## Class of 2025

**From:** Upper East Side

**First Year at HM:** Kindergarten

**Why HM?:** At HM, every student is continuously encouraged to be their authentic self. The school's collaborative environment, rich with resources and unwavering support, fosters intellectual curiosity and a genuine love for learning alongside faculty dedicated to seeing their students succeed. HM is full of diverse interests and aspirations, creating a vibrant community where students can truly thrive.

**Favorite Classes:** I've enjoyed all my courses at HM, but my favorites would have to be Cold War History and Physics.

**On Campus Activities:** Co-President of STAMPS, a tutoring program that supports students in math virtually, HM Yearbook Mannikin Editor, Service Learning Team Fellow, Summer on the Hill Elective Teacher

**Favorite Cafeteria Food:** I love chicken tender Tuesdays! The cafeteria is always buzzing with enthusiasm on those days, which makes lunchtime feel like a special occasion. It's a simple tradition but always ends up being one of my highlights of the week.

**Favorite Spot on Campus:** I love the first floor of the library. I've always enjoyed doing my work around other students. It's both a motivating and comforting space where I feel the collective focus and dedication of those around me.

**Favorite HM Tradition:** Homecoming! I love supporting the Lions and go Varsity Field Hockey!
