot on Campus:
Skate Park

Why HM?: Horace Mann fosters an intellectually curious and caring community that has allowed me to pursue my passions while benefitting from the support of the faculty and my peers. I have enjoyed having the opportunity to take interesting classes, join a broad range of clubs (and even start my own) as well as study in the library with friends and meet with my teachers about exciting concepts outside of class.

Favorite Book: *The Old Man and the Sea* by Ernest Hemingway

Favorite School Trip: Visiting the U.S. District Court for the Eastern District of New York with my history class.

Favorite In-Class Discussion: Acting out scenes from *Hamlet* with the Royal Shakespeare Company.

Favorite HM Event: My favorite HM event is the grade-wide annual Service Learning Day. This event has allowed me to engage with HM's community partners in the Bronx and participate in interesting and important service learning activities.
