ATTENDANCE

Attendance (OP 3122)

Attendance is the most critical aspect of student success. Excused absences for an illness, religious observance, school activity, or emergency are honored at the principal's discretion. Excused absences should be communicated as soon as reasonably possible. Unexcused absence of seven (7) days in a month or fifteen (15) days in a school year starts a truancy petition.

P rearranged Absences (OP 3122)

Absences may be pre-arranged in cases where parent(s)/guardian(s) have a compelling reason to have students out of school if the absence reason does not fit the approved excuses described above. If approved by the principal, it enables the student to continue school work with excused absences. Contact the school or call (509-573-5200) for assistance.

ARRIVAL AND DEPARTURE PROCEDURES

Bus Riding (OP 6600)

Bus riding is a privilege. Students must follow directions, remain quietly seated, be courteous, and observe no touching or fighting, littering, or vandalism. Student discipline may be assigned and recorded in the student's school discipline file. Transportation Services telephone (509) 573-7200.

STUDENT HEALTH, SAFETY, AND SUPPORT

Health Services (OP 3410)

Health Services are provided by school-certified registered nurses and classified health services support staff that are trained to work with students who have been exposed to disease, seriously ill, injured or facing emergencies. If there is an emergency, the following occurs in this order: (1) the student is stabilized, (2) emergency care is given, (3) 911 is called, and (4) parent(s)/ guardian(s) are contacted. Medications, equipment, and any necessary supplies are the financial responsibility of parent(s)/ guardian(s). Students with life-threatening conditions must have all medical support and health care plans in place before entry into school. Call (509) 573-5000 for assistance.

Life-Threatening Health Conditions and Medications (OP 3418)

Life-Threatening Health Conditions and Medications are governed by state law; required forms need to be completed and turned in before the first day of school to allow for an individualized care plan to be put into place for the student's health and safety. Students must have appropriate medication and/or treatment orders in place with all medications, supplies and equipment present at school prior to the student starting classes. Parent(s)/guardian(s) must provide these unless the district is required to provide them as a related service under federal law. Failure in these law-required steps will result in exclusion from school until the steps are accomplished. Call (509) 573-5000 for assistance.

Medications at School (OP 3416)

Medications at School including prescribed and over-the-counter, may be dispensed at school under supervised conditions. The district assists students in difficult medical situations; however, the administration of medication is strictly regulated by state law and procedure. Medications at school require completion of form OP 3416.1X. Any changes in medication or treatment needs must be communicated to YSD Health Staff by parent(s)/guardian(s). Contact your school office manager, health services staff, or call (509) 573-5000 for assistance.

Immunizations (OP 3413)

Immunizations must be current for student attendance. A student who is non-compliant on the first day of attendance or when a complete records check has been done shall be excluded from attending class following parent/guardian notification. Contact your school nurse or call (509) 573-5000 for assistance. RCW 28A.210.060-170

Child Abuse (OP 3421) and (OP 3447)

Only law enforcement can remove a child from the school. Contact your school for assistance.

Child Custody (OP 3610)

Parent(s)/guardian(s) of children with disabilities must receive a copy of procedural safeguards one time a year (and upon initial referral or parental request for an evaluation) and upon filing a request for a due process hearing. Call (509) 573-5091 for assistance.

Child Nutritional Programs

Child Nutritional Programs are provided under the Community Eligibility Provision (CEP) which allows all children to receive breakfast and lunch daily at no cost to all enrolled students without collecting household applications. Anything above and beyond the provided meal will need to be paid for at the time of purchase or preloaded on an account. Call (509) 573-7145 for assistance.

When schools are closed, all activities planned for that day and evening are canceled. For more information visit ysd7.org/winterweather.

Smoke-Air Quality

Decisions for outdoor activity are made by the Superintendent for recess (or outdoor events during the school day) and building athletic directors for after-school outdoor sports/activity practice or contests. Sensitive groups or students experiencing adverse symptoms should see the school nurse during school and their coach/supervisor if after school. The school nurse has masks available for students and staff. Check the current and forecasted air quality status for our area online at Airnow.gov. Or during wildfire smoke, go to wasmoke.blogspot.com for status updates. If you have questions or need further clarification, please get in touch with the Superintendent's office at 509-573-7001.
