Cap and Gown Ordering

Cap and Gown Ordering will be discussed on November 4th during Nest. Ordering will take place November 4th to December 13th. If finances are a concern, please reach out to one of us to ensure your student gets their order placed. If your student has access to a graduation gown from a sibling or former student (it must be black and have the embroidered redbird on it)-they will still need a cap and tassel.

Graduation Practice – May 29 Noon-2pm

Practice will take place on the Nowak Family Field at DPHS. Seniors will walk through the graduation ceremony, find seats, and practice the line-up. Students must have all obligations met (books turned in, fees paid, etc.) in order to attend the graduation ceremony. Casual dress is fine – no cap and gown needed. Graduation tickets will be distributed to seniors **after** practice is completed.

Graduation Ceremony – May 29 at 7:00 pm

Graduation ceremony will begin at 7:00 pm at the Nowak Family Field. **Graduates need to arrive by 5:45.** Each student will receive **6** tickets to the ceremony. Senior students have been assessed a **Graduation Fee** of approximately \$15 to cover the cost of rental items which will be paid online along with student class fees at the beginning of the year. In the event of inclement weather, the graduation ceremony will be moved to the high school gym and each graduate will only be able to have **4** guests due to seating capacity.

As the school year continues, you will be receiving more information via school messengers and can always access the information on our Senior Year and Information page on the district website. Here is how you can access and stay up to date.
