## Class of 2025

**From:** Mamaroneck

**First Year at HM:** Kindergarten

**Why HM?:** I love HM because of its tight-knit community and devoted faculty. As you walk down the halls, you will always see a friendly face saying hello and eager to hear about your day. Similarly, teachers are always happy to meet with students who either want to learn more about a certain topic or who are struggling. The people at HM make this school so special!

**Favorite Classes:** Each class at HM serves as space of collaboration, support, and curiosity. I have felt this most in Studies in French which is essentially an English or History class in French!

**On Campus Activities:** Varsity Volleyball, Cancer Awareness Club, *Spectrum* (science magazine), STAMPS (a tutoring program that supports students in math virtually)

**Out of School Activities:** Aequora: a program promoting literacy through Latin

**Favorite TV Show:** *Gossip Girl*

**Favorite Spot on Campus:** Alumni Field

**Best Food at the International Food Festival:** Vietnamese Iced Coffee
