

Shadow Day **Host Agreement** 2024- 2025

Shadow Student:

Shadow Day/ Time:

Dear Shadow Day Host – (Keep this page)

Thank you for hosting a Two Rivers High School student for a Job Shadow Day. We are excited to be able to work with you and your team.

Purpose of a Shadow Day

Two Rivers students explore their interests through interviews, shadow days, internships, and projects. Spending time in their chosen field of interest allows for a real-world learning experience. These experiences are valuable to their education, giving kids a chance to test drive a career for a day.

Students will arrive at the Shadow Day site prepared with questions or ideas about what they'd like to learn. Below are tips for a meaningful Shadow Day.

Tips for a Meaningful Shadow Day

- Share the personal side of how you developed your interest.
- Demonstrate the work as much as possible, rather than just talking about it.
- Don't be afraid to show them the fun side—laughter is a great equalizer.

Shadow Day Details

- Students are responsible for supplying their own lunch, if the day includes a lunch break, and getting themselves to and from the work site.
- All hosts are pre-screened through our mandatory background check.
- All Parents/ Guardians have signed off on allowing their child to do the said Shadow Day.

Make sure you've completed the Background Check prior to hosting the student. If you have any questions, call, or email Chrissy Riley.
