1. Login to [Skyward](#) using a desktop computer or laptop device. **These directions will not work with the Skyward App on your cell phone.**

2. Click on the "District Links" link, located at the top right of the home screen.

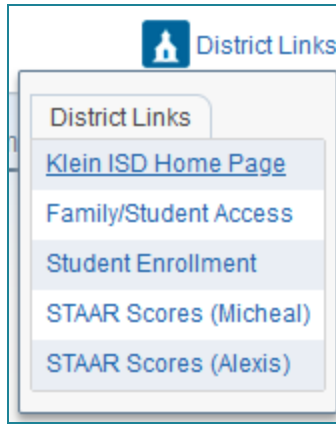

3. Click on the "STAAR Scores" link.

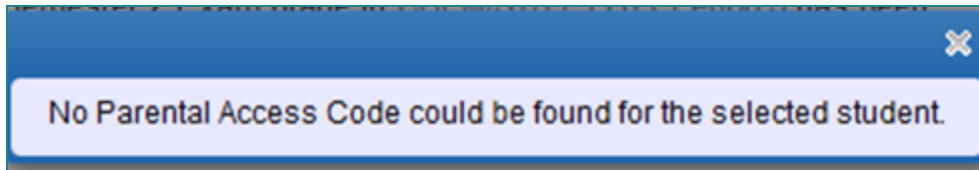

4. A new window will open, and you will automatically be logged into your child's Texas Assessment account. You can subscribe for updates, view the help guide, view the detailed report, or download the STAAR report card for each of your child's tests.

5. Families with more than one child will be able to view each child's results by clicking on the child's name. See the example below.

6. If your child's results are not available, you will see the following message.

**If you need assistance, please submit [this form](#).**

*During summer (June 24 to July 9), response time will be delayed.*

*Thank you for being patient.*
