### A MESSAGE FROM MRS.MANIKA

Students have been doing a wonderful job settling into the routine at school this week. Please continue to talk to your students about what they are learning at school, who they sit with at lunch, and who they are playing with at recess. We will begin taking the NWEA next week and will be doing so over the course of the next 2 weeks. This helps us see where we need to meet them in math and reading instruction. Please help our students get into the routine of a healthy bedtime so they are ready to learn and grow with us at school. Thanks for your partnership!

### NURSES NOTE

We continue to have the “24-hour Rule” for sicknesses. If your student has a fever or vomiting/diarrhea your student **MUST** be symptom and/or fever-free for 24-hours (without medication) before returning to school. This includes those student who are picked up early due to illness. The 24-hour clock starts from time of pick up. New this year, **ANY** medication you wish to be administered to your student at school **MUST** be signed by a physician, or it can’t be given.

### PICTURE DAY!

Picture Day will be September 20th. Flyers for picture day will be going home soon.

To order pictures you can go to
