# MILLER MATTERS

NEMS Families,

It is GREAT to be back! The beginning of the school year is an exciting time and we are off to a tremendous start. Thank you to all of the families who have played a role in the smooth start.

Meet the teacher nights are just around the corner with 7th and 8th grade on Tuesday, August 6th and 6th grade on Wednesday, August 7th. Gate 1 will be open at 5:40 PM on both nights. Please know your student's grade level team name as well as their diversified arts, performing arts, and wellness teachers. Those are all accessible on PowerSchool. We will not have hard copies of schedules to distribute that night.

The format for the Meet the Teacher nights will consist of Team presentations in specific areas where you will hear from the grade-level core team teachers all at once. There will also be an "open house" format to see the diversified arts, performing arts, and wellness teachers in their areas. **Please pay close attention to the following information below about presentation times and locations for your student's grade level. We look forward to seeing you!**
