SUBJECT: Disposal of Surplus Uniforms

DATE: August 6, 2024

TYPE: Action Required

New Stanwood High School (SHS) band uniforms were recently purchased using band funds raised through the SHS Booster Club, and they arrived over the summer. The old uniforms were purchased in 2007-08 with Associated Student Body (ASB) funds and donations from the Booster Club. Staff request approval to surplus the following uniforms per board policy 6881:

- Stanwood High School Band Uniforms:
  - 85 pairs of pants
  - 81 jackets
  - 90 shakos (marching band hats)

We anticipate that the uniforms will be offered for sale through a public event as an ASB fundraiser.

Board policy 6881 requires school board approval when disposing of district property when a single item has a value of \$5,000 or more, or multiple items have a total value of \$10,000 or more. Although we estimate that the surplus items do not exceed the total market value threshold, there is the possibility that a school fundraiser could bring in more. Therefore, this is a consent item rather than informational only that you typically see for surplus.

**Recommendation: It is recommended that the Board approve the surplus of Stanwood High School Band Uniforms.**
