AN OVERVIEW

Millbrook High School is a small public high school located in the heart of Dutchess County. Currently, the Millbrook Central School District serves the needs of approximately 950 students and the high school enrollment in grades 9 through 12 is 324 students. Millbrook High School has a quality academic program that offers AP classes, as well as courses offered through area colleges. We have expanded our Project Lead the Way Engineering Program through Rochester Institute of Technology.

MISSION STATEMENT

It is the mission of the Millbrook Central School District to prepare students to deal effectively with the challenge of an ever-changing society by helping them to become humane critical thinkers, decision makers and problem solvers.

- Millbrook High School is accredited by the University of the State of New York.
- Our students consistently score well above County and State averages on standardized tests.
- We offer an extensive Technology Plan, which integrates computers and the latest technological advances into our K-12 instructional program.
- All athletic programs and co-curricular activities are comprehensive and inclusive.
- The District's music and art programs are excellent. Performances, exhibits, and competitions provide opportunities for students to display their talents.
- Millbrook High School is a participating Rensselaer Medal Scholarship school.
- Naviance College & Career Program
- Our programs supported in part by Millbrook Educational Foundation.

GRADING AND RANKING

The passing mark is 65%. The final grade is based on 80% class work, 10% mid-term exam grade and 10% final exam grade. Rank and averages are based on six semesters, grades 9-11. In February of their senior year, students are re-ranked, taking into account grades from 1st semester. Final ranking is completed at the end of 12th grade. Rank in class is determined by weighted average. Grades on a transcript are not weighted. Weighting is used to calculate rank in class only.
