Test Optional Admission for 2025-26

The University System of Georgia (USG) will continue the temporary waiver of test score requirements for Academic Year 2025-2026 (Fall 2025, Spring 2026, and Summer 2026) admission at 23 of the 26 USG institutions. *The temporary waiver does not apply to the Georgia Tech, UGA, or Georgia College and State University.*

https://www.usg.edu/announcements/usg_to_extend_temporary_test_optional_admission_for_academic_year_2025_2026

The 23 test optional schools will have 2 options to make admissions decisions:

1. Freshman Index: GPA + test scores for ACT or SAT
2. Test Optional: Use the high school grade point average on the required high school curriculum without a standardized test score at the following minimum grade point averages:
 - ▶ 3.4 for research universities: Augusta University and Georgia State University.
 - ▶ 3.2 for comprehensive universities: Kennesaw State, Georgia Southern, University of West Georgia and Valdosta State.
 - ▶ 3.0 for state universities: Albany State, Clayton State, Columbus State, Fort Valley State, Georgia Southwestern State, Middle Georgia State, Savannah State, and the University of North Georgia.
 - ▶ State colleges (Abraham Baldwin Agricultural College, Atlanta Metropolitan State College, College of Coastal Georgia, Dalton State College, East Georgia State College, Georgia Gwinnett College, Georgia Highlands College, Gordon State College and South Georgia State College) continue to be test optional in accordance with Board policy.

Take the SAT and/or the ACT

You don't *have* to take both!

- Take your college admissions tests before December. Later than that will be too late for fall admissions deadlines.
- Register online for the SAT at www.collegeboard.org and ACT at www.ACTstudent.org.
- **While** registering, indicate 4 schools to send scores for **FOR FREE**. Ordering scores later costs \$15/ea.
- Athletes may send scores to NCAA at this time using one of their 4 free sends
- Take the test more than once
- Always send your scores. Most colleges will “Superscore”
- Know your college application deadlines!
- Testing fee waivers are available for students who meet criteria. Visit official websites for details/ see counselor

What Matters?

How to Narrow Down the Choices

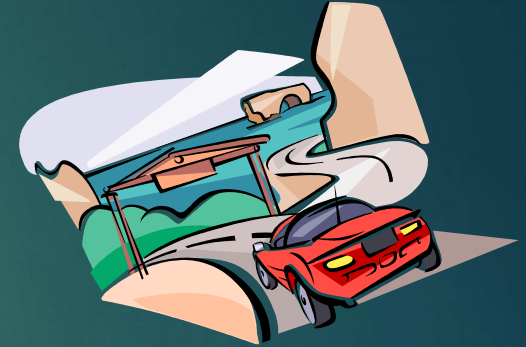

- Do I meet the entrance requirements?
- What setting? Urban/rural/small town
- Do I want to live at home or at school?
- Do they have my MAJOR??
- If I don't know my major, do they offer lots of degree choices?
- Extracurricular activities/sports teams
- Cost
- Safety
- Weather
- Campus transportation

Gather Information

College Visits

- Register at the college website
- Take an “official” free tour
- Group, individual, open house
- Visit the town too

College Fairs (one coming up on Nov 11th at MCHS)

- Go prepared with a list of questions that matter to you

Visit the college’s **official website**

Explore colleges and majors at www.GAfutures.org

Schedule an appointment with Mrs. Vanderpool, our college and career counselor. Her email address is:

kelli.vanderpool@gcpsk12.org

YOUR CAMPUS VISIT

- Visit the college website for details on free campus tours
- The Official Visit vs. the Drive-thru
- Read the college literature.
- Prepare a list of questions and ASK THEM
- Take an unofficial copy of your high school transcript and SAT/ACT scores. You may have the opportunity to visit with an admissions representative.
- Take pictures and jot down your impressions of the campus

Apply~Apply~Apply

When? Where? How many?

- Early action deadline is typically October 15th
- Regular admission deadlines vary greatly, typically January 1st for the more competitive schools
- We encourage students to apply by Thanksgiving!
- Apply at the school's website
- Apply on the Common App
- Apply at www.GAfutures.org
- Apply on your college visit
- Apply during **Apply to College Day at MCHS, November 6th!**
**limited time during school day
- Apply to more than one school!
- Choose carefully, all colleges require application fees

DREAM BIG (BUT HAVE A SAFETY NET!)

- **Reach Schools** – the most selective schools on your list (most likely your first and second choice).
- **Matching Schools** - those whose numbers (SAT/ACT and GPA) match your numbers. Your chances of being accepted are good, but not guaranteed.
- **Safety Schools** – a college that fits your needs. You would be a “shoe-in” for acceptance.
- You don't have to have final test scores to apply.
- Communicate with the admissions departments of your preferred schools! USE those 1-800-numbers

Do THIS not THAT

Do:

- ▶ Help your student choose a college that is right in terms of **his/her** motivation, skills, interests, abilities, needs, and personality.
- ▶ Discuss finances as a family. It is very important for the student to have a realistic understanding of the finances available.
- ▶ Help your student choose a college that offers the major he/she is interested in.
- ▶ LISTEN to each other and be flexible.

Do Not:

- ▶ Choose a college based on someone else's opinion. Your student must choose a college that suits him or her.
- ▶ For Students – Do not choose a college because your best friend, girlfriend, or boyfriend will be attending.
- ▶ For Parents – Do not pressure your student to apply to a college he/she is not interested in. This is not your journey 😊

OBSTACLES YOUR STUDENT MAY FACE

- ▶ Not knowing where to begin (just START!!!)
- ▶ Fear of taking a risk
- ▶ Fear of rejection
- ▶ Unrealistic expectations/fear of disappointment
- ▶ Feeling overwhelmed (senior year AND college apps?! YIKES!)
- ▶ Fear of change
- ▶ Procrastination
- ▶ Pressure to attend college or a “certain” college
- ▶ Fear of making the wrong decision
- ▶ Financial worries

HOPE/Zell coverage changed this year!

Information has been changing regarding the HOPE scholarship and the Zell Miller Scholarship and continues to change!

The changes impact THIS YEAR's college freshmen. *We are not yet sure of changes for next years' college freshmen, your seniors now.*

Right now, the HOPE Scholarship (reflecting the recent change) covers 100% of tuition at a public in-state school based on last years' tuition. Hopefully, Governor Kemp will approve this for next year as well, but that has not been determined yet. If approved for next year AND if the school does not have a tuition increase, then HOPE will cover 100% next year too. TBD

The Zell Miller Scholarship is still in existence! However, it is simply extraneous now as HOPE covers 100% of tuition. Should the HOPE coverage change in the future, the relevance of the Zell Miller Scholarship will return.

***no double-dipping, getting both of the above ☺*
